

Shake the World

Words: Jim Jordan

Music: Steve Wick

**It was for our sins that Jesus died
It was according to God's plan
And to show the price was satisfied
God made a big earthquake shake the land**

*God made it shake (shake, shake, shake)
God made it shake (shakety, shake)
God made it shake (shake, shake, shake)
God's power can shake the world*

**There was Paul and Silas stuck in jail
Singing songs the whole night through
'Cause they didn't need to post a bail
The jailor felt the whole earth shake, then he knew**

*God made it shake (shake, shake, shake)
God made it shake (shakety, shake)
God made it shake (shake, shake, shake)
God's power can shake the world*

**Every time that God means business
He makes a mighty change
When someone finds God's true forgiveness
Everything gets rearranged**

*God's gonna shake (shake, shake, shake)
God's gonna shake (shakety, shake)
God's gonna shake (shake, shake, shake)
God's power can shake the world*

**Now there is a job that's yours and mine
To bring our friends to hear the news
So they can put their trust in Jesus Christ
God will shake their world up when they do**

*God's gonna shake (shake, shake, shake)
God's gonna shake (shakety shake)
God's gonna shake (shake, shake, shake)
God's power can shake the world
God's power can shake the world*
