

Exposing the Jewish Criminal - Lazar Kaganovich

-By Teloc Vovim

Whatever is good for the Jews, follow only that reasoning....

Lazar Kaganovich was born to jewish parents and was a soviet politician and first deputy chairman of the council of ministries and one of the main associates of Joseph Stalin (Another murdering Jew). He had a reputation for his temperament and violent nature. He became noted for his personal loyalty to Stalin, he would execute absolutely any order from Stalin. For his ruthlessness in the execution of Stalin's orders, he was nicknamed "Iron Lazar". Kaganovich was a lying, and murdering... Jew...

In 1911, he enlisted with the Bolshevik party, a jewish communist party responsible for mass murders and executions, torture and for the repression of the Russian peoples (and any other country under the control of the soviets at the time, See links below) In May 1917, he became the leader of the military organization of Bolsheviks in Saratov and in August 1917, he became the leader of the *Polesky Committee* of the Bolshevik party in Belarus.

Kaganovich acted as Commissar (Almost all the commissars were jewish) of the propaganda department of the Red Army.

In 1924 Kaganovich became a member of the Central Committee. He falsified voting for positions in the Central Committee, deleting 290 votes opposing the Stalin candidacy. His actions resulted in Stalin's being re-elected as the General Secretary instead of Sergey Kirov. (Kirov was later assassinated per Stalin's orders) Before Kaganovich's falsification, Stalin received 292 opposing votes and Kirov only three.

However, the "official" result (due to the interference of Kaganovich) saw Stalin with just two opposing votes. Jews lying and murdering to get their way...

In 1930 Kaganovich became a voting member of the Soviet Politburo. The Politburo was an executive committee for a number of (usually communist) political parties. The very first politburo was created in Russia by the Bolshevik Party in 1917 to provide strong and continuous leadership during the Russian Revolution. The first Politburo had seven members: Lenin (Jew), Zinoviev (Jew), Kamenev (Jew), Trotsky (Jew), Stalin (Jew), Sokolnikov (Jew) and Bubnov.

The law of December 1, authorized by the Politburo, allowed suspects to be tried without legal representation, permitted executions to be carried out immediately, this law was used in launching the Great Terror.

Kaganovich also supervised the destruction of many of the city's oldest monuments, and he led the suppression of the workers' strike in Ivanovo-Voznesensk. In 1935 - 37 even before the start of the Great Purges, he organized the arrests of thousands of railway administrators and managers as supposed "saboteurs". Kaganovich was responsible for and oversaw numerous executions and arrests.

Kaganovich (together with Vyacheslav Molotov) participated with the All-Ukrainian Party Conference of 1930 and were given the task of implementation of the collectivization policy that caused a catastrophic 1932–33 famine (known as the Holodomor in Ukraine, see link below).

He also personally oversaw grain confiscations during the same time periods. Similar policies also inflicted enormous suffering on the Soviet Central Asian republic of Kazakhstan, the Kuban region, Crimea, the lower Volga region, and other parts of the Soviet Union. As an emissary of the Central Committee of the Communist Party, Kaganovich traveled to Ukraine, the central regions of the USSR, the Northern Caucasus, and Siberia demanding the acceleration of collectivization and repressions against the Kulaks.

- Attorney Rafael Lemkin in his work, *The Soviet Genocide in Ukraine* tried to present the fact of Holodomor to the Nuremberg trials as a genocide of a totalitarian regime. Of course it was not heard of or addressed there. Only false jewish lies against the Nazi party were presented, and forced and false so called "confessions."

Kaganovich like most of his associates who were also lying, conniving, murdering jews have never been brought to justice. Kaganovich and his comrades were responsible for genocide, crimes against peace, war crimes, and crimes against humanity. Most lived out their lives while those who fought for freedom were hunted down and executed. All these jewish criminals need to be exposed..
