PADDLE WEST**

**SAVE THE DATE**

Hello Fellow Dragon Boaters,

Do you remember the fun time you had at the 2015 "Paddle for Life" Dragon Boat races on Vancouver Lake during Memorial Day weekend? Or perhaps you joined us the weekend of August 1st and 2nd, 2015, for "Paddle West". Or maybe you were present for both events. Well, we are preparing to do it all over again and want you to join us for another fun Race Day.

**Date and Time:** SATURDAY OCTOBER 1, 2016 9AM - 4PM

Place: Vancouver Lake Park, Vancouver, Washington

This event is a fundraiser benefitting *Pink Lemonade Project*, a local breast cancer survivor foundation. This is a great kick off to October as Breast Cancer Awareness month!

**SO STAY TUNED. . . . .**

Very soon you will be receiving all the pertinent information so you will have a jump-start in getting your teams together for another fun day of racing on beautiful Vancouver Lake.
