Quality Security Systems

UNBEATABLE SERVICE

Security Systems Specialists for over 35 years

Trusted for over 35 Years

STANDING THE TEST OF TIME

We have been installing quality systems for our clients since 1981. Our reputation has been built on our commitment to customer satisfaction – our client base has been built on referrals alone.

This means that you can be assured that we are dedicated to fulfilling our promise to provide you with a solution that exceeds your expectations.

**SPECIAL
OFFER**

CHOICE OF PRODUCTS

When we choose a product, we think of our clients. Our key requirements are:

**Performance, Reliability,
Ease of use & Value for Money.**

After 35 years of business we are currently offering the best range of products and solutions ever....and at the lowest cost.

Security System Upgrades

We are now giving very special offers to clients with existing security systems in need of refurbishment and upgrade.

These offers includes excellent rates for service, replacement parts, partial upgrades through to complete new solutions with maintenance.

Please contact us for details.

A Security Provider you can rely on

QUALITY & SERVICE.

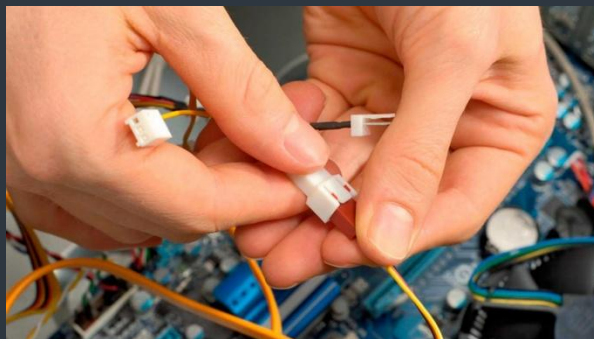

QUALITY PRODUCTS

We sell only Quality Products and our portfolio includes World Leading brands. Our advanced systems include ground breaking products that are leading the way in innovation. This is good news for our clients who benefit from the improved quality, reliability, convenience and cost savings.

DEDICATED SERVICE

A family run business, we are dedicated to our clients satisfaction. We'll design the perfect solution for you and provide all the services and support you need.

EXPERT INSTALLATION

We install systems to last, we've been installing systems for 35 years and our reputation is built on our reliability and service. Our highly trained Installers ensure each system is installed to the highest standards.

Comprehensive Security Package

We specialize in integrating systems to improve efficiency and ease of operation as well as reducing costs.

You can rely on us

TRAINING, STANDARDS & STRONG PARTNERSHIPS

TRAINING

Our staff receive product and installation training continually. Our commitment to quality brands ensures that we have excellent support services when things get tough. With 35 years experience – we know what we're doing.

STANDARDS

We are fully licensed by the PSA (Private Security Authority) a mandatory legal requirement to install Security Systems. Our staff are Garda vetted and we install our systems to NSAI & Cenelec standards.

PARTNERSHIPS

Our long standing brand partnerships ensure we receive excellent support from our suppliers. We are trusted by our suppliers to design, install, commission and certify systems at the highest level.

PSA Licence No: 508
