### Antique quilts: Care and Keeping

*“Every Quilt top does not deserve to be quilted!”...maybe there is a reason it was left unfinished!*

Bring your old unfinished vintage quilt tops, quilt blocks, or family heirloom quilts to join in the fun! In this interactive class we will share ideas for rescuing, finishing, restoring, repairing, and conserving these treasures while maintaining their historical dignity.

We will also discuss proper care, cleaning and storing of quilts...the antiques of the past and the treasures of the future.
