

Thai Royal Praises Hitler, States The Holocaust Is Joo Lies By High Priest Don Danko

To my understanding from a Westerner who went to Thailand to become a Monk. Thai People are openly pro Hitler and National Socialist and anti Jew. It makes sense the biggest allies and openly NS populations are in the Dharmic based nations in the East that still have higher spiritual values and ways of life based around the superior cultivation of the soul, mind and body. Which is what National Socialism's core value is. And why Joo's hate National Socialism and have tried to murder it from the start.

The Jewish Ambassador from Israel a nation that has murdered close to a million Palestinians and where its Political Leaders openly states stuff like this:

"Our race is the Master Race. We Jews are divine gods on this planet. We are as different from the inferior races as they are from insects. In fact, compared to our race, other races are beasts and animals, cattle at best. Other races are considered as human excrement. Our destiny is to rule over the inferior races. Our earthly kingdom will be ruled by our leader with a rod of iron. The masses will lick our feet and serve us as our slaves" - Prime Minister Menachem Begin (Israeli Prime Minister. Speech to the Knesset. Source: Begin and the Beasts," New Statesman, June 1982)

Is crying six billion holo tearz over smart People. Not believing the Holocaust Potter And The Gas Chamber Of Secrets, tales uncle Shalomo is selling.

[Israel Joo]Ambassador Simon Roded expressed "disappointment and regret" over the comment by ML Rungguna Kitiyakara, a descendent of 19th-century King Rama V and a distant cousin of HM Queen Sirikit.

[The Joo ambassador was probably sad that Joo's couldn't place signs on buses in Hitler loving Thailand. like Israel's bus company Egged has accepted this ad in Jerusalem:"Statement of the kingdom. From the teachings=instructions of the [Lubavitcher] rabbi:"The Gentile does not want anything. He waits to be told what the Jew wants!"]

On his Facebook, ML Rungguna praised Nazi leader Adolf Hitler as a genius and patriot, and said the holocaust was "propaganda".

ML Rungguna wrote of his appreciation to Hitler on April 20, he Nazi leader's birthday, He said he beleived Hitler made some mistakes but he was a genius and a patriot, so his life was worth studying.

ML Rungguna viewed that Hitler was a statesman who had been destroyed by Jewish bankers and Zionists and been imputed as the bad guy for the holocaust which ML Rungguna claimed did not actually occur. It was propaganda to establish sympathy to expel and kill Palestinians from their homeland so the Jews would have their own state, he wrote.

ML Rungguna, 46, is a son of MR Kiartiguna Kitiyakara and Thailand's former Miss Universe Apassara Hongsakul. He had become a monk for several years and now is a farmer and activist for energy reform.

Oy Veh! Those Thailand Goyim are never going to tolerate this:
