

Happy Birthday Blazing Holy Fire Church

Prophecy Part I Given October 15, 2010

*I want this church to be set more on fire
More souls will come & will be set on fire
I am pleased with the church that overcomes the gates of hell
Help the lost to go to heaven*

*Do you know how my heart aches for those heading to hell, it breaks my heart!
Those people I chose and gave them power, they are not in heaven!!!
Observe my law and commands with ALL YOUR HEART!
I will give you power, draw near to Me, I will give you greater powers.*

I love you forever.

*I have allowed this special revival for you,
I have raised this servant and sent him here for you to receive greater powers,
Whenever I see all of you, I am filled with joy,
Be filled with my abundant gifts and blessings,
Be filled with my power and my presence,
Always give glory to the Lord.*

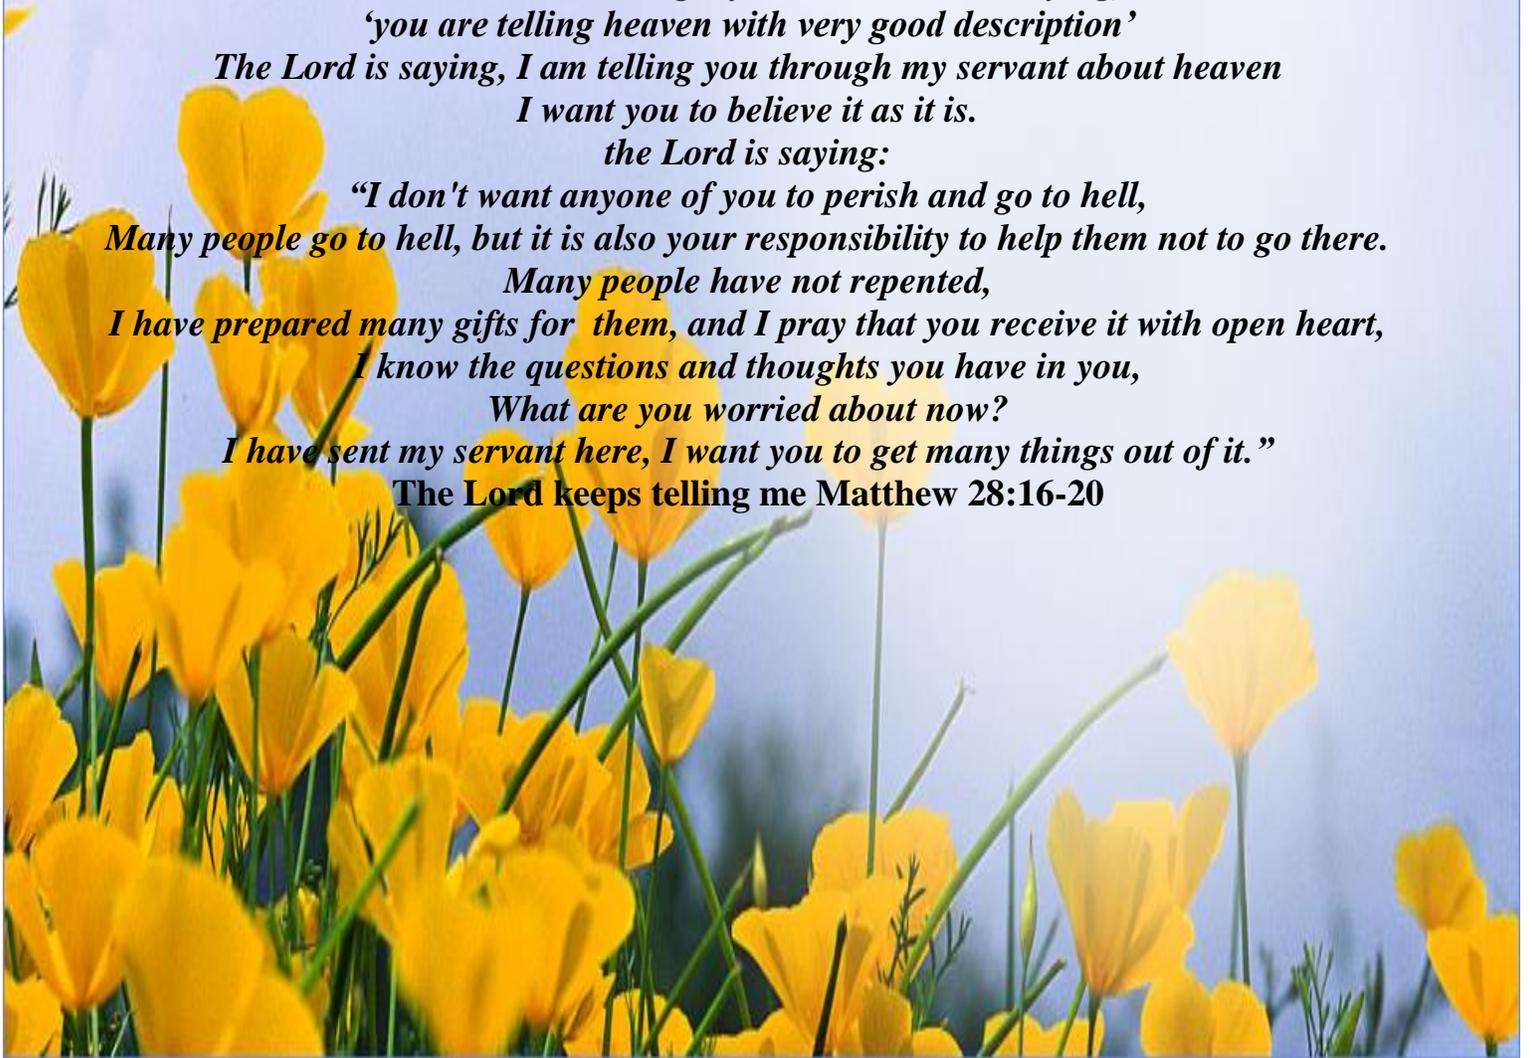

PROPHECY PART II

*The Lord is touching my head now and is saying,
'you are telling heaven with very good description'
The Lord is saying, I am telling you through my servant about heaven
I want you to believe it as it is.*

the Lord is saying:

*"I don't want anyone of you to perish and go to hell,
Many people go to hell, but it is also your responsibility to help them not to go there.
Many people have not repented,
I have prepared many gifts for them, and I pray that you receive it with open heart,
I know the questions and thoughts you have in you,
What are you worried about now?"*

*I have sent my servant here, I want you to get many things out of it."
The Lord keeps telling me Matthew 28:16-20*

Jesus continues:

*“It is good to go to heaven, but I want you to keep my commands,
There can't be heaven without me.
Is heaven more important than me?
I want to be with you always,
I give you all authority in heaven and on earth that you overcome the devil,
You are sons and daughters who need to set fire on your homes and your churches,
You need to have a new perspective,
A new paradigm, a new wine with new wineskin, new clothes;
Do not sew a patch of new clothes on old clothes,
There are people who are still doing that,
If you put new clothes on old clothes, it will reap.
Know your mission,
I want you to have a new direction,
As you pray and ask, I will give you a new direction.”*

Mathew 28:16-20

*You are in the age of the Holy Spirit,
The whole world is going crazy,
I want you to discern the times, just like you know how to discern the sign of the weather.
Many people are living in the age of the Holy Spirit but they have not received the power,
How can you solve this?
Many people are swimming in the ocean of the word of God but they are still thirsty and hungry,
You are entering the age where the Holy Spirit power is unlimited,
Whoever is hungry and thirsty, I will pour down on them,
You will take back the money taken by the enemy,
There will be the great earthquake,
The whole world will be changed,
I want you to receive my unlimited power,
Receive power!
You will cast out demons,
You will lead your family,
You have supernatural power,
When you receive by faith you will receive it. Desire it.
10 people will grow to 100,
100 to 1,000 people,
People who do not have power will receive power,
There will be anointing of finances,
The sick will be restored,
Weak hearts will receive strong hearts,
You will receive many powers,
This church will be restored,
And be persistent,*

*I have given you all authority,
My power is looking for owners,
Power to be applied,
Claim my promises,
Proclaim the Word of God,
Persist until the end,
When you proclaim, claim;
I will give you power, I want you to have the faith of a mustard seed,
Don't think you are young or old,
You will be filled with the power of the holy Spirit,
I want you to apply and use it until I come.*
