

MASON COUNTY CHRISTIAN SCHOOL JOB OPENING

6TH-9TH GRADE SCIENCE/MATH INSTRUCTOR Mason County Christian School (MCCS) in Shelton, WA is accepting applications for this full-time position, to begin in the 2016-2017 school year.

Duties include:

- Develop and implement lesson plans which are consistent with WA State Standards.
- Deliver instructional activities from the perspective of a Biblical worldview, integrating Biblical teaching throughout.
- Provide laboratory and hands-on activities to enhance the science curriculum.
- Encourage a love for science, technology, engineering, and math in the students.
- Incorporate technology in lesson activities on a regular basis.
- Maintain accurate records and grades, complete progress reports, participate in parent conferences.
- Maintain a well-managed classroom.
- Create a positive educational environment and consistently model Christ-like character, actively communicating with students, parents, and administration.
- Teach at least three sections of science and/or math to middle school and 9th grade students.
- Assist in the coordination of the sixth-ninth grade math program.

Qualifications:

- A demonstrated commitment to MCCS's mission, values, and philosophy.
- Skills in effective oral and written communication.
- Skills in classroom management.
- Ability to motivate students.
- Capability of teaching high-school levels of science and math.
- 9th to 12th grade WA State Endorsement preferred.

Applicants with Washington State or ACSI teaching certificate, including verifiable classroom teaching experience will receive first consideration. Annual salary range: \$22,000-\$28,000 DOE. Free tuition is available for teachers with children enrolled in MCCS. Email your cover letter and resume to mccs@hctc.com. Qualified applicants will receive an application and job description.
