

Ghoulish Jew's Selling Body Parts of Killed Gentile Infants

-High Priest Mageson 666

Planned Parenthood a Jewish owned and operated business from the top down that pushes Communism, race mixing and teaching children the virtues of shitting on people as foreplay. Here is just an example of the Jewish control of this...

Planned Parenthood Federation of America,

President: Gloria Feldt

"At the tenth annual Power of One event, over 600 women gathered in San Francisco to celebrate their commitment to the Jewish Community Federation. They were inspired by messages from Jan Richer, Liki Abrams, and keynote speaker Gloria Feldt, President of the Planned Parenthood Federation of America, who spoke eloquently about her Jewish roots, personal challenges and the importance of activism." [1]

"All four original organizers of the most influential group of abortion pushers in the United States — the National Abortion Rights Action League (NARAL) — were of Jewish birth, including now pro-life Dr. Bernard Nathanson. Dr. Christopher Tietze worked for the Population Institute and International Planned Parenthood Federation, and did more to promote the worldwide slaughter of innocent unborn children than any other person. Dr. Alan Guttmacher was president of the Planned Parenthood Federation of America for more

than a decade, founded Planned Parenthood Physicians, and did more than any other doctor to promote abortion in this country. He also advocated mandatory abortion and sterilization for certain groups in the United States. Dr. Etienne-Emile Baulieu, inventor of the RU-486 abortion pill, was born in 1926 to a physician named Leon Blum. He changed his name in 1942. Stanford professor Paul Ehrlich is the 'father' of the overpopulation myth. His 'work,' The Population Bomb, was the 'spark' that ignited the anti-natalist movement. Lawrence Lader, (New York University professor and co-founder of NARAL) king of the abortion propagandists, has written several books crammed with fabrications and outright lies that have helped advance abortion all around the world... Lader was quoted 11 times in Roe v. Wade, because he had a message that the Justices wanted to hear. (In the same decision, testimony from the world's leading fetologist, Dr. A. W. Liley, was totally ignored because it decisively undercut the Court's decision)... Lader also founded Abortion Rights Mobilization (ARM), which sued the Internal Revenue Service in court in a failed attempt to get the tax-exempt status of the Catholic Church revoked for opposing abortion too effectively. He also was one of the leading proponents of the abortion pill RU-486." [2]

As noted the majority of abortionist clinic's and doctors are Jewish. The Jews themselves don't push this for their own. Jews take a social issue over and then use it as a cover to promote their own agenda of destruction of the host. ie THE GOYIM.

This organization was originally founded by Communist Jews who as Professor MacDonald shows in his works. Will have a front Goy as window dressing for such radical movements some such as Freud and Boas openly state they did this. Sanger herself a claimed Goy in 1902 she married William Sanger who was a German Jew and a political leftist radical. Her mentor and teacher was Emma Goldstein the notorious and gross Communist Jewesses who supported the her fellow Jewish Bolsheviks in Russia and Spain.

Sanger in 1921 established the American Birth Control League, a national lobbying group, which became Planned Parenthood in 1942.

Here is a list of Jewish organizations behind supporting Planned Parenthood....

American Jewish Committee • American Jewish Congress • B'nai B'rith Women • Central Conference of American Rabbis [Reform] • Federation of Reconstructionist Congregations • Hadassah Women • Jewish Labor Committee • Na'amat USA • National Federation of Temple Sisterhoods [Reform] • National Council of Jewish Women • New Jewish Agenda • North American Temple Youth Rabbinical Assembly • Union of American Hebrew Congregations [Reform] • United Synagogues of America [Conservative] • Women's League for Conservative Judaism [3]

This is only Goy slaughter where the Jooz made a big killing out of killing the Goyim. Then sell their mutilated bodies and make a double killing.

The recent undercover video showing a Planned Parenthood official negotiating for the sale of the organs of aborted babies has caused a firestorm of outrage:

New undercover footage shows Planned Parenthood Federation of America's Senior Director of Medical Services, Dr. Deborah Nucatola, describing how Planned Parenthood sells the body parts of aborted unborn children and admitting she uses partial-birth abortions to supply intact body parts.

In the video, Nucatola is at a business lunch with actors posing as buyers from a human biologics company. As head of PPFA's Medical Services department, Nucatola has overseen medical practice at all Planned Parenthood locations since 2009. She also trains new Planned Parenthood abortion doctors and performs abortions herself at Planned Parenthood Los Angeles up to 24 weeks.

(Watch the FULL two-hour video at the end of this article).

Nucatola admits that Planned Parenthood charges per-specimen for baby body parts, uses illegal partial-birth abortion procedures in order to get salable parts, and is aware of their own liability for doing so and takes steps to cover it up.

The footage shockingly depicts the top medical official at the Planned Parenthood corporation munching on her salad while she discusses the sale of body parts of unborn children victimized by abortions. She brazenly describes how the heads of unborn babies killed in abortions command top dollar.
