

## Your Love Is New Each Morning, Lord

1. Your love is new each morn-ing, Lord, great won-drous God of light,  
2. Stir up in us the need to serve; all neigh-bors greet in peace;  
3. With grate-ful hearts and o-pen minds we start each day with you.

and all day long you work for good, re-joic-ing in the right.  
de-vote each day to Christ our Lord—whose love will ne-ver cease.  
Help us to sense your Pres-ence 'til that morn-ing e-ver new.
