

Top Israeli Political Figure Admits Jews Run the World

My note here; one Jew admits the Jews run the world and cites a top Jewish political figure who admits the same. All this blather about the Protocols of Zion being a fraud is Jew talk. In the late 18th century there was a notorious court case on the subject, and it was ruled that the Protocols were "a forgery," which means in legal terms, they are legitimate. In order to have a forgery, you have to have an original valid document somewhere. In order to forge a check you need the original legitimate one. So they have been ruled in a Court of Law to be legitimate over a century ago already. Also, any idiot can see for him/herself the truth in those protocols just by observing what is and has been going on in the world. What the Jewish race is and has been doing is glaringly obvious.

In These Very Moments, The Protocols Are Being Rewritten

By Gilad Atzmon [Jew] on February 8, 2015

"For many years my detractors have pointed at the following quote as evidence of my anti Jewish sentiments:"

"American Jewry makes any debate on whether the 'Protocols of the Elders of Zion' are an authentic document or a forgery irrelevant. **American Jews do control the world.**"

Yossi Sarid, the Israeli light Zionist veteran politician agreed with my position.

This is what he wrote in Haaretz:

"In these very moments, the protocols are being rewritten. Rich Jews are writing them in their own handwriting. They, in their wealth, are confirming with their own signatures what anti-Semites used to slander them with in days gone by:

We, the elders of Zion, pull the strings of Congress, and the congressmen are nothing but marionettes who do our will. If they don't understand our words, they'll understand our threats. And if in the past, we ran the show from behind the scenes, now we're doing it openly, from center stage. And if you forget our donations, the wellspring will run dry."
