We have a children's program that is conducted the first three Sundays of the month during our worship assembly. It is especially designed for children 4 to 9 years old. If you desire, have your child follow the other children upstairs at the end of our communion service. There is an attended nursery downstairs for infants and children up to 4 years old in room B-7. For your peace of mind, **paggers are available** so you can be contacted if your child needs you. Our ushers will assist you with finding the correct room.
