

2015 EARLY AC/HP REPLACEMENT REBATE - NEXT STEPS

Central AC & Ducted Air Source Heat Pumps

Based on the findings of your Home Energy Specialist, you are eligible to participate in the Early AC/Air Source Heat Pump Replacement Rebate Program!

TWO WAYS TO PARTICIPATE

COOL SMART® QIV TRAINED CONTRACTOR* PATH

By selecting a COOL SMART QIV Trained Contractor:

- You qualify for an Early AC/Air Source Heat Pump replacement rebate.
- You are eligible to apply for 0% financing of your AC/HP installation through the Mass Save HEAT Loan** program (for more information, see HEAT Loan flyer in your packet).
- A Quality Installation Verification (QIV) test will be performed which will earn you an extra \$150 QIV test rebate. (QIV testing ensures that your AC system is properly charged and has sufficient airflow).

To find a list of COOL SMART QIV Trained Contractors, please visit www.masssave.com/CoolSmartContractors

**QIV Trained contractors have been trained in quality installation protocols through the Cool Smart program. Sponsors do not endorse or warrant the performance of installed or serviced equipment, or the business practices of these contractors, either expressly or implicitly. Program sponsors make no warranties or representation of any kind regarding the services provided by these contractors.*

***Ducted AC financing up to \$10,000, Ducted HP financing up to \$25,000*
