

Fees Policy

MDGC is a not for Profit Organization. In order to keep the account keeping fees to a minimum we would kindly ask you to pay in the first two weeks of the term, this will allow us to spend extra time & funds towards the children.

Registration fee must be paid prior to first class for insurance purposes. It covers Public Liability and Gymnasts Insurance with Gymnastics Queensland. Once paid and student is registered this fee is non refundable, however it is transferable between clubs.

Family Maintenance Levy (\$60 per year per family) must be paid in full along with the registration fee. Families may be eligible for a full refund at the end of the year. Parents must complete 1.5 volunteer hours each term which could include cleaning, checking and repairing equipment, tidying up cages, helping out with fundraising, organizing displays & in house events, supervising or transporting equipment for displays, etc. Parents are responsible for noting their time spent and tasks completed in the "maintenance levy refund register" and can request their refund at the end of the year or at the time of the withdrawal of a child.

Term fees must be paid in full in the first 2 weeks of term for all new and existing members, or in the third week for new members attending trial lessons. **Failure to do so will result that your child will not be able to attend gym until all outstanding fees are paid.**

Once your child is enrolled for the term, their term fees are not refundable. In the event that term fees are not paid, and the debt is handed over to an external debt collection agency, all costs incurred by Mossman & District Gymnastics in doing so will be passed on in the form of additional fees. Gymnast re-enrolling must pay for a full term i.e. if it is a ten week term, they must pay for 10 weeks even if they will be away the first, or last week for example. In the event you are unable to pay for term fees in the first 2 weeks, you must contact the accounts manager via email (accounts@mossmangymnastics.com) and request a payment plan.

Credit or refunds are not given for any absences or if gymnasts decide they no longer want to do gymnastics. If full term fees are not paid at the time of finishing gym, parents will still be charged for full term fees. Credit or refunds are not given as a result of gymnasts attending club events or competitions when their usual classes are on. Coaches are present at these events and as such are considered part of their regular gymnastics activities. Gymnasts unable to attend such events, and where no regular classes are held as a result, are entitled to a makeup lesson. In special circumstances, based on a written application to the club, a credit refund may be considered according to a joint decision by the committee. It will be calculated from the date a letter is received by the club.

Uniforms, handgrips, leotards, tracksuits etc will only be ordered once payment is received in full. If your child does, or is entering into a competitive program, you should allow up to 6 weeks when ordering. In many instances, uniforms are sourced overseas and will take this long to arrive. If you leave your order until the week or two before a competition, you may not have it in time.

Competition entry notes will be given to those children to whom they are relevant. We endeavour to give parents and gymnasts as much notice of events as possible. If payment is not received by the due date stated on the form, then your child will not be able to compete in that event. (If late entries are accepted by event organisers, any late fees they charge will be passed directly on to you).
