

Hymns'13.1.9 **GLAD MUSIC POINTS OUR SOULS TO CHRIST**

“...and he said to the lake, ‘Silence! Be still!’ Mark 4:39 CEB

Glad music points our souls to Christ
in heart-felt hymns of praise,
expressing joy we know in Him,
though sung on stormy days. (Repeat)

We sing of Him who spoke the words
“Be still, you raging sea!”
His boat has sailed worse storms than those
which buffet you and me. (Repeat)

His ship, the Church, where anthems ring,
finds harbor safe, secure,
within that lighthouse, cruciform,
which saves us, on the shore. (Repeat)

To share this faith through songs of hope
in gales and fierce distress,
will lift us up to stay the course
then others, calmly bless. (Repeat)
