AN EVENING TO SAVOR YOUR SENSES
Wine and Music Pair in this Special Benefit for Guiding Eyes for the Blind

Proprietor of Scarsdale shop *Vintology Wine & Spirits*, **Dean Morretta**, teams up with concert pianist **Elaine Kwon** to experience the senses. Ms. Kwon, an accomplished pianist with an international resume and Affiliated Artist/Lecturer in the Music Department at MIT, conceptualized *Savor Your Senses* while playing at home to casual audiences of friends. She and friends found the experience of listening to her performance, while enjoying wine, enriched both sensory experiences. This inspired her concert series, *Savor Your Senses*, which will take place for the first time in Westchester County in a collaboration with *Vintology* and Mr. Morretta.

This *Savor Your Senses* event will benefit **Guiding Eyes for the Blind**, the internationally accredited guide dog school, located in Yorktown Heights, NY. Guiding Eyes, dedicated to enriching the lives of blind and visually impaired individuals, is enthusiastic for their participation in Savor Your Senses, an event that celebrates the senses of taste and hearing.

Ms. Kwon and Mr. Morretta will collaborate to pair five piano compositions with five wines, intended to enrich both the wine tasting and the music. The audience will enjoy the performance of Ms. Kwon's masterful piano playing and the expertise of Mr. Morretta's fine selections, and then engage the experts between the selections in free discussion.

The full proceeds of *Savor Your Senses* will benefit ***Guiding Eyes for the Blind***.
