## Sermon: The Yule Season 12/05/08

As many of you know, I live in the bible belt. Tulsa is behind the times in many ways and has its share of idiots, which is needed for xianity to thrive, as xianity thrives on ignorance, illiteracy, and stupidity.

This morning while I was doing my grocery shopping at a major supermarket, xian hymns were blasting over the speaker system. Because it is the holidays, xians feel they have the right to push this crap. Halleluiah, "Jesus" and all that hideousness blasting loud and clear all over the store. Needless to say, it made me physically nauseous. Trying to shop for groceries and tune that ugliness out was extremely unpleasant to say the least.

When I finished with making my purchase at the checkout, I asked to speak with the store manager. I let her know I was extremely offended by the Christian music, and if they had to play holiday music, it should be non-religious such as the many carols – "Sleigh Ride," "Frosty the Snowman," "Santa Claus is Coming to Town"- you get the general idea. There are hundreds of Yuletide carols that have nothing to do with that odious foul nazarene..

My point for this sermon is if each and everyone of us does our part, impact against this sort of thing will be made. I don't know what will come of my complaint, but the manager did write it down and told me she would give it to the head manager. For each open complaint, they claim there are some 45+ others who feel the same, but say nothing on most issues.

Xianity has had little if any opposition for hundreds of years. This is why it has grown and thrived. Those who say nothing are aiding and abetting the enemy through their tolerance and taking no action. Yes, it took me a few more minutes to ask for and speak to the manager, but what is a few more minutes compared to having to listen to and endure that sickening filth? It literally made me physically sick. When no one complains or says anything, they go right ahead and think it is ok.

We need to let the enemy know their presence is unwanted and will not be tolerated. For having to cope with Christianity in retail stores, businesses and anywhere else- COMPLAIN!!!!!!

Xians have operated with no opposition for centuries. Make sure you complain to the manager, district manager, or whoever is in authority. You remain silent and say nothing- this is a way of showing them you condone their presence and intrusiveness. I ALWAYS complain. Remember to be professional, do

not raise your voice, get emotional, or use so-called "foul" language. In many places such as here in Tulsa, Oklahoma, which is right in the middle of the shit-hole bible belt, it is actually a misdemeanor to "swear" in public. That is how bad and rotten these xians are in working to take away your basic rights. They must be fought at every turn. Remember- our freedom is on the line. We cannot afford to lose.

Be firm and to the point. If you fail to get a positive response, note the name of the manager, and take it to someone who is in higher authority, such as a district manager and be sure to note the negative response you received from the subordinate manager, his/her name, the date you spoke and anything else of importance. Write everything down. Let them know you are offended and will no longer do business with them, if they do not act to correct the situation.

In closing, I want to add- xian relics, music and such has a very ugly effect upon the soul. Those of us who meditate regularly and are open can feel the ugliness on the astral. This odious program has been responsible for the mass murder, torture, and destruction of trillions of lives, not only through Christianity, Islam and that cancerous root of Judaism where these come from, but through all of the wars incited either directly or indirectly through these programs for the destruction of Gentiles. This is why many of us get sickened by anything xian. The soul knows the truth and the truth is within us.

### **The Yule Season, Xmas is NOT Christian!**

For those of you who are new and/or confused-

Yes, most of us Satanists DO celebrate the Yule Season. The Yule season/Winter Solstice in truth has NOTHING whatsoever to do with that foul nazarene or Christianity. Feasting, partying, gift giving, holiday cakes, cookies, foods, evergreen trees, decorating- NONE of this has anything to do with xianity.

Below is an excerpt from <http://www.bismikaallahuma.org/archives/2006/christmas-and-its-pagan-origins/> and following this article are more links concerning the upcoming holidays.

\*\*\*

"In ancient Babylon, the feast of the Son of Isis (goddess of nature) was celebrated on December 25. Raucous partying, gluttonous eating, drinking and gift-giving were traditions of this feast.

In Rome, the Winter Solstice was celebrated many years before the birth of Christ. The Romans called their winter holiday "Saturnalia", honoring Saturn, the god of agriculture. In January, they observed the Kalends of January, which represented the triumph of life over death. This whole season was called Dies Natalis Invicti Solis, the birthday of the Unconquered Sun.

The festival season was marked by much merrymaking. It is in ancient Rome that the tradition of the Mummers was born. The Mummers were groups of costumed singers and dancers who traveled from house to house entertaining their neighbors. From this, the Christmas tradition of caroling was born.

Yule was symbolic of the pagan sun god, Mithras, being born, and was observed on the shortest day of the year.

In northern Europe, many other traditions that we now consider part of Christmas worship were begun long before the participants had ever heard of Christ. The pagans of northern Europe celebrated their own winter solstice, known as Yule. Yule was symbolic of the pagan sun god, Mithras, being born, and was observed on the shortest day of the year. As the sun god grew and matured, the days became longer and warmer. It was customary to light a candle to encourage Mithras and the sun to reappear next year. Huge Yule logs were burned in honor of the sun. The word Yule itself means "wheel", the wheel being a pagan symbol for the sun. Mistletoe was considered a sacred plant, and the custom of kissing under the mistletoe began as a fertility ritual. Holly berries were thought to be a food of the gods.

The tree is the one symbol that unites almost all the northern European winter solstices. Live evergreen trees were often brought into homes during the harsh winters as a reminder to inhabitants that soon their crops would grow again. Evergreen boughs were sometimes carried as totems of good luck and

were often present at weddings, representing fertility. The Druids used the tree as a religious symbol, holding their sacred ceremonies while surrounding and worshipping huge trees.

In the year 350 AD, Pope Julius I declared that Christ's birth would be celebrated on December 25. There is little doubt that he was trying to make it as painless as possible for pagan Romans (who remained a majority at that time) to convert to Christianity. The new religion went down a but easier, knowing that their feasts would not be taken away from them. Christmas (Christ-Mass) as we know it today, most historians agree, began in Germany, though Catholics and Lutherans still disagree about which church celebrated it first. The earliest record of an evergreen being decorated in a Christian celebration was in 1521 in the Alsace region of Germany. A prominent Lutheran minister of the day cried blasphemy: "Better that they should look to the true tree of life, Christ" The controversy continues even today in some fundamentalist sects.

### Sermon 12/09/08

Many people have trouble getting into trances, concentrating, and/or being motivated to meditate. This is just with meditation, but in every day life, there are problems that can be effectively dealt with by knocking down walls and going back to square one.

In many ancient spellbooks and grimoires, namely the Necronomicon, the word "engrave" is a code word for repeated workings or affirmations, mantras, vibrations of words of power, etc. These are engraved upon the soul, not necessarily engraving a sigil. The sigils within many of these ancient texts are symbolic messages as the same instructions for the working. A mantra or word of power, affirmation ideally should be "engraved" upon the soul, until it actually resonates like a struck bell (which is another symbol for this). The grimoires give the metal (each corresponds to a specific chakra) and the auspicious times for the working given the positions of the planets.

When one encounters problems and obstacles, one should go to the bottom of this and every night before going to sleep, affirm 20-30 times when relaxed, for example: "I have perfect concentration." Other affirmations for example- "I am always highly motivated and I always meditate every day" "I always have time to do quality meditations" "I am able to enter deep trances easily" you get the general idea. Remember, affirmations should always be in the present tense because the subconscious mind and soul do not have a time frame such as in the future tense "will" happen. Always make your affirmations in the present tense.

Before sleeping affirmations should be done some 25-30 times for 40 days straight. This is step one in the "engraving" upon the soul. Most often, workings need to be repeated and repeated, especially when the wills and lives of others are involved in the sense of any opposing energies, like in obtaining money.

Now, as for money, we all are aware of the rotten economy. Money is like god of this world. The competition to get a lot of money is fierce. In addition, xianity is a jewish tool to manipulate and control the Gentiles. With xianity, poverty is a virtue. Over and over again in that filthy bible, there are endless

scriptures that influence that Gentiles are scammed and indoctrinated into servitude and poverty. This ensures that all wealth and power ends up in the hands of the jews who have a massive money vortex that effects us all. Xianity is and always has been one of the most powerful tools that work to make the jews and their Gentile lackeys such as Billy Asshole Graham and related extremely wealthy. There is nothing spiritual here- just a gigantic fucking scam to take money from Gentiles and place it in the hands and control of the jews.

My entire point with the above paragraph is that there is a lot of competition given obtaining money. Forces are set up against the average person. Repeated workings for most people are necessary and these need to go way beyond the 40 days. Ideally, each working should be done in 40 day sections, but the entire workings in many cases to get anything substantial could take a year for some people, or more. Visualization is always necessary with using as many astral senses as you can. This is just an example of a working done in the face of massive opposition.

The more people involved, often means the more repetitions/energy one must generate in accomplishing a goal/working.

In closing, I would also like to mention that animals such as cats and dogs, also insects can see our auras. When we meditate, often our pet friends will try to sit on our lap or come to us. This is because they are attracted to our auras.

Insects can see beyond the light spectrum visible to humans. They can see ultraviolet light and in some cases infrared rays. The aura in its frequency emits light rays beyond the visible spectrum and attracts insects, etc.

### **The Talmud in Action**

Quote from the jewish talmud:

Aboda Sarah 37a: "A Gentile girl who is three years old can be violated."

The American group the ADL was founded to defend a Jew, Leo Frank, accused of raping and murdering a five year old girl, Mary Fagan, in his Atlanta pencil factory in 1913. The ADL claims he was innocent. A mob lynched him after the governor commuted his death sentence to life in prison.

Though AP and Reuters both ran stories on the episode, US media conglomerates refused to carry the story on television news, again saying the story would prejudice Americans against Jews.

Jewish gangsters in Russia have become increasingly linked to traffic in "white slaves" and prostitutes through Israel, according to a recent report in the Jerusalem Post. Israel turns an official blind eye to forced prostitution, and does not punish Israeli citizens who choose to own "sex slaves", as long as the slaves are foreign and non-Jews.

According to the Talmudic Encyclopedia: 'He who has carnal knowledge of the wife of a Gentile is not liable to the death penalty, for it is written: "thy fellow's wife" rather than the alien's wife; and even the precept that a man "shall cleave unto his wife" which is addressed to the Gentiles does not apply to a Jew, just there is no matrimony for a heathen; and although a married Gentile woman is forbidden to the Gentiles, in any case a Jew is exempted.' This does not imply that sexual inter-course between a Jewish man and a Gentile woman is permitted - quite the contrary. But the main punishment is inflicted on the Gentile woman; she must be executed, even if she was raped by the Jew: 'If a Jew has coitus with a Gentile woman, whether she be a child of three or an adult, whether married or unmarried, and even if he is a minor aged only nine years and one day - because he had willful coitus with her, she must be killed, as is the case with a beast,

because through her a Jew got into trouble. The Jew, however, must be flogged, and if he is a Kohen (member of the priestly tribe) he must receive double the number of lashes, because he has committed a double offense: a Kohen must not have inter-course with a prostitute, and all Gentile women are presumed to be prostitutes.

British link to 'snuff' videos

Jason Burke in London, Amelia Gentleman in Moscow, Philip Willan in Rome

Observer - Sunday October 1, 2000

Britain is a key link in the biggest ever international investigation into the production and supply of paedophile 'snuff' movies - in which children are murdered on film - an Observer investigation can reveal.

The key suspect in the inquiry, a Russian who was arrested last week in Moscow for distribution of thousands of sadistic child porn videos and pictures, was traced following the seizure of his products from British paedophiles.

Dmitri Vladimirovich Kuznetsov, a 30-year-old former car mechanic in Moscow, was identified after British Customs and police traced the origin of violent child porn videos found in the UK back to Russia.

Last week Italian police seized 3,000 of Kuznetsov's videos on their way to clients in Italy, sparking an international hunt for paedophiles who have bought his products. The Italian investigators say the material includes footage of children dying during abuse. Prosecutors in Naples are considering charging those who have bought the videos with complicity in murder. They say some may have specifically requested films of killings.

British authorities yesterday confirmed that scores of Kuznetsov's videos, produced in his small flat in Moscow's rundown Vykhino district, have been found in the UK. They are concerned that 'snuff' movies in which children are killed may have also been imported.

Around a dozen British men have already been arrested and charged with offences alleged to be connected to the Russian tapes. A second Russian child porn ring, which allegedly had a British distributor, was broken up earlier this year. The investigation into the importing of violent Russian child porn which led to the identification and subsequent imprisonment of Kuznetsov started about 15 months ago after Customs seized material coming into the country. Since then there have been dozens of other finds.

'We have seen some very, very nasty stuff involving sadistic abuse of very young children, but actual deaths on film takes it a whole step further. That is very worrying,' said one senior customs officer this weekend.

British paedophiles were paying between £50 and £100 for Kuznetsov's tapes, the officer said. Further fees were paid for access to a website that features pictures of extremely violent abuse.

Though two men arrested with Kuznetsov have also been imprisoned by Moscow authorities, only one of the three remains behind bars. Dmitri Ivanov was sentenced to 11 years for actually participating in the abuse that was being filmed. The others were released under an amnesty aimed at clearing Russia's overcrowded prisons.

When officers from the Moscow Criminal Investigation Department raided Kuznetsov's flat they found two boys in a makeshift studio. They seized a huge quantity of films and other pornographic material as well as lists of clients in Italy, Germany, America and Britain.

Last week Italian detectives moved in, following months of inquiries, and arrested eight people. The police searched more than 600 homes and say they now have evidence against about 500 people. Among the suspects were businessmen, public employees and a university student. Several of them were married, with children of their own. Hundreds of people are also under investigation in Germany.

The Russian videos, which had been ordered over the internet, were intercepted when they came into Italy by post, repackaged and then delivered by undercover police officers. They cost between £300 and £4,000, depending on what type of film was ordered.

Covert film of young children naked or undressing was known as a 'SNIPE' video. The most appalling category was code-named 'Necros Pedo' in which children were raped and tortured until they died.

Police in Russia and the UK believe that Kuznetsov and his associates have been in business for more than two years in which time they are believed to have recruited around 100 boys - aged between nine and 15 - to be filmed.

'Most of the children were rounded up from railway stations. A lot of them came from the suburbs, or surrounding regions and were from deprived, problem families,' said Kiril Mazurin, a police spokesman.

'Usually when children like this arrive in the capital, they've got no idea where to go and hang around in the station. It's very easy to entice this kind of teenager - with a promise of a warm bed or a trip to the cinema.'

Many were lured away from orphanages. 'Children are not locked in,' said Mazurin. 'Anyone can come along and promise them a meal at McDonalds. It doesn't take any more than that.'

Some children were paid a commission to find other boys willing to be filmed, according to reports in the Russian press, for a fee of between 100 and 300 roubles (£2.50 - £7).

Kuznetsov had given up his job in 1998 to devote himself to the lucrative pornography industry. A self-taught computer expert, he was in the process of upgrading his equipment to allow him to e-mail videos directly to clients when police raided him.

Many customers repeatedly ordered videos from him. The Naples newspaper Il Mattino published a transcript of an alleged email exchange between a prospective client and the Russian vendors.

'Promise me you're not ripping me off,' says the Italian.

'Relax, I can assure you this one really dies,' the Russian responds.

'The last time I paid and I didn't get what I wanted.'

'What do you want?'

'To see them die.'

Amnesty: Israel failing to deal with white-slave trade

By Dan Izenberg and Heidi J. Gleit

JERUSALEM (May 19) - Israel has failed to take adequate measures against human rights abuses of women who have been brought here and forced to provide sexual services, Amnesty International charged.

"This is so," a special Amnesty report on the trafficking of women from the former Soviet Union said, "even though many of them have been subjected to human rights abuses such as enslavement or torture, including rape and other forms of sexual abuse, by traffickers, pimps, or others involved in Israel's sex industry."

Amnesty International also criticized Israel for not providing a procedure to grant asylum to women who have been smuggled into the country often on the basis of false promises of work having nothing to do with sex.

Fighting the trade in women and bringing foreign women here to work as prostitutes is a priority for the Israel Police, but it is a very difficult phenomenon to fight, police investigations head Cmdr. Yossi Sedbon said yesterday.

One of the main problems is that there is not a law against selling women, he explained, adding that he is aware of the initiatives to pass such a law and hopes they are successful.

Justice Minister Yossi Beilin told Amnesty International representatives yesterday that Deputy Attorney-General Yehudit Karp is preparing an amendment to the Penal Law which would address the trafficking

phenomenon and provide immunity for trafficked women. He predicted that the legislation would be presented to the Knesset at its winter session.

According to Amnesty International, hundreds of women are brought to Israel from the former Soviet Union every year.

According to Amnesty International, Israel is bound by international law and by international covenants that it has signed to stamp out the sex trafficking.

Police are arresting suspects on related charges such as kidnapping, pimping, raping, and assaulting the women, Sedbon said.

The other major problem is that the women are scared to file police complaints and testify against the pimps, he said. Since most of them are in the country illegally, they are scared to approach police. Fear of reprisal by the pimps further paralyzes them. Police try to get around this both by promising to protect complainants and by initiating operations to collect evidence against and raid brothels, he said.

An additional complication is that prosecutors need the women who complain to testify in the court cases against the pimps, which can be months after the initial complaint is filed. Since the women are here illegally and there is a chance that the pimps will harm them if they are left to their own devices here, they have often ended up sitting in jail until the trial is completed.

Sedbon said that they now try to send the women home and bring them back here for the trial.

Sedbon declined to comment on the complaints filed against Afula police chief Ch.-Supt. Shlomo Marmelstein and Tel Aviv police chief Cmdr. Shlomo Aharonishky for not acting against the problem, saying he could not comment on specific cases.

Sedbon emphasized that the issue is a priority for police and that each police district's serious crimes division is dealing with the problem.

Statistics police released earlier this year show an increase in the number of cases opened against pimps: 279 in 1997; 370 in 1998; and 506 in 1999.

Sedbon also said that only a minority of the foreign women working here as prostitutes are kidnapped and forced into prostitution.

-----

Jews are allowed by their God to keep slaves. The modern day Israel takes advantage of this divine permission.

"Your male and female slaves are to come from the nations around you; from them you may buy slaves. You may also buy some of the temporary residents living among you and members of their clans born in your country, and they will become your property. You can will them to your children as inherited property and can make them slaves for life, but you must not rule over your fellow Israelites ruthlessly." (Leviticus 25:44-46)

### **Mercury**

I had to do a healing for a loved one (pet). The problem was extensive and severe. Antibiotics were doing little if anything and were towards the end of the supply. Returning to the doctor's for more tests, being exposed to more trauma, severe pain and being 'put under' not to mention the financial costs, this all would have been extremely severe.

Because of the nature and severity of the problem, I had to run healing energy and put it into the loved one 2-3 times a day every day for the duration of the full to new moon (waning moon for ridding diseases, etc.)

I was lucky in that the moon was already waning and I didn't have to wait as I couldn't wait in this situation.

I asked for Satan's help as this case was extremely severe and I didn't know this sort of thing could be healed.

Satan told me - according to the Chronos Program for planetary hours:

<http://chronosxp.sourceforge.net/en/>

To begin the working "during the hours of Mercury."

I was again in luck as my working began on Thursday (Jupiter). Jupiter amplifies whatever other planet it has contact with, especially in the way of the planetary hours and days.

Mercury is the planet that has the 'horns' for its glyph. As we all know, the horns are of the 'Devil.' Needless to say, I was again astounded. After the first healing session, there was a noticeable decrease in the swelling. The antibiotics did nothing and were all gone. After a few days of consistent workings, the swelling was completely gone. Because of the severity of the problem, I continued the healings way beyond the disappearance of the symptoms.

My point here is Satan told me about Mercury and the hours and how this helped. I have also used Mercury, since this, for several other workings of different kinds- different days (energies) and all were successful.

Mercury is the 'Messenger of the Gods.'

### **RE: Mercury - IMPORTANT!**

There is something I definitely need to add to this post as a reminder.

**IF YOU OR A LOVED ONE NEEDS MEDICAL ATTENTION, DO NOT HESITATE TO SEE A DOCTOR!**

Being able to heal ourselves and loved ones using the powers of our minds and souls is a beautiful gift, BUT there can be times when in spite of putting 1000% into a healing, this can be met with failure. It happens.

There are several reasons a healing may not manifest regardless of the energies put into it. I have had successes with healings as I wrote below and a few more but I have also had failures.

The reasons for the failures included a time factor, for one. Some problems are acute and severe. The problem (a loved one- pet) came on suddenly and severely. I put a lot of powerful energy into trying to heal this affliction, but I only had one day. The problem grew worse and immediately the next morning, first thing, we had to rush the loved one to the animal hospital. After emergency surgery, everything was fine. The problem here was I couldn't generate enough energy (the illness was too strong) within that short of time. In many cases, a powerful affliction or illness needs repeated workings in which energy can be built and amplified and this can take days. In the above situation, there was no time.

In another case of which I wrote of on the JoS website, Satan himself helped me stabilize another one of my pets who needed surgery. This was years ago and I didn't have the money at that time. The surgery was expensive. Satan helped me put energy into her to stabilize her- she had pyometria and her uterus was leaking bloody pus in quantities. After I put energy into her, the leaking stopped. Soon after, though, she did have surgery and she fully recovered.

I have also healed myself, as I am aware many JoS members have healed themselves and their loved ones as I have read posts. This is wonderful and very inspirational. It is important to remember though, if you or a loved one is not getting better or if there is a severe problem where professional emergency treatment is necessary, **DO NOT HESITATE** to get medical attention immediately!

We are not christians! Satanism is NOT blind faith. Yes, a certain amount of faith is necessary in all witchcraft workings whatever they are, but there can come a time in some cases where faith in spite of no progress made and blatant signs of failure for one reason or another amounts to stupidity.

The amounts of energies needed in some cases can be enormous and beyond our present capabilities. This is where covens can be helpful, but this is another matter and in any case- always remember, if improvement is not forthcoming, especially in emergencies where time is a major factor, seek medical attention immediately. Workings of healing are even more effective in these cases when combined with professional medical treatments. Always think for yourself and use common sense and reason.

Ailments and other afflictions that are chronic and not an emergency can be worked on without worry. I have found that most workings of healing require time and repeated and consistent meditations over a period of time. I also had a case where the illness was caught early and I was able to heal this loved one with only one application of energy. This was after I did a hatha yoga session and was fully charged.

**WE ARE MAKING IMPACT!!!!!!**

A brother in Satan informed me that Billy Asshole Graham is going under. They can no longer afford to pay their staff and are laying off many of their workers because of the economy. They are also hurting financially to where they are having major problems in getting their filthy stinking lying worthless trash printed and distributed.

This shows what we can do when we are united and work together as a team in combatting the enemy. We ARE accomplishing much. The Catholic Church which has bragged repeatedly concerning that it will "last to the end of time" is finally crumbling under its foundation of mass murders, torture, spiritual destruction, corruptions and lies.

Several years ago, when I was new to Satanism, I participated in an organized online ritual for the destruction of xianity. Everyone performed the ritual at the same time [just a few of us], organizing our time zones around the world. Less than one month later, the pedophilia scandals erupted in the news, etc. The Catholic Church took its first real major hit with this and had to face justice.

The movie "Our Fathers" <http://www.imdb.com/title/tt0421108/>

which I highly recommend everyone should watch, reveals the hideous corruption of the Catholic Church- how they endlessly offered large bribes, to keep the legal system under their control, bribes to witnesses to shut up and then if these were not received, they went on with threats of career and family ruin, then death threats...murder.

THIS INVOLVED TRYING TO KEEP PEOPLE QUIET ABOUT THE RAPE, MOLESTATION AND OTHER LOW CRIMES AGAINST CHILDREN!

THIS FOUL ROTTEN ODIOS INSTITUTION MUST COME TO AN END AND THE SOONER THE BETTER!

There is NOTHING spiritual about Christianity. IT IS ONLY A PROGRAM TO REMOVE SPIRITUALITY AND REPLACE IT WITH CORRUPTED BULLSHIT WHICH VICTIMS HAVE TO PAY OUT THE ASS BOTH MONETARILY AND WITH THEIR VERY OWN SOULS TO KEEP THE LIES GOING. IT ALSO DESTROYS ONE'S SENSE OF SELF ESTEEM, SELF WORTH AND SPIRIT, WHICH IS NECESSARY IN ONE RELINQUISHING ONE'S HUMAN RIGHTS, BECOMEING A TOTAL SLAVE AND ALLOWING 'OTHERS' TO MAKE ONES DECISIONS AND TO DIRECT ONE'S LIFE, WHERE NO PERSONAL RIGHTS WHATSOEVER EXIST. ONE LIVES FOR THEIR DEATH AND THE FALSE LIES AND PROMISES OF BEING REWARDED IN AN AFTERLIFE FOR ALL OF THIS ABUSE TO WHERE LIFE NO LONGER MATTERS AND ONE ONLY AWAITS ONE'S DEATH.

The above is for new people, most of us already are well aware of this.

My point of this entire sermons is OUR RITUALS AND OUR WORK IN THE MATERIAL WORLD \*ARE\* MAKING MORE IMPACT THAN WE KNOW.

Any group, forum, etc., that has a large number of members that you access online, even if you only leave [www.exposingchristianity.com](http://www.exposingchristianity.com) link, does wonders. When I was new to Satanism, I put in some 2 hours a day on the internet with my WebTV that I had at that time. I worked atheist forums [not to change atheists, but to combat the xians on there] I would hit xian e-groups that were not moderated and make some 10 long posts [not with links, but with texts, as people are more inclined to read, than to click on links], from the Luciferian Liberation Front <http://www.luciferianliberationfront.org/>

for one and others combatting xianity. You would be surprised at how many people some of these posts actually lead to think.

**BOOKMARK!**

For those of you who do plenty of research on the internet, MAKE SURE YOU BOOKMARK the page(s) you come across that have meaning to you. One of my biggest fuck-ups was coming across very controversial sites regarding so-called "conspiracy theories" and the New World Order that are NOT from a Christian perspective. I had forgotten to bookmark the knowledge I had come across, and since Google is run by big brother, when you type in the very same key phrases or any variation of them to try to find it again, nothing comes up. Gone. Vanished into thin air. With such information you find, it can feel like you've won the lottery, but if you forget to bookmark, it will feel like every last fucking penny

was stolen from you. You get the idea. Always remember to bookmark internet information that is of importance to you.

### **Fwd: Statistics show Christianity's downfall**

We Satanists are small in numbers, even smaller in numbers are our people who are actively fighting the enemy. This is the impact we are having. Christianity and its ilk are very weak. If every dedicated Satanist would devote even 15 minutes a day to spiritual warfare, xiainty would be gone by now.

### **LOVE AND HATE**

Below is an excerpt from "The White Man's Bible" by Ben Klassen. This small article reveals a lot about "love" and "hate" and should be most helpful in straightening out peoples' thinking and beliefs on these matters:

CREATIVE CREDO #62

LOVE AND HATE

Both Healthy, Normal Emotions.

There is no subject about which more hypocrisy is displayed than the subject of hate. We CREATORS take the position that love and hate go together as two sides of the same coin, and that every normal person in order to function properly and realistically meet life's problems must have the capability to feel and exercise both emotions.

We believe that to suppress the emotion of hate towards your enemies is as abnormal as to be unable to love your wife, your children, your race and those near and dear to you. Every normal person loves and hates, and anyone devoid of either emotion is mentally sick.

Christian Hypocrisy Extreme.

In no group is this hypocrisy more evident than in the Christian teaching, and in no teaching are these two basic emotions more perverted than in

Christianity. Whereas Christianity puts on a great charade of love, that it is a religion of love, a religion of tolerance, we find in its teachings and its practice something else again.

Christianity Brutal to its Enemies.

Probably in no religion was the demented obsession to persecute, torture and destroy those who would not knuckle under more fanatic than in the

history of the Christian religion in its ruthless warfare to convert, subjugate and/or stamp out any and all remnants and vestiges of all other religions. We have already enlarged upon this in our chapter "Thumbscrew and Rack."

Constantine Arch Example.

Christianity received its biggest boost when in the fourth century C.E. the Roman Emperor Constantine embraced Christianity. He was a strange and

most cruel man. By any standard, he was an insane criminal. In order to become Emperor he murdered his rivals, since he himself had no legitimate claim to the throne. After he became Emperor, he murdered thousands more in cold blood, including his wife and his own son.

Intrusion of Oriental Religions.

By the time Constantine became Emperor in 313 A.D., the Roman Empire was a multi-racial, polyglot empire, embracing many peoples and many religions. One of the outstanding original characteristics of the Roman Empire had been its genius for organization and its ability to assimilate a multitude of different cultures, races and religions. Whereas it imposed its Roman law up to a point, it was extremely tolerant in allowing the conquered peoples to retain their customs and practice their own religions. Rome itself was infested with a wide variety of religions. Its own set of state gods and goddesses— Jupiter, Mars, Venus, Neptune— were actually adaptations from the Greeks. By the time of Constantine

these gods were becoming somewhat jaded, and many mystic Oriental religions were beginning to make serious inroads.

#### Christians Defied Authority.

Two of such Oriental rivals were Mithraism and Christianity, with Mithraism leading, especially among the soldiers. As we stated before, the Romans for centuries had been extremely tolerant toward all religions. There is no truth that Christians were sought out and persecuted by the authorities for practising their religion. It was only when they violated the state law that they were prosecuted for breaking the law, just as any other criminal.

It was their constant defiance of authority that brought Christians into conflict with authorities, not their religion. Even this was highly exaggerated by later Christians who ultimately became the sole renderers of history by having exterminated their rivals.

#### Christianity Ruthlessly Destroyed its Rivals.

Suffice it to say that when Constantine officially adopted Christianity, this cruel, murderous tyrant made Christianity the sole state religion to the exclusion of all others. When Christianity got the upper hand with the support of the military power of the Emperor to back it up, it immediately showed its ugly claws. No longer was love and tolerance the practice. It immediately set out to destroy and stamp out any and all rivals with treacherous cruelty and iron determination.

#### Branded Honest Differences as Heretics.

This intolerance, cruelty and determination to stamp out its rivals lasted for the next 1500 years and is still practiced in some of the backward

countries where Catholicism has exclusive domain. During the Middle Ages, better described as the Dark Ages, when Christian fanaticism ran rampant, not only did the Church persecute unto death any rival religion, but it cruelly ferreted out its own members for burning and torture, should anyone deviate in the slightest from the official line. So severe was the suppression of free thought and speech, that during the Inquisition, which lasted many centuries, hundreds of thousands were burnt at the stake. Many millions more were tortured by thumb-screw and rack, or left to rot and die in filthy prisons. Their crime? They were "heretics," believing in

Christianity, but disagreeing with the church authorities on some minor hair-splitting issue.

#### Christians Fanatic in their Hate.

So much for Christian “love” and “tolerance.” I believe we have shown that of all religions, none was more fanatic in its hate than Christians, excepting the Jews, Christianity’s inventors. We have already examined their revolting means of torture more fully in a previous chapter. We have made it clear that contrary their hypocritical claims, Christians and Christianity itself practiced hatred, torture and intolerance, not only on their enemies, but also on their own members. In this chapter we want to make overwhelmingly clear the basic differences in the attitudes towards love and hate between Christianity and the CHURCH OF THE CREATOR.

We only Hate our Enemies.

That basic difference is this: Christianity tells you to hate those

who are near and dear to you, and to love your enemies. CREATIVITY says just the opposite: “hate your enemies and love and protect those that are near and dear to you— your family, your friends, your own race. CREATIVITY also teaches to love yourself. You cannot love others if you, yourself feel unworthy and unimportant. We believe our teaching of loving your own kind and hating your enemies makes a hell of a lot more sense than loving your enemies and hating yourself and your own kind.

Christians told to Hate their Friends.

In Luke 14:26 Christ purportedly gave this insane and hateful advice: “If any man come to me and hate not his father, and mother, and wife, and

children, and brethren and sister, yea, and his own life also, he cannot be my disciple.” Can you think of anything more idiotic? Anything more hateful? Yet in Matthew 5:44 he admonishes “But I say unto you, Love your enemies, bless them that curse you, do good to them that hate you and pray for them that spitefully use you and persecute you.” How stupid can you get? We CREATORS reject in toto such insane and suicidal advice and are determined to teach just the opposite.

Great Energizers.

In combination, love and hate are the greatest energizers in the world. It

is like the dynamics of an electric motor where you have two opposite magnetic polarities required, (namely, the North and South poles) which in combination create a push-pull effect. It is this attraction and repulsion of the two polarities that make the motor spin and produce power.

So it is with love and hate. You can’t hate something unless it is a threat to something you love, and you can’t protect that something you love unless you are aroused to hate and anger towards that threat.

How many times in your own life were things simply at a standstill, and it wasn't until you got "mad" (at yourself, or others) that the fur began to fly and things finally got done?

Love Your Own Kind.

We must develop those characteristics that are already imbedded in its healthy instincts for survival—love for our own great people, and hate for our enemies, the Jews. Until and unless we harness this gigantic energy for our own best interests we will never extricate ourselves from the Jewish stranglehold in which we now shamefully find ourselves.

Protect Your Own, Destroy Your Enemies.

In summary, we believe in following the Laws of Nature as are manifested in our good healthy instincts: to love our own kind, protect them from our enemies. In short, to promote the survival, expansion and advancement of our Race. Secondly, to hate and destroy our enemies in order that they will not overrun and destroy us. We believe the idea of loving your enemies as set forth in the Sermon on the Mount is one of the most dangerous and suicidal ideas ever uttered in speech or writing. It is utterly insane. It is as suicidal as de-toothing and de-clawing a tiger, then throwing him back in the jungle to fend for himself. Defenseless, such a tiger would soon die.

Expunge Suicidal Ideas.

Similarly, encumbered with such a suicidal idea as loving your enemies, we must always remember that such suicidal advice was given us by our treacherous enemies, the Jews, in order to destroy us.

Summary.

We go back to the basic Laws of Nature: Take Care of Your Own, Love

your Own. Hate your Enemies, Destroy your Enemies. The Law of Survival of your own kind is the Highest Law of Nature and Transcends All Others. Let us never forget this.

## UNRELENTING WARFARE BETWEEN THE PARASITIC JEWS AND THEIR UNFORTUNATE

The jews have advanced and controlled for centuries because of their being masters of lying and deception. Most people cannot and/or have a hard time seeing this. The jews take control of both sides- the pro and the con. Many of the jewish orthodox go to what is called a "Shiva" [the name stolen, obviously, like everything else] which is a rabbinical school and therein, they are taught how to argue. Many jews, especially the orthodox are taught the art of argument from an early age.

Playing both sides- such as xianity [the jews' most powerful tool] deludes many. Many xian sources try to convince their readers that "Jewish Ritual Murder" is mocking the nazarene. Not so. For one, the jews KNOW the nazarene is fictitious and THEY invented him for the Gentiles to be weakened, enslaved and destroyed. Jewish Ritual Murder is a parasitic living blood sacrifice using tyhe four quarters. Because blood contains the life force, like using steroids, they get a huge, but temporary boost in their parasitical magick. They have to keep doing this repeatedly, during certain times of the year, such as Passover. The ramifications, just like steroids are evident upon this people. The rare and hideous diseases they have alone in a very large percentage of their race says enough, but there is much more. Xians who are ignorant to the occult and also lower in intelligence believe them to be against xianity, though the jews unbeknownst to most Gentiles are

the ones who PROMOTE xianity. Why wouldn't they? The entire judeo/xian bible is jewish from cover to cover.

Excerpt from "The White Man's Bible"

"The Jewish-Christian bible is a mass of contradictions that has something to say positively and negatively on all sides of every issue. It is like a musical instrument— you can play on it any tune you choose. By picking out those particular passages that suit your argument and ignoring all other passages that contradict it, you can have God and the bible on your side to back up your argument, any argument, whatever it may be."

"The Jews fostered the catchwords "Liberty, Equality, Fraternity." As they point out in the Protocols of the Elders of Zion, these words are selfcontradictory, and the idea impossible of fulfillment. As they also point out, the people are too dumb to realize this contradiction, and always fall for the bait. The Jews soon inveigled the Christian preachers to help spread the idea. As the Jews have often pointed out, they always first enlist the aid of the stupid preachers to help spread their corrosive ideas. The passages that were now emphasized were that "we are all God's children", that "we are all equal in the eyes of the Lord", that "we all have a soul", that Jesus came to "save all sinners", and a lot of similar drivel."

CREATIVE CREDO #35

UNRELENTING WARFARE BETWEEN THE PARASITIC JEWS AND THEIR UNFORTUNATE  
VICTIMS

Antagonism goes back 5,000 years. Listening to today's Jewish manipulated news and propaganda, the overwhelming number of the American public have the impression that hostility toward Jews is merely a recent isolated phenomenon invented by Adolf Hitler. They have been told over and over that the Jews are sweet, kind people just like everyone else, (only more so) and it is only because of the demented, paranoid prejudices of that wild man, Adolf Hitler, that the Jews have been unfairly picked upon for no reason at all. We are led to believe that before Hitler came along there was never any conflict between the Jews and the rest of the world.

Irreconcilable Conflict. Nothing could be further from the truth. The conflict between the parasitic Jew and their long-suffering hosts throughout the civilized world is as old as history itself. It is irreconcilable, is a matter of life and death, and will continue until either the Jews are exterminated or the White Race is destroyed.

The reason for this is inherent in the Talmudic religion of the Jews themselves which regards all Gentiles as eternal enemies to be exploited, robbed, fleeced and manipulated for the benefit of the Jews. How they

do so is the subject of several other chapters in this book.

Parasites of Civilization.

In this particular chapter we want to show that the Jews have been  
dreaded and detested parasites on the backs of civilized nations from time

immemorial; that they have been thrown out of just about every civilized nation in the world, not only once, but repeatedly out of the same country, or the same region, or the same city.

From the Mouth of the Jews. The evidence we produce here is not from

"biased" Gentile sources, but on the contrary, is taken directly from the

Jews' own records. Much of the information given here is derived mainly from Jewish encyclopedias, which are written by Jews, about Jews, and principally for Jews. In it we find that the Jews have been expelled, massacred, driven out, hated and detested by just about every country

and city that they have infested. This has happened not only once, but

repeatedly, going back into history as far as the time they were

run out of Egypt in the second millennium B.C.E. (about 3,500 years ago). Although this was not necessarily the first, it is the first major Jewish expulsion history has recorded.

Series of Backlash.

However, in this analysis we are mostly concerned about the conflict between Jews and Gentiles in Europe. The attacks were spontaneous and

can be numbered in the thousands in villages, cities and countries.. We find the attacks against the Jews at certain times ran in a campaign or a series and were given certain names.

The Armleder Series:

Name given to leaders of attacks on German Jews 1336-39, which were responsible for massacres in over 100 places in Alsace, Swabia and Franconia.

The Black Death Massacres:

These ran partially at the same time but over a wider area of Europe and a longer span of time. The Jews were accused (and rightfully so) of poisoning wells during the Black Plague and dropping diseased bodies into

drinking water and thereby spreading and aggravating the plague. Attacks took place in Poland, Spain, France, Catalonia and Northern Italy. In Germany alone attacks took place in 350 places, while 60 large and 150 small Jewish communities were exterminated.

Bogdan Chmielnicki was a Cossack leader (1593-1657). In 1648 he headed a retaliatory uprising of the Ukraine. This resulted in the annihilation of hundreds of Jewish communities and the murder of hundreds of thousands of Jews, a contemporary source confirming that 744 Jewish communities were wiped out. The Jews refer to these as the Chmielnicki massacres.

Hep! Hep! Riots:

Anti-Jewish slogan used during the riots in Germany in 1819, a cry originating from the time of the Crusades. Rindfleish Massacres: Series of exterminatory attacks on Jews throughout Franconia and surrounding regions in 1298, after a Ritual Murder accusation. Led by a Bavarian noble named Rindfleish, 146 Jewish communities were annihilated.

Simon Petrulea (1880-1926):

Ukrainian leader, who, with forces under his command (1918-20), carried out 493 pogroms in which 16,706 Jews were killed.

\* \* \* \* \*

Besides these series, there are certain terms that the Jews use again and again in the attacks on them, terms that are not ordinarily understood by non-Jews.

Pogrom:

An organized massacre for the annihilation of a community or a mass group of Jews.

Ritual Murder or Blood Libel Accusations:

One of the most abhorrent and depraved of religious rituals indulged in by the Jews over the centuries. The procedure is to kidnap some young Gentile, usually a boy 6 to 8 years old, (sometimes a girl) into a

secret room in a synagogue. The victim is tied down to a table, stripped, and his or her body pierced with sharp ritual knives in the identical places the nails supposedly entered the body of Christ. The blood is drained into cups and drunk by the Jews as part of the Passover Ritual.

The Jews deny this bestial practice, and refer to them only as accusations. The fact is that they have not only been accused of this same bestial practice since Roman times, but have been convicted of it and hanged, decapitated and burned at the stake for this crime in practically every country of Europe (as we will see) and even in some of the Moslem countries. The murdered baby of Charles Lindberg is alleged to have been a victim of Jewish Ritual Murder in recent times. After personally studying the case, I am convinced that it is true, since it certainly fits the

pattern.

Tenacious Jews keep coming back. We will note that in a number of countries or cities the Jews were run out of (expelled), sometimes as many as five or six times. To the uninitiated this raises the questionâ€” how could the Jews be run out of a certain city and then be expelled out of

the same city again 20 years later? The answer is that the Jews are like

cockroaches. They are the most tenacious race in history and they always come back no matter how many have been killed, expelled, or how much they are detested by their host victims. They always come back, that is, if the city is fertile soil for their parasitic manipulations. We must remember that Jews are parasites, and parasites have to live on others, on a productive body. In the case of Jews their best victim is a thriving White community. For the same reason fleas will infest a dog again and

again, or a house has to have pest control treatments every month to keep out cockroaches and other insect pests, so it is with the Jews. They always return to re-infest a productive community.

Perpetual Warfare.

To show how widespread has been the Jewish infestation over the ages

and how universal the hostility against them, we will review the fluid warfare between Jewish infestation and the Gentile attempt to rid themselves of these parasites. Our information is from Jewish sources themselves and due to lack of space represents only a small capsule of the

total available.

## ANCIENT TIMES

### Egypt:

Although the conflicts between Jews and host civilizations precede

written records, the oldest major expulsion we have on record is when the Jews were driven out of Egypt because they had become insufferable. The date is approximately the middle of the Second millennium B.C. Centuries later the Jews came back in huge numbers and Alexandria became a center of

heavy infestation. Grave riots against the Jews in Alexandria broke out in 38 C.E. and again in 66 C.E. There were further disturbances by the Jews which were suppressed with extreme cruelty. In 115-17 Alexandrian Jews were heavily attacked and their Great Synagogue burned.

In 414 C.E. the Jews were again expelled from that city. Asia: In Medina, a city in Arabia, Mohammed, who at first had been friendly to the Jews, in

622 C.E. either expelled or massacred them all, and no Jews have been allowed there since.

Seleucia is an ancient city on the Tigris. Jews flocked into this city after the destruction of Arulia and Asinia. This resulted in a wholesale massacre of the Jews in 40 C.E., but they came back.

### Byzantine Empire:

Justinian, Emperor from 527 to 565, adopted a thorough-going anti-Jewish policy, barring them from civil service, military posts and any other positions of influence. This policy was adhered to in the ensuing

centuries and is undoubtedly a major reason why the Eastern Roman (Byzantine) Empire survived the Western Roman Empire by a thousand

years.

### Rome:

The oldest continuing Jewish community in Europe was established in Rome,

with records dating back to 139 B.C.E., but they undoubtedly were there much earlier. Cicero, the great Roman statesman and man of letters, recognized the Jews as an organized hostile element as early as 50 B.C.E. and frequently attacked them in his Senate speeches. Emperor Tiberius expelled the Jews from Rome in 19 C.E. but they soon returned. Emperor Claudius expelled a number of Jews from Rome in 49-50 C.E. In 116 C.E. Emperor Trajan ordered a preventative massacre of Jews in Mesopotamia, since they were the cause of perpetual turmoil and uprisings in that area.

As Roman conquest and culture spread over Europe, Rome was the original center from which Jewish loan bankers spread out of Northern Italy and then to the rest of Europe. Despite threats and vicissitudes against the Jews, the Popes generally helped to protect the Jews from an outraged populace.

\* \* \* \* \*

## MEDIEVAL EUROPE

Dispersed from Rome.

Spreading out from Rome and following Roman conquests, the Jews spread over Europe. As civilization, industry and commerce advanced to the

individual areas and cities, the parasitical Jew followed and sank deep his

tentacles into his baffled hosts. Dog and Flea Situation. Since we do not have the space, the following presents only a thumbnail sketch of repeated Jewish invasions and the reactions of their beleaguered hosts, who never really knew how to deal with the Jewish phenomenon.

Like the dog and flea situation, the dog wants to be rid of the fleas, but never learned how to do it.

Perpetual War.

However brief, the following gives a representative picture of the eternal warfare between the blood-sucking Jew and the attempts of the White

Gentiles in Europe to repel them. We will take the countries in alphabetical order.

## AUSTRIA

Ritual Murder. The 13th to 15th centuries were marked by serious persecutions. In 1420 as a result of a charge of Ritual Murder, all Jews in Austria were either burned, expelled or forcible baptized. They did not disappear, however, and in 1670 Margaret Theresa decreed another general expulsion.

In Salzburg, the Jewish community was massacred during the Black Death outbreak, 1349, and again following a Host Desecration charge in 1404. They were expelled by the Archbishop in 1498. In the province of Tyrol the Jews were accused of well poisoning at the time of the Black Death. As a further result of a Ritual Murder charge in 1475, the Jewish communities in Trent, Rinn and Lienz were destroyed, and finally in 1520 all Jews were expelled from Tyrol.

No Stemming of the Tide.

There was a hostile, but ineffective reaction to their return. Karl Lueger (1844-1910) who was Mayor of Vienna from 1897 dismissed entrenched Jewish officials, introduced segregation into public schools and took other anti-Jewish measures. However, it had little effect in stemming the Jewish tide, until the Hitler Anschluss of Austria in 1938.

## ENGLAND

Came with the Norman Conquest. Jews first swarmed into England with the Norman Conquest of 1066. They soon became oppressive tax collectors for the Crown and monopolized finances, trade and commerce. In 1144 the first Ritual Murder accusation was brought against them in Norwich, and Chaucer (1340-1400) wrote about the Ritual Murder of Hugh of Lincoln in 1255. At the time of the Third Crusade, 1189-90, there were serious riots against the Jews all over the country, accompanied by much bloodshed. Antagonism grew further because of their financial manipulations and chicanery and they were finally expelled from the whole country by King Edward I in 1290.

In London, the Jewish headquarters, the Jews were well established before 1100.

There was a murderous attack on the Jews at the time of the coronation of

Richard I in 1189, and several more during the Baron's Wars of 1263-66. The Jews in London faced Ritual Murder accusations in 1238, 1244 and 1276.

Doors opened by Oliver Cromwell. Oliver Cromwell was the Jews' Chabez-goi who opened the floodgates in 1655 and the Jews swarmed in again en masse. By 1696 the Jews had control of the Bank of England and have retained control of banking, finance and government ever since.

## FRANCE

Early Infestation. The Jewish infestation of France began comparatively early, preceding 70 A.D., and by the ninth century France was the main center of activity of the international Jewish traders, called the Radanites. By the 11th and 12th centuries the Jewish communities in France became the most densely settled in the world. This produced a hostile

reaction and due to their nefarious practices they were excluded from the crafts and trades. The Jews then more and more monopolized money-lending and finance, strangling the commerce of the Gentiles.

Ritual Murder.

Murderous attacks against the Jews became common after the First

Crusade (1096). As in many other countries, as they were expelled from one area, they moved into another area, and soon back again to the original site. In Blois, the first Ritual Murder charge in 1171 resulted in 31 Jews being burnt at the stake. At the time of the Fourth Crusade (1235-36) a massacre of Jews in Brittany culminated in their expulsion in 1391. In the city of Carcassone, the Jews were temporarily expelled in 1253, again in 1306 and finally in 1394. After a Ritual Murder in the province of Dauphine they were expelled in 1253, but returned in 1289. After 1305 a series of expulsion orders were enforced against the Jews in the province of Gascony, culminating in the general expulsion of 1394.

Jews engineered the French Revolution.

In the rest of France a general expulsion had been decreed and forcefully carried out in 1306. For the next several centuries Jewish activities in France were subdued, but flared up radically in the decades before the French Revolution, which the Jews engineered. After executing the King and Queen in 1793 and plunging Europe into 20 years of fratricidal warfare, the Jews were fully in the saddle again.

During the French Revolution they systematically guillotined the French nobility and the French leadership. This extermination and the next 20 years of the Napoleonic Wars bled to death the cream of the French nation. France has never recovered.

## GERMANY

Intensive Enmity.

In no country has the warfare over the centuries been as bitter and intensive as between the Jews and the German people. Whereas countries like England, France, and Spain during the Middle Ages were (more or

less) unified under one ruler and capable of expelling the Jews (more or less) out of the entire country in 1290, 1306 and 1492, respectively, the fragmented Germans were never in such a position until 1871. By that time it was too late, and the Jews too powerful and too well entrenched on a world-wide basis. During Medieval times when one German dukedom or principality would throw them out, they would just run to the adjoining territory, multiply, and soon be back. Never could any meaningful cleansing be effected throughout the German land. Nevertheless, the Jewish

hatred for the Germans, and vice-versa, was most virulent in the German states and to this day the German people are the primary target of genocide by the international Jewish network.

The history of warfare between the Jews and the Germans is a long one and we can only give a small fragment here. By 1090 the Jews had become so obnoxious and insufferable that the Crusaders killed the Jews in the Rhineland, the area of densest Jewish settlement in Germany at that time.

Jews Intensified Epidemic. During the Black Death epidemic (1348-49) the Jews were charged with spreading the plague by poisoning wells and dropping infected bodies in wells. In Germany alone during this time attacks on Jews took place in about 350 areas, while 60 large

and 150 small Jewish communities were exterminated. Many towns thereafter tried to banish the Jews for all time, but the Jews always returned, as we shall see.

Middle ages Continual Warfare.

In Breslau the Jewish community was wiped out in 1349. In Coblenz the Jews suffered persecutions in 1265, 1281 and 1287, and from Armleder attacks in 1337. The Jewish community was wiped out during the Black Death Massacres of 1349, but they returned by 1356 and were again banished from the entire province of Trier in 1418. Jewish activity in Dresden was first recorded in 1375. By 1448 they were run out because of their activities of counterfeiting coins and aiding the Hussites.

Jews Monopolized Finances.

The Jewish community was expelled from Dusseldorf in 1438 but returned late in the 16th century. Despite anti-Jewish riots in Erfurt in 1221, the

Jewish community continued to develop until the Black Death Massacres of 1349, when the survivors were banished. They returned in 1357 and were run out again in 1458. The Jewish community in

Frankfurt-Am-Main was annihilated in 1241 and again by the Flagellants in 1349. The Jews in Frankfurt monopolized moneylending and finance in the Middle Ages and

even today Frankfurt is one of the world's more important Jewish financial

centers. The Fettmilch riots in 1614 led to a temporary expulsion and the War of 1796 resulted in the destruction of a large part of the Jewish ghetto in Frankfurt.

#### Black Death Massacres.

In the city of Halberstadt, the Jews were run out in 1493, returned in the next century and again driven out in 1594. The Jews' main activity in the city of Leipzig was money lending. They were annihilated in the Black Death massacres of 1349, but others returned. The Jews in Mainz were expelled as early as 1012 but soon returned. Hundreds were killed by Crusaders in 1096, despite the Bishop's protection, but others soon returned. A series of massacres ensued at the time of the Black Death (1349), but the Jews kept coming back.

Expulsion edicts were issued in 1438, 1462 and 1470-71. Rindfleish Massacres. In Nuremberg, where the Jews had settled in the 12th century, their main activity was also money-lending. The Jewish community was

destroyed in 1298 during the Rindfleish massacres, when 728 Jews were killed.

During the Black Death massacres (1349) 562 were killed and the remainder

ousted. Due to their insidious money-lending intrigues they were again expelled in 1499. Court Jews Manipulated Rulers. Jews were present in

the area before the German state of Prussia was even formed. When Frederick

William became the Grand Elector, Jewish power expanded rapidly. They became "Court Jews," money-lenders, mint-masters, army purveyors and the

aristocracy of the community.

#### Returned Repeatedly.

In the ancient and beautiful city of Rothenburg the Jewish community was destroyed during the Rindfleisch massacres of 1298, was renewed, and again destroyed in 1349. The Jews again returned, again were repulsed in 1349. The Jews again returned, again were repulsed in 1397 after massacres. They

returned again in 1402 and were driven out in 1520. Charged with Well-Poisoning. In 1348 in the city of Stuttgart, the Jews were burnt on charges of well-poisoning and spreading the Black Plague. There were a

number of expulsions in the succeeding centuries. The story in Trier was

similar. The Jewish community was destroyed in 1349, infiltrated back in a few decades, was again driven out in 1418 and returned in 1500.

Always Returned.

The above pattern can be repeated in just about every German city, every German state. Wherever the Jews settled they became obnoxious parasites and were driven out time and time again by an outraged populace.. But

they always returned to sink their tentacles deeper. They learned from their previous mistakes and became more cunning in neutralizing the community they set about to exploit and strangle.

Thirty Years War instigated by Jews.

Toward the close of the Middle Ages most of the German cities had repeatedly banished Jews. But they always returned in larger numbers. The fratricidal Thirty Yearsâ€™ War (1618-48) over Christianity pitted Catholics against Protestants. It was provoked and instigated by the Jews, destroyed 65% of the German population and 80% of the buildings and property. It left the German nation in shambles, more fragmented than ever into small jealous petty states. It set the German nation back perhaps 300 years, but, as usual, the Jewish position greatly benefited thereby. The fragmented, impoverished states turned to the Jews as money-lenders. Many of the key positions were filled by Court Jews, military purveyors, financial advisers, tax collectors, money-lenders and many other vital areas. Jewish power and infestation grew until the Hitler era.

POLAND

Heavy infestation of Khazar Jews. The Jewish infestation began in the 9th

Century and was reinforced by aggressive Khazar elements at the time. Despite pogroms, massacres and expulsions, the Jewish infestation increased until in the 19th century and by the first part of the 20th century Poland had the largest Jewish population (percentage-wise) in

the world.

Chmielnicki Uprisings.

Ritual Murders by Jews brought retaliations in Posen in 1399 and in Cracow in 1407. Students in Cracow began anti-Jewish riots in 1401, and attacks took place in Cracow, Lvov, Posen and elsewhere. They were driven out of Warsaw in 1483, out of Cracow in 1491. The Chmielnicki uprisings against the Jews (1648-49) destroyed hundreds of Jewish communities. Economic restrictions (against Jews), pogroms, and Ritual Murder charges were recurrent throughout Poland. Thousands were killed by the Haidmak disorders of 1768 in the Ukraine.

Jews Constituted 50% of Urban Population.

After 1815 the bulk of Poland was under Russian rule and its Jewish history continued under Russia. By 1828 Jews constituted 50% of the urban population of Poland, making it the most heavily Jew-infested country in the world.

Looking at the reaction in some of the major cities we find a Jewish pogrom

occurred in Bialystok as late as 1906. In the city of Kalisch there was a whole series of persecutions, beginning in the 14th century. In 1656 the Jewish community in Kalisch was destroyed by Polish General Czarniecki.

In 1399 a Host Desecration charge in Posen resulted in the killing of a rabbi and 13 elders, and anti-Jewish outbreaks occurred there in 1468, 1577 and 1687.

Jews living in Warsaw were persecuted in 1454 as a result of (Italian Franciscan preacher) Capistrano's incitement and were expelled out of the city in 1483. Jews monopolized Grain Trade. Jews settled in Pinsk in the 16th century and soon monopolized the grain trade. Jews suffered severely in the Chmielnicki massacres of 1648-49 and also the Swedish Wars of 1700. Nevertheless by the beginning of World War II, the population of Pinsk was 70% Jewish. By 1939 there were 360,000 Jews living in the City of Warsaw, one of the highest concentrations in Europe at the time.

RUSSIA

Intense Hatred.

Huge Jewish Population. The hatred between the people of Russia and the Jews is one of the most intense in the history of the universally detested Jews. Before World War I, Russia had 5,600,000 Jews within its borders,

the largest total concentration of Jews in any country in the world up to that time, being only later exceeded by the Jewish population of the United States at the present time.

90% of Today's Jews are of Khazar Descent. Part of the heavy Jewish

infestation was due to the Khazars, a rapacious Turkish tribe that had built an empire between the Black Sea and the Caspian Sea and extending northward into the middle of what is now Russia. The Khazars converted to Judaism under King Bulan in the 8th century A.D. It is estimated that 90% of today's Jews are descendants of the Khazars, rather than Palestinian Jews, although either is equally vicious.

Conquered by Yaroslav.

In 1083 Russian Archduke Yaroslav conquered the Khazars and incorporated their kingdom into Russia proper. Little did the Russians realize the virulence of the plague that they had assumed to assimilate.. The real warfare, however, did not begin until the 16th century.

In 1563, 300 Jews were drowned at Polotsk and Vitelisk. In 1648 Bogdan

Chmielnicki headed a rebellion of Cossack and Ukrainian masses against Jews and Polish landowners. This resulted in the annihilation of hundreds of Jewish communities, one Jewish source claiming 744 Jewish communities were wiped out and hundreds of thousands of Jews killed. The Jews have termed these as the Chmielnicki massacres.

Jews Expelled from Ukraine.

When the Ukraine was annexed to Russia in 1667 the Jews were expelled from Ukrainian territory. Clauses prohibiting the Jews from visiting Russia were inserted in treaties signed by Russia with foreign powers

in 1550 and 1678. Expulsion orders were issued in 1727, 1738 and 1742. In 1753 a total of 35,000 Jews were driven out of Russia.

In 1762 Catherine the Great permitted aliens to live in Russia, except Jews... In 1791 by decree she limited Jews to a restricted area called the Pale of Settlement, and then they could live only in the towns of that area.

Jews Not Assimilable.

Czar Alexander I expelled 20,000 Jews from the province of Vitebsk and Mohilev in 1824. Czar Alexander II attempted to assimilate and to Russify the Jews, but without success. In retaliation he was assassinated in 1881 by Jewish revolutionaries. The Russians reacted with new pogroms, regarding

the Jews as a subversive element to be kept apart from the village population and enacted the May Laws. In 1891 the Jews were run out of Moscow.

Jews Foment Revolution.

Hostility and warfare between the Russian people and the Jews accelerated, reaching its climax with the Beilis case (1911-13) on a Ritual Murder charge in Kiev. The Jews were highly organized for revolution. In 1905

they attempted a revolutionary overthrow of the Russian government, but failed.

Revolution Successful. Communism Established.

During Russia's involvement and defeat in World War I and the subsequent Jewish-communist revolution they were, however, overwhelmingly successful. The Jews shot the Czar, threw all of Russia into a revolutionary turmoil and in 1917 established a communist-bolshevik government completely under their control. In the ensuing years of turmoil, revolution and famine, the Jews took vicious revenge and murdered over 30 million White Russians, thereby exterminating the best elements of the Russian population. Therewith they destroyed any existing or potential Russian opposition or leadership, as they had done in France 125 years earlier.

Jews firmly in control of largest Slave Labor Camp in the world.

Today, more than sixty years later, the Jews are still in firm control, having established the most fiendish and brutal slave-labor camp in the world. The Jewish Encyclopedia cites long lists of cities and areas in which pogroms, expulsions and massacres occurred, but the list of events is too massive to record here.

SPAIN

Jews Betrayed Spain to Arab Invaders.

Jews entered Spain as early as the 6th century B.C.E., coming in with the Phoenician traders. From 612 C.E. a relentless warfare ensued between the natives and the Jews, marked by sporadic outbreaks and massacres. The Jews helped the Arabs invade Spain in 711 by betrayals from within. For several centuries the Jews prospered under the Arabs and Spain became the foremost Jewish center of that time. In the Christian part of Spain Jews became tax collectors and "Court Jews," and soon controlled both the government and the economy. The infestation became so flagrant (20-25% of the population were Jews) and so oppressive the Spaniards reacted.

Moslems Expelled Jews.

In Granada in 1066 while still under Moslem rule the Jews were attacked and expelled. The Jewish community re-established itself but was again uprooted by the Almohades (Moslem) invasion in 1148 and Jews were either

expelled or converted to the Moslem religion. In Cordova Jews were also expelled or converted by the Almohades in 1147.

In the Christian part of Spain a wave of massacres against the Jews swept the country in 1391, especially in Cordova, Granada, Segovia and Seville, and many of them became baptized Marranos, openly professing Christianity, but remaining secret Jews at heart, loyal to the Jewish race and religion.

Sought Control of Catholic Church.

Soon these false Christians began acquiring control of the Catholic Church itself. Along with the real Jews, they now controlled the church, the government and the economy, and dissolution, turmoil and rot ensued.

Spain Expels Moors, Jews in 1492. Finally, in 1492, after ten years of warfare, Ferdinand and Isabella succeeded in driving out the Moors and uniting Spain. (We devote a whole chapter to this dramatic episode in history in our earlier book, NATURE'S ETERNAL RELIGION.) That same

year they decreed that all Jews were to get out of Spain by August 1st. This was carried out with resolution and determination, culminating in the largest mass expulsion of Jews up to that time.

Having rid herself of the Jews, the history of Spain then blossomed into what is known as its Golden Age. For the next three centuries Spain prospered... She was the leader in colonization and worldwide expansion in the New World, the Philippines and elsewhere.

Stranglehold On Spain.

However, the tenacious Jews marked Spain for economic strangulation and revenge. By the 1930's they were powerful enough to tear Spain apart again. They fomented and instigated a terribly destructive fratricidal Civil War that left Spain in shambles. With the help of Hitler and

Mussolini that war was successfully resolved against the Jewish communists with Franco heading the new Fascist government.

### **Staying Healthy & Protected**

Given the possibility of pandemics, as the old saying goes: "An ounce of prevention is worth a pound of cure." This definitely speaks for witchcraft as well. It is much easier to prevent a problem than it is to deal with it once it has got a grip on your life.

The following is a working for protecting yourself in these times where deadly viruses are spreading about the world. Illness can be seen and sensed in the aura, often as much as several days before one becomes sick. The aura takes on a greyish color. Those of us who can see our auras and the auras of others know this well. The aura and soul can be programmed to protect our physical body against any illnesses. This working should be imperative, given the threat of deadly viruses spreading currently.

The following working can also be done for loved ones. In the case of children and/or others whom you care about, just visualize the light and state the affirmations including his/her name.

The following is best begun during a waxing Moon [Moon going from new to full]. The days to begin this working ideally are: Sunday [the Sun is one's vitality], during the hours of Mercury, Venus or Jupiter; or Wednesday [Mercury is the healer], during the hours of the Sun, Mercury, Venus, or Jupiter; or Thursday [Jupiter is the benefic planet], during the hours of the Sun, Mercury, or Venus; or Friday [Venus is the lesser benefic planet], during the hours of the Sun, Mercury, Venus, or Jupiter.

The working should be done daily during the hours of the Sun, Mercury, Venus, or Jupiter. To obtain these hours, please go to:

<http://chronosxp.sourceforge.net/en/> and download this free software if you haven't already. Timing and the planets are what often makes or breaks the effectiveness of a working. I always print out the hours for the entire month and put them in a binder.

This working should be performed once a day for 40 days straight, not missing a day. If you miss a day, then do the working twice the next day, but try not to miss any days as the energy will build upon the former day, every day.

1. Relax and feel your aura. New people- just try to focus on your aura. For those of us who can manipulate our auras, expand your aura a bit to where you feel it and visualize it filled with a brilliant white-gold light.

2. While visualizing, affirm:

"I am always exceptionally strong and healthy in every way. My immune system is always exceptionally strong and healthy in every way. I am always protected from any illnesses, diseases or viruses in every way."

The above is a suggestion for affirmation, you can change or modify this if you want to, but make sure you always cover every angle and that your affirmations are in the present tense.

3. State this 10-20 times. Make sure you concentrate and are focused.

For protecting a loved one, visualize the brilliant light engulfing the loved one and affirm:

"[Name of Loved one] is always exceptionally strong and healthy in every way. [Name of Loved one's] immune system is always exceptionally strong and healthy in every way. [Name of Loved one] is always protected from any illnesses, diseases or viruses in every way."

Do the same for 40 days straight. And Yes, you can work on both yourself and a loved one, but not at the same time, meaning following right after. Leave at least some 30 minutes or more inbetween workings. This is so you don't dilute your energies.

## Masters of Deceit: A Short History of the Jews

The following article is very educational and revealing. It was written for white people, but what the jew does directly affects ALL Gentile races, regardless of color. It also reveals how the jew has from the beginning of time has been active in promoting and operating the slave trade.

Many people do not understand WHY they have certain fears and such. This article below also reveals the subliminal and subconscious programming the jew has been operating for centuries.

To be completely FREE of the program of christianity and related, one must thoroughly know and understand the jew.

The Unavenged Outrage: Masters of Deceit — A Short History of the Jews

Nature in her infinite wisdom has put the highest premium on survival of the species. In her profuse variety Nature has brought forth creatures of all kinds, fish and fowl, animal and vegetable, insect and bacteria. Some creatures like the cardinal and bluebird are beautiful to behold. Others like the scorpion fish are not. Some creatures are flesh eating. Others are herbivorous. Some animals, like cows, forage on the grass of the meadows. Others like the coyote, the wolf and the tiger are predatory. Other creatures like cockroaches, mosquitoes and maggots are parasitic. Each creature has its means of existence and survival and its means of perpetuating its species. In all, the will to live and perpetuate its own kind is intensely strong. If it were not, the species would soon have died out.

In the human species there is one race that stands out above all others in the intensity and fierceness in its will to survive — that is the Jewish race. How this one race has survived and stayed intact through all the convulsions and upheavals of history for 5000 years is something remarkable to behold.

Whereas some of the ancient races of recorded history such as the Babylonians, the Romans, the Phoenicians, the Egyptians, as a race, have all gone down the sinkhole of history — the Jew has survived.

Not only has he survived, but he has become the slave-master of all the other races of the world, although he only numbers a small percentage of the world's population.

Throughout his history, which goes back more than 5000 years, during which he has remained united as a race, the Jew has been the parasite and

predator on the backs of those nations who have been his unwilling hosts. The Jew has never been a creator, nor a builder, nor a producer. On the contrary, he has been a destroyer of civilizations, a plunderer of

nations, and a killer who invented the very idea of genocide in the earliest stages of his own history. All we have to do is read their own Old Testament to find that in page after page after page they slew, killed and plundered one tribe after another. One nation after another was put to the sword, man, woman and child.

Yes, indeed, the Jews are a blood-thirsty race. They have survived over a long period of time, although they have been scattered throughout the other nations of the world. They have been a plague on the body of mankind from the earliest dawn of recorded history. Nor has that plague abated in modern times.

The history of mankind is filled with wars and conflict, but of all the conflicts that have ensued between the different nations and the different races, there is only one race that has aroused the most violent antagonisms no matter where they settled — that race is the Jewish race.

Throughout all the turmoil of history and all the wars, conflicts and massacres, sooner or later the two conflicting parties settled down and either reconciled their differences, and lived peacefully together, or they went elsewhere to live. Not so with the Jews, however. The Jew has never been reconciled with the host nation upon whose back he feeds. Nor have the Jews peacefully migrated to other countries. The history of the Jews demonstrates two things: first, that there has never been a

reconciliation between them and their hosts, and second, that no nation has ever succeeded in barring them permanently.

Furthermore, as the Jews bored into their host nations and became more and more reprehensible and intolerable, the host nation generally has turned on them and tried to expel them from their national body. However, in no case has a victimized nation been successful in expelling them permanently. In

fact, it is surprising that in every case where Jews were expelled from a nation, often under conditions of humiliation and suffering, within a few years the Jews have returned. Not only have they

usually returned, but they then set about with increased viciousness to destroy the host nation upon whom they had previously fed like a parasite.

The Jews have since time immemorial been culture destroyers and civilization destroyers. The Jewish problem has been on the back of all nations for at least the past 5000 years.

Whereas the White Race, with its creativity and restless energy, has moved to the various areas of the world and created civilizations, the Jew invariably followed, bored into their very vitals and sooner or later destroyed those civilizations. They helped to destroy the Egyptian civilization, the Greek civilization, and were the prime cause in the destruction of the great Roman civilization. When Europe slowly again picked up the threads of civilization from Rome, the Jew was already there and has lain like a cancer upon the body of Europe from the time of the Romans.

Why is it that the Jewish Race has survived through all the upheavals of over 5000 years of history, whereas more powerful races like the Romans have perished? Is it because the Jew is tough? We find that the Jew is tough, but other races, such as the Romans, have been even tougher and they have not survived. Is it because he is a good fighter? No, he is, in fact, a physical coward and in open combat he is certainly one of the lesser and more cowardly warriors. Is it because he is more

treacherous and deceitful? Perhaps, since in this characteristic he undoubtedly excels all other peoples. But this is not the sole

reason why he has survived either. The reason for his survival lies in his unique religion.

Early in their history the Jews realized the tremendous potency of religion as a weapon — a weapon to either unite their own race, or a weapon to disintegrate and destroy their enemies. For thousands of years they have capitalized upon this knowledge to the hilt. In a masterful fashion, they have manipulated religion to their advantage with a cunning that no other people seems to have even suspected.

If we could briefly look at the wars between Rome and Carthage, and the brief siege and destruction of Jerusalem during the rise and expansion of the Roman Empire, I think we can find the answer to the Jews' survival.

As Roman power increased and expanded, it was inevitable that it should soon come into conflict with the increasing power of Carthage. For over 100 years these two great rival powers fought battles of attrition and annihilation. Finally Rome emerged the victor, and when they had Carthage at its mercy, they leveled the city, killed all the male population and sold the women and children into slavery. Carthage was no more. It was gone forever.

Now let us contrast this with what happened to Jerusalem in the year 70 C.E. During the rule of Emperor Vespasian, the Jews in Judea became rebellious. Emperor Vespasian sent General Titus down there and after a 139 day siege of Jerusalem, the city was sacked, leveled to the ground, and the Jews were either killed or dispersed. It would seem that in a fate similar to that of Carthage, this would be the end of the Jews, But not so.

The Jews had one extraordinary thing going for them: and that was the unique religion that bound their race together. Far from being destroyed, the Jews in their cunning and resourcefulness, with their religion uniting and binding them together, planned revenge on the Romans. And revenge they did get. They inflicted on the Romans a religion that undermined the will of the Romans to survive as a race and as a nation.

With tremendous zeal the Jews propagated among the Romans a new religion with such suicidal ideas as "turn the other cheek, love your enemies, resist not evil" and other self-destructive philosophies that sapped the strength of the Romans and left them naked and defenseless before their enemies. In a few centuries the great Roman civilization completely disintegrated and was defenseless against the marauding vandals who finally sacked Rome in the year 476 C.E. and Rome was no more.

However, with his tenacity and zeal for preserving the Jewish race as embodied in his fanatic religion, the Jew did not go down with Rome. No, on the contrary, he fed on the corpse and went from the Roman corpse to scatter and infect the incipient and growing new cultures that were emerging in Western Europe, cultures and civilizations that were blighted from the very beginning with the handicap of the new religion with which the Jew had destroyed Rome.

It is true that the Jew is tough. He is cunning and he is treacherous. He is also tenacious and he is persistent. All these qualities fit him well to be the foremost predator and parasite on the body of mankind. But even with all these qualities he would not have survived had it not been for his Mosaic religion. It is the basic ingredients of his religion that bind him together in a holy brotherhood hostile to all mankind, striving, pushing, clawing, always and forever for the good of his race, for the survival of his race, and exhibiting in its raw form one of the strongest laws of Nature: the propagation and survival of its own species.

The Jews learned one other significant fact early in their history: There is nothing as powerful in uniting a group (any group) as having a common enemy. Based on this premise, they have seen to it that they have always been at war with other races. In fact, all other peoples are their enemies at all times. It is only a matter of strategy as to who is the prime enemy at any given time.

This theory has worked wonders. It has kept the Jews united and fighting. Their solidarity has destroyed all enemies before them.

The central theme of the Jewish religion is hatred, hatred for the Gentiles, that is all other races. The other overwhelmingly powerful facet of the Jewish religion is racial loyalty, loyalty to its own kind. Whereas to the average Gentile, sadly enough, it matters very little with whom he does business, whether it is another Gentile or not.

Nor is the average Gentile too interested in whether the person next door or the person he meets is one of his own kind. But to a Jew, whether he

is doing business with a Jew, living next door to a Jew, or meets a Jew, this means everything. That the Judaic religion has been the rock of strength around which the Jewish race has rallied for the last 5000 years is without question. The Jews do not believe in God nor are they foolish enough to put their efforts or beliefs centered in a hereafter.

Golda Meir, the present Prime Minister of Israel, stated succinctly when she said in her speech from the Knesset, the Israel Parliament in Yiddish, "I am a non-believer, yet no one will be able to root from the heart and mind the conviction that without the Jewish religion we would have been like all other nations, who once existed and disappeared." From the earliest glimmerings of childhood the Jewish parents inculcate into their offspring the idea of racial loyalty, the idea that the survival of

the Jewish race is everything, the idea that all other peoples are their enemies to be either exploited or destroyed.

The Jewish Old Testament is crammed full of make-believe of Jewish history, very little of it true. But interwoven through all this

fantasy the idea of racial survival is driven into their brains, advice on how to survive. It and the Talmud are full of advice and wisdom binding the Jewish race together in an indestructible unit of purpose.

In Prov. 29:18 is spelled out the idea of a long term program, "where there is no vision, a people perish." If we contrast this with the advice the Jews foisted on the Gentiles in the New Testament, for instance: Matt. 6:34 where it says, "take therefore no thought for the morrow: for the morrow shall take thought for the things of itself." Here we see clearly spelled out that it is essential for the Jews to have vision for the long term, a long term plan. In reality, their religion is a perpetual conspiracy which is essential for their survival as a parasitic race. But in order to weaken and soften their victims for aggression, conquest and

slavery, the White Race has had its brains polluted with all kinds of bad Jewish advice of which, "take no thought for tomorrow" is one of the many, and that is exactly the position of Gentiles today.

The Jew has planned and planned and prepared. He has a far-reaching and all-encompassing program for the control, domination and exploitation of his host, for whom he nurtures a terrible, pathological hatred. The driving force of his whole religion is hatred for his host. He has always hated his host nation with a terrible passion. How many times have we heard the expression ingrained in Jewish controlled books about the "whore of Babylon." The fact is that the Babylonian people were a good White people, a productive people, a creative people, who were finally destroyed by the Jews in their midst. Throughout history the Jews have propagated a vicious lying propaganda about degeneracy of the Babylonian people; a monstrous lie.

When the Jews poured into the Roman civilization and finally destroyed it with the new suicidal religion they foisted upon the Romans, they then pictured the Romans as being cruel, degenerate and immoral. Even to this day, the Jewish movies coming out of Hollywood depict the Romans as a debauched and degenerate people. Even lying Jewish propagandists like Billy

Graham perpetually denounce the Romans as cruel, debauched and tyrannical. Another terrible Jewish lie.

Having chosen to play the role of a parasite far back in their history, the die is now long cast and they can do no other than to roam the civilized world seeking any spot where they can settle down in the midst of an established community, where they can remain and prosper at the expense of others.

As a parasitic people the Jews can only survive by living on that which others produce. When they come into a community they bring nothing with them but their cunning and their treachery. The Jew knows when he enters the Gentile community that sooner or later he will be discovered and there will be violence and retribution. The thing the Jew fears more than anything else is open detection and the ensuing physical violence. One of his phrases throughout the centuries has been "Oy, gewalt!" This old

Yiddish phrase translates "Oh, violence." Knowing that his parasitic activities of fleecing, robbing and plundering the Gentile community will eventually result in violence against his person, he prepares for it in advance. We go back to the quotation from Proverbs in which the Jews are advised "where there is no vision, a people perish." So as he sinks his tentacles deeply into the body of the community that he is about to ravish, he prepares in advance to

nullify, neutralize and minimize the opposition from the Gentile community that he knows sooner or later will develop into hostility against him.

In this respect the Jew is very similar to other parasitic creatures of Nature. When a woodtick crawls up the leg of an individual he does so very stealthily and usually completely unnoticed. The woodtick is searching for an appropriate place on the body of the host he can dig into and suck its blood for its own nourishment. The woodtick knows that when he digs in, normally it would be painful to the host, therefore attract its attention and result in its being picked off and destroyed. But the woodtick has a remedy for this. Before digging in he carefully anesthetizes the skin surface of the victim host. Having done this, it then carefully begins to chew and suck, all this time anesthetizing the area so that the host will feel no pain. Meanwhile, the head bores in deeper and deeper and the parasite begins to bloat itself on the blood of its victim without the host having felt any pain whatsoever, or even being aware of its presence. By the time the victim finally discovers the tick, it is thoroughly rooted into its flesh. The host is no longer in a position to remove it without causing pain and infection to himself and the death and destruction of the parasitic tick. Even though the victim now tries to remove the parasite, he cannot do so. He can pull off the bloated body and destroy part of the tick but the head will remain imbedded and cause infection and perhaps blood poisoning.

At this stage it becomes a major operation to remove the infectious tick, which he could have easily flicked off with a finger at the beginning, had he realized that the parasite had designs upon his blood. The parasitic operation of the Jew upon the body of his unfortunate host is very similar.

Being a non-productive parasite, the Jew has less than nothing to offer to the host community or nation which he enters and into which forthwith he beings to sink deep his tentacles. Remember the title of this chapter that the Jews are masters of deceit.

His main commodity is deceit and lies on a massive scale. Having chosen to be a professional parasite this characteristic is now so deeply and instinctively ingrained in his very nature that he knows by instinct what he must do to protect himself and what the weaknesses of his Gentile host are. He therefore chooses to concentrate on all the nerve centers of power in his productive and creative host. In short order, he has control of the main functions that determine the destiny and welfare of a people

and a nation. The Jew does not farm, he does not labor in the fields, he does not work in the factories. He concentrates on placing himself in control of the money of a nation, of the news media of that country, of its educational facilities, and of its government. He labors diligently and skillfully to manipulate, confuse and confound the minds of his victims. Like the woodtick, he anesthetizes the brain of the Gentile nation in whose midst he has settled.

He sinks his tentacles deep and prepares to counter any efforts to dislodge him.

Today, throughout the world in general, and in America in particular, we therefore find the Jew in charge of the nation's finances.

He has complete control of the Federal Reserve System about which most Americans understand nothing, but believe that it is a department of the Federal Government. Many books have been written about Jewish ownership of the Federal Reserve System and we do not have space here to treat this subject in detail. But suffice it to say here that the Federal Reserve Board is not a government function, but a completely private system of banks owned, controlled and manipulated by the international Jewish bankers and completely beyond the reach and control of the Federal Government. Not that this would make much difference in any case, because the Federal Government also is controlled by the Jews, but it is significant to make this distinction.

Through manipulation, through the floating of Government bonds, the Federal Reserve can have billions printed for its own aggrandizement and pay nothing more for the billions of dollars that go into its coffers than the cost of the paper and ink involved. This usually costs about 7/10 of a cent per paper note, whether that note is a \$10.00 bill or a \$1000.00 bill. The actual printing is done by the U.S. Bureau of Engraving and Printing, but the notes are then transferred to the international Jewish

bankers under the guise of the Federal Reserve System. The only expense to the bankers is the cost of the paper and ink.

Not only do the Jewish bankers get the money virtually free, but the U.S. Government is then obligated to issue U.S. Government Bonds as security for the loan involved. The American people are then shackled with not only paying off the principal of the Government Bonds over a period of years but also the interest thereon. These debts are never paid off, but on

the contrary, as the history of the last 40 years shows, they increase from year to year. And so the American taxpayer is increasingly enslaved in debts, paying interest in this generation and the next and

the next to the international Jewish bankers, who, by and large, acquired the loan money free of charge from the Government Printing Office itself.

The Jews have been manipulators of money and usurpers of the nation's treasuries of the world from time immemorial. Their Bible speaks of the money changers in their temples. They were all, of course, Jews. The Jewish monopoly of money goes back as far as the history of money itself. The fraud of the Federal Reserve System is by no means new and it has evolved over the thousands of years from the ancient practice of the goldsmiths being safe keepers of the gold of wealthy individuals.

Gold has had a special and fascinating attraction to the Jews in particular from the earliest of times. From the early beginnings

of money, gold has been used as a means of exchange and from the earliest beginnings, the Jews have gravitated around the occupation of being safe keepers of other peoples' gold. They soon found that as they had a number of clients who kept gold in their vaults, that at no time did they all withdraw their gold at the same time. They then hit upon the secondary idea of loaning out some of the gold that belonged to somebody else at a rate of interest, which means they could loan out somebody else's

gold and have the borrower use it for a limited period of time with an additional amount of gold coming back as a premium. As the number of clients increased they found out that they could loan out practically 90 percent of all the gold they held and still have enough reserve on hand to cover any withdrawals. This then developed into the business of banking and this became a tremendously powerful tool for the benefit of the Jew in accumulating the wealth of the productive traders and merchants in

whose midst they operated.

From this basic beginning all foundations of banking have evolved. Today the Jews have added to this tricky arrangement thousands of further embellishments, and through the payments of interest, through the Federal Reserve System, through international loans and manipulations, they now exclusively control the money of the world.

Not only do they control the banking systems but they also control the stock markets of the world. Anyone examining the roster of those who own seats on the N.Y. Stock Exchange, or the other stock exchanges throughout the nation, will find that by and large they're all Jews, and a few associates of Jews. By also controlling the stock market, which they can manipulate up or down at will, they can and do skim all the benefits of the hard working, productive and creative Americans off the top into

their own coffers. Not only that, but by withholding credit at any time they choose, they can throw this nation (or any other nation) or the whole world economy, into a depression. Since these are planned and the Jews know in advance when they are going to do these things, they can, of course, again reap tremendous benefits and fleece the unsuspecting goyim forever and endlessly.

The Jew could never maintain such a stranglehold and such vicious control over his victims for any period of time were it not for the fact that he is also completely in control of the means of communications, the means of information, and the means of propaganda. Few people realize how powerful a tool propaganda is. Adolf Hitler has said correctly that by the use of

propaganda the Jews can make heaven look like hell, and hell look like heaven. This is only too true, and the Jews have done this skillfully and artistically. Because they control the money, they have the means wherewith to acquire control of all newspapers, all radio networks, all television networks, all television stations, all leading national magazines, and moreover, the news wires themselves, such as United Press International, the Associated Press, and every other news wire network.

Thus they can control every piece of news that goes nationwide, or worldwide for that matter. They can just as easily also suppress and reject any story that comes into their news gathering headquarters and withhold it from the world, and this is even more important.

Also in their arsenal of propaganda, and a very important one, is the movie industry — again completely controlled by the Jews. In fact, so thoroughly is Hollywood and the movie industry controlled by the Jews that Hollywood has often been referred to as Kosher Valley. The movie industry in the last 50 years has undoubtedly developed into one of the most powerful means of propaganda and brain pollution the world has ever seen. It is only in recent years that it has been equalled, and perhaps excelled by the Jewish controlled television industry. You can be sure that the movie industry was not left unexploited in promoting the interests of the Jews and in promoting their program for the destruction of the White Race.

During the war years the Jewish movie industry in Hollywood was busy cranking out one anti-German, anti-Hitler, anti-Nazi propaganda film after another. Being naive and gullible as we are, many of our brothers swallowed this poisonous bait and was enlisted in the Jewish snare of having the White Americans join in the vicious Jewish program of having White brothers kill White brothers in order to save the neck of the perfidious Jew. At the same time the communist countries were lauded to the skies. By treacherous lying propaganda it was made to seem plausible that we, the United States of America, could join forces with Jewish controlled communist Russia in waging a suicidal war of destruction against the heroic defenders of the White Race, namely the German people.

Not only have the movies been used as instruments for getting us involved in suicidal wars, but they have also been used as a means of setting the tone of our morals and our mores. Basically they have been used to undermine and degenerate the moral climate of our youth and of our country as a whole. During the 1920's the movies had become debauched and degenerate to the point where they were threatening their own survival. Strangely enough, during the 30's the moral tone improved somewhat. Many of the best stories that have been put out by Hollywood originated during the 1930's and people were lured back into the movie theatres in large numbers. Then the Jew cleverly began to interject the anti-German, anti-Nazi propaganda into his revitalized movie industry and began to inflame and pollute the minds of the White people of America towards hatred and a willingness to accept the idea of war against their own White brothers.

During the war itself the movies went into high gear. Nearly every production was viciously slanted to enhance the war effort in destroying Germany. At the same time, injected into the theme was the idea of racial integration. When the war was over the idea of co-existence and collaboration with Russia was promoted along with an intensification of the idea of one world, one-world government, and the United Nations.

The television industry, which went into high gear shortly after the end of World War II, now rivals, and undoubtedly excels, the effectiveness and the viciousness of the movie industry itself in polluting the minds of the American people.

So thoroughly polluted have the minds of the American viewing audience become with the obsession of watching television that in many families, if their television set were taken away, they would be left absolutely helpless in knowing what to do with their time. Some mothers shunt their youngsters off into a room with the television set on, full blast, using the Jewish idiot box as a baby sitter for their youngsters. Little do they realize that while these impressionable young minds sit in front of these

Jewish boob-tubes, they are absorbing degenerate Jewish ideas. Nor do they realize that they are allowing their most precious possessions to become polluted with poison that will be hard to eliminate from the minds of their offspring for the rest of their lives.

And so with the Jews in full control of all the propaganda networks, the news wires, the newspapers, the radio networks, television networks, the movies, magazines and every other form of propaganda, America and the world is being deluged with the Jewish poison. Above all, the idea of racial loyalty is being portrayed as the most heinous crime a person could ever entertain in his thoughts.

Not one constructive idea comes out of all these hours and days and months and years of brain pollution that the Jew is promoting. In aggressive pursuit of his vicious program of brain pollution, the minds of our young people are the initial and main target. In order to capture the brains of our youth, the field of

education is of vital importance and the Jews have completely monopolized our educational facilities for many, many decades.

Henry Ford wrote his excellent book *The International Jew* over 50 years ago. Here is what he says about the Jewry in schools and colleges: "Colleges are being constantly invaded by the Jewish idea." "The sons of the Anglo-Saxons are being attacked in their very heredity." "The sons of the builders, the makers, are being subverted to the philosophy of the destroyers." "Young men in the first exhilarating months of intellectual freedom are being seized with promissory doctrines, the source and consequences of which they do not see."... "The central group of Red philosophers in every university is a Jewish group, with often enough a "Gentile front" in the shape of a deluded professor.

Some of these professors are in the pay of outside Red organizations. There are Intercollegiate Socialist Societies, swarming with Jews and Jewish influences, and toting Jewish professors around the country, addressing fraternities under the patronage of the best civic and university auspices."

In suggesting what to do about it, Henry Ford said, "Simply identify the source and nature of the influence which has overrun our schools and universities. Let the students know that their choice is between the Anglo-Saxon and the Tribe of Judah. ...

The only absolute antidote to the Jewish influence is to call college students back to a pride of race." Remember Henry Ford, the great American, wrote these lines back in 1921, over 50 years ago. Since then the Jewish avalanche in our educational systems, starting with kindergarten, running through grade school, high school, and through the

colleges, has turned these institutions for learning into absolute insane asylums in which the young, fertile, creative mind of the child is polluted and perverted into an instrument for its own destruction and for the destruction of its country, nation and race. What with compulsory laws compelling the parents to send their impressionable young children to school through the age of 16 today, it invariably amounts to becoming the inmate of a penitentiary for five days a week during school hours, and,

whether they like it or not, then having the young brains polluted with Jewish trash and garbage for the destruction of their race.

Henry Ford's idea of merely identifying the source today is no longer possible or practical. Much more fundamental and drastic measures must be taken. There is hardly a phase in any sphere of activity that controls the destiny of this nation that the Jews don't directly or indirectly

control. With two powerful segments in their hands, namely control of the means of propaganda, and control of the money, the government of the United States is a captive puppet going through the motions of being a democracy representing all the people.

There is hardly a public official in office of any importance today who is a free man. Almost every one of them has been placed in office or has obtained his position through Jewish manipulation and Jewish design. Having arrived where they are through the beneficence of the Jews, they then in turn must answer to the Jewish conspiracy. Behind a man like President Nixon is a Jewish boss like Henry Kissinger, born in Germany of a Jewish Rabbi. Not only does Nixon have one Jewish "advisor," but two.

The other is the Jew Arthur Burns, born Bernstein, in Austria, also the son of a Rabbi. In fact, Nixon's whole political career was originally launched back in 1946 by a Jew named Murray Chotiner. He has continuously guided Nixon's career and been the pimp between the Jewish community and Nixon.

President Lyndon B. Johnson had the notorious Abe Fortas and Walter Rostoff, both Jews. President Kennedy had Walter Rostoff and Arthur Schlesinger, Jr. President Roosevelt had as his real boss the head of the Kehilla, the tough, no-nonsense Jew, Bernard Baruch, as well as several lesser Jewish advisors. And, so it goes.

The same kind of Jewish control, of Jewish background, of advising and controlling, is found all the way down to the local municipal level. Many Jews themselves are elected to office, but preferably they like to have some White Gentile stooge fronting for them with the Jews pulling the strings in the background, directing, manipulating, giving orders.

Should any honest, natural leader of the White Race try to run for office and make it on his own, the gigantic propaganda machines that the Jews have at their disposal are immediately set in motion. Such a man is then smeared and attacked and vilified. Or sometimes the reverse tactic is used and he is completely blacked out so that the voters hardly know that he is even running. Should such a natural leader make it despite all these handicaps, then the full power of the propaganda apparatus is brought into play to smear, besmirch and slander him, and downgrade him before the gullible public. The full resources of their money power is also brought into play and in the next election his opponent is well financed, given a

tremendous build-up by the news media.

Usually the Jews like to select as their front stooges, men who have a fatal weakness in their character and a shameful episode in their past, one not generally known to the public. Because of their weakness

of character in general and their vulnerability to blackmail, such people are easy to manipulate. What with bribery and financial assistance, they are easily enticed into becoming traitors to their own race and doing the bidding of the Jews. They are easily kept in line by threat of exposure of their disgraceful past.

I have mentioned the means of communications as being in the hands of the Jews. I have mentioned control of money and international banking, control of education and control of government as all being in the hands of the Jews. By no means does this cover the whole territory. In fact, there is hardly an activity of any significance in this country that is not directly or indirectly controlled by the "chosen" race. This also includes the law enforcement agencies, the courts and even the White Man's religions. Of the latter we will have more to say in another chapter. I do want to mention here, however, the fact that most of the businesses, especially the significant big businesses, are all in the hands of the Jews.

Over 50 years ago Henry Ford wrote the following: "To make a list of the lines of businesses controlled by the Jews of the United States would be to touch most of the vital industries of the country — those which are really vital, and those which cultivated habits have been made to seem vital. The theatrical business is exclusively Jewish: play producing, booking, theatre operations are all in the hands of the Jews. This accounts for the fact that in almost every production today can be detected propaganda, sometimes glaringly commercial advertisement, sometimes direct political construction."

"The motion picture industry; the sugar industry; the tobacco industry; 50 percent or more of the meat packing industry; over 60 percent of the shoe making industry; most of the musical purveying done in the country; jewelry; grain; cotton, oil; steel; magazine authorship; news distribution; liquor business; the loan business; these, to name only the industries with national and international sweep, are in control of the Jews of the United States, either alone or in association with Jews overseas."

This is what Henry Ford observed over 50 years ago. Having built the mighty Ford empire he found that some mysterious forces were trying to steal it from him through trickery and cunning. He suspected that these manipulators were being engineered by powerful Jewish financiers. Being an intelligent and resourceful man, Mr. Ford set about to find the culprits back of this maneuver. He called into his office the most intelligent

research men within his acquaintance. He commissioned them to make a thorough study of the International Jew and published their findings in The Dearborn Independent which, at that time, was the official organ of the Ford Motor Company.

The results of those findings, published in 1921, were a bombshell, not only to the Gentiles, but to the Jewish conspiracy itself, because it exposed their nefarious tactics in their world-wide conspiracy. The information compiled was a valuable contribution to the Gentiles of America and is recommended reading for everyone who wishes to learn more about the background of the International Jewish Conspiracy.

Most White people are terribly confused about the Jewish race. One of the sorriest notions most Gentiles have fallen for is the mistaken idea that Jews are members of the White Race. This is a most treacherous deception the Jews themselves have promoted among our people, but to their own they have made it abundantly clear that they have nothing in common with the

White Race.

Jewish Professor Leonard J. Fine, makes the racial point crystal clear to his own people: "We are not White symbolically, and we are not White literally. We should not permit ourselves to be lumped together with White America, for that is not where we belong."

Much time is wasted among the Gentiles in arguing whether the Jews are a race, or whether they are a religion, or whether they are a nation. The fact is they are all three, and it matters little in what proportion you want to attribute the importance of any of these three factors.

From ancient times, they have constituted a race that has been the plague of the civilized world. This they have been able to do because of the uniqueness of their religion. It was primarily designed to perpetuate and preserve the race by being a parasite on the body of productive nations. They are a world-wide nation and form a nation within a nation in each country on which they have fastened their tentacles. This includes just about every country in the world. If there is one factor that has

bound the Jews together and made them the most tenacious, persistent race in the world it is their Mosaic religion, and the resultant racial loyalty that it has imbued upon every Jew member.

The early origins of the Jewish race are lost in antiquity. The Jewish shibboleths as set forth in the story about Abraham, Isaac and Jacob are, of course, so many Jewish lies which make a good story around which they can rally their ideology, but it has absolutely no basis in fact or history.

The Jews themselves have never bothered about really tracing their origins in history, which origins remain shrouded in mystery. They simply come out with a claim that they are the chosen people of God, a very special people, and they also claim the longest historical record of any people of earth. Whereas the former claim about Abraham, Isaac and Jacob is a basic tenet in their religion, one that has built the Jewish race, the second claim about having the longest historical record is hard to dispute.

The Jews appear and reappear in histories of other nations for 5000 years. Being basically a predator and a parasite, they were either never able to, nor have they ever been willing to establish a nation in their own right. This is rather a sorry record for such a strange and virulent race, and incredible when one considers that they claim to be the favorite "chosen" of God.

The word Jew is of fairly modern usage and derives from the word Judah and Judaic. In ancient history the Jews were known as Hebrews which derives from the Aramaic word "Ebri," which in turn derives from the Hebrew word "Ibhri" meaning "one who is from across the river." Hebrew in all ancient literature was written as "Habiru" and appears as such frequently in the Bible and in Egyptian literature. In the Bible, Habiru is used interchangeably with "Sagaz" meaning cutthroat. Thus the Egyptians always wrote of the Jews as "the cut-throat bandits from across the river."

Since Palestine was the crossroads of the ancient world, most of the wealthy trade routes crossed in this area. This, of course, made it a natural habitat for bands of cutthroats and robbers. The fact that deserts and mountains were part of the natural landscape further attributed to making this area the natural habitat for the development of a nation of bandits, cutthroats, robbers and parasites. This is exactly what developed, and this is as far as historical facts can show the early origin of the Jewish race.

A German Jew, Kastein, who shortened his name from Katzenstein, is recognized as an outstanding scholar of Jewish and Biblical history. In his History of the Jews, Kastein identifies many of the great names in Jewish history as bandits. He mentions Jephthah as one of the saviors of the Jewish people and identifies him as the robber chief of Gilead. Of the great Jewish hero David, he says, "At the time of Saul's death, we find David the leader of a band of free-booters, living in Ziklag... On hearing

that the throne was vacant, David immediately hastened to Hebron in Judea. Nobody had summoned him, but he put forward his claim to the kingship, declaring that Samuel had secretly appointed him."

About the great and wise Solomon, Kastein has this to say, "Shelmo, Solomon the Peaceable, inaugurated his rule by committing three murders which cleared his path and got rid of his only brother, and did so without the slightest qualms of conscience."

The fact that Solomon, David and Jephthah were all blood-thirsty bandits is typical of all Jewish leaders. Whereas the Jews have been a part of history since the dawn of civilization, theirs has always been a history of treachery, of bloodshed, murder, robbery and crime.

Despite the fact that this peculiar race has persisted longer than any other on the face of the earth, two rather strange facts stand out. One is that over these thousands of years they never tried to form a country or nation of their own, and even today's bandit state of Israel is no exception to that statement. Israel is intended only to become the headquarters for the Jewish dictatorship of the world, not a gathering place for all the Jews of the world. The second strange fact is that this tough and persistent people has never developed a civilization or a culture of their own, all their claims to the contrary notwithstanding.

One of the outstanding fortes of the Jews is the skillful manipulation of propaganda. However, the record of the Hebrews and their history shows that all the Jewish claims of culture are entirely without foundation. The Horizon Book of Christianity, a standard reference work, says "The Jews began as an agglomeration of small tribes who later attained independence only in the interlude between the rise and fall of great empires. They have bequeathed no monuments testifying to magnificence.

There are no tombs of Hebrew kings with chaplets of gold and chariots studded with jewels. Palestine archeology has unearthed no statues of David or Solomon, but only water pots like the one from which Rebecca watered the camels of Abraham's servants."

The Oriental Institute of Chicago contains one of the world's most outstanding collections of the fine arts, specializing in Egyptian, Syrian and other cultures of the Near East, in the area which the Jews claim as that of their origin. One would expect to find the Jewish contribution to civilization well represented there. After walking through vast halls filled with great works of art, splendid statues, exquisite jewels, and other artifacts from the tombs of Egyptian and Assyrian conquerors, we come to the Jewish exhibit. Here we find a glass case filled with broken bits of clay pots, crude, undecorated, and unglazed utensils which

might have come down to us from the Stone Age. This is the great Jewish "culture" about which the Jews brag so flagrantly and it is about all they have to offer.

The fact is that the Jews were known throughout ancient history only as destroyers. They produced no art, founded no dynasties, built no great cities, and, alone of all the ancient peoples, had no talent for the finer things of culture or civilized life.

Yet today we will hear the Jews boast loud and long about how they are the sole torch bearers of civilization. The noted historian, Arnold Toynbee, defined the Jews for all time a few years ago, when he described them as a "fossil" people. By this he meant that they were a people who had failed to develop since the Stone Age, as their primitive clay pots prove to us. They were never able to master agriculture, animal husbandry, architecture, or any of the civilized arts. Even as a bandit nation the Jews were not too successful, and eked out a precarious living in Palestine where they were often on the verge of starvation.

Kastein says further of the Jews: "Some remained within the confines of Canaan, others settled down along the great military highway of the East, and in the neighboring deserts and wildernesses, where they led a nomadic existence, while a smaller section, driven by hunger, finally succeeded in reaching Egypt, where the Pharaohs took them under their protection."

The Egyptians, who built one of the earliest and one of the great civilizations of all time, failed to recognize their own greatest asset: the innate, inborn value of their racial lines which produced the civilization in their midst.

The Pharaohs having allowed the Jews to come in through sheer sympathy for their starved and miserable existence, were soon to learn the virulent and destructive nature of the parasite that they had allowed to enter. The Jews soon rose to high positions in the land of the Pharaohs, and, simultaneously, as was to happen in so many other countries, the Empire began to disintegrate. The parasites the Egyptians had taken in through sympathy, in short order began to manifest their outstanding characteristics, namely that of tearing down a civilization from within. Gangs of bandits soon sprang up and began to harass and plunder the trade routes. They became bolder in the outposts of the Empire. They seemed to know just when to strike and which of the towns were poorly guarded.

With the Jews acting as leaders and catalysts, the process of trading in black slaves was increased and the Egyptian Empire began to decay from within.

We saw the same thing happen in the downfall of Babylon. In studying the French Revolution and the Russian communist revolution we find a similar and parallel occurrence.

A leading businessman, J. J. Cavanaugh, has compared the dispersion of the Jews to the physiological effects of cancer. He says, "The Jews can be best understood as a disease of civilization. They can be likened to the spread of cancer throughout the human system. Just as the Jews spread out through the civilized world, following the trade routes, so cancer cells spread through the body, traveling along the arteries and veins to every part of the system. And just as the Jews gather in critical areas

of the world and begin to multiply, and strangle and poison whole communities and nations, so cancer cells gather and multiply and destroy the organs of the body, and finally, the body itself."

Many historians of the ancient world noted the Jewish phenomenon, and commented upon it, but most of these works have since been destroyed. When Julius Caesar arrived in Alexandria, one of the first acts that he had his soldiers perform was to burn the great libraries that the Egyptians had accumulated in Alexandria. Since Julius Caesar was a defender of the Jews and one of their agents, this is easily understood. If we still had these libraries, these books and this information available to us today, we would undoubtedly be able to focus a lot more light on the influence of Jewish infestation on the ancient civilizations.

Among the few comments on Jews which have survived the Jewish destruction of libraries are those of Philo and Strabo. Philo, an important historian, wrote that "Jewish communities have spread out over all the continents and islands."

Strabo's comments upon the Jews, written in the time of the Emperor Augustus of Rome, is even more revealing. He wrote, "This people (the Jews) has already made its way into every city, and it is not easy to find any place in the habitable world which has not received this nation and in which it has not made its power felt."

So we see that as the Roman civilization developed the Jews were there. By the time of Julius Caesar the Jews were a powerful and controlling influence on the financial structure of Rome and the government of Rome itself. Julius Caesar was one of their agents, as in modern times were Roosevelt and Churchill. By this time the Romans themselves were becoming well aware of the evil and destructive influence that the Jews heaped upon their nation and there began a reaction against the Jews. The Romans, like so many other peoples who were infested with this parasite, made attempt after attempt to get the Jews out of Rome, but they always came back.

Rome, at the time of Julius Caesar, was operating under a republican/democratic form of government made up of many opposing political parties and groups, a situation similar to what we find in America today. In order to win, a politician needed the support of one group which would stick by him without fail and, thus, influence other groups to support him. In Roman times, as in the present day democracies, the one solidified, unified group who knew their purpose in politics were the Jews. They would guarantee their support to any politician who, in turn, would become their stooge.

Julius Caesar discovered this simple fact of life. He sought out the Jews and won their support. With the Jews behind him, Caesar soon became the dictator of Rome and the unchallenged ruler of the world. Alarmed by his increasing subservience to the Jews, a group of loyal senators, led by Brutus, a former friend of Caesar's in his pre-Jewish period, resolved to assassinate him. We have all heard of the famous assassination of Julius Caesar, but few have heard of the central fact in the case, namely

that Julius Caesar was assassinated because he was a stooge for the Jews. Emperor Augustus, who inherited the Empire after Caesar's generals fell out among themselves, again restored special privileges to the Jews. This explains why he emerged stronger than the other factions which divided Rome after Caesar's death.

Despite the strong Jewish influence, one factor emerged that helped strengthen the Roman position. The democratic/republican form of government changed to the Empire form, with an Emperor as head of the nation. The Romans had finally found from experience that the multi-party system, with the powers split among several divisive factions, was a weak and ineffective method of government. When they changed over to the leadership principle, the Empire for 200 years progressed amidst peace and prosperity. In fact, Pax Romana, a period from the time of Emperor Augustus to approximately 200 C.E., was the longest period of peace in the history of civilized nations of the world and in the history of the White Race.

We must remember that this was accomplished despite the Jewish influence and because some of the Emperors had the intestinal fortitude to resist the Jewish power.

This they could never have done under the democratic-republican system of government.

We find, therefore, under Emperor Vespasian, that when the Jews in Jerusalem and Judea rebelled, he sent General Titus down there to lay siege to the city. In short order the city was conquered, the inhabitants were either slain or sold into captivity and the city itself was levelled to the ground.

Roman justice was tough and final but the Jews were far from finished. It was at this time that Jewish hatred for the Romans reached its peak intensity. They hated the Romans with a vengeance as they had the Babylonians, whom they had destroyed earlier. This is a key characteristic of the Jews: to hate with a fierce passion the host upon whom they are feeding and whom they have marked for destruction. The fact that the host has been their main means of sustenance makes no difference. Like a true parasite they will pursue the destruction of their host to the bitter end, although this might mean their own destruction.

Having learned the lesson in the destruction of Jerusalem that they were no match for the Romans in open combat, the treacherous and cunning mind of the Jews conceived a means of pulling down and destroying the Roman Empire. It was during this period, shortly after the destruction of Jerusalem that the Jews feverishly began propagating the Christian ideology

which implanted in the minds of the Romans such suicidal ideas as "turn the other cheek", "love shine enemy", "sell all thou hast and give it to the poor", "resist not evil", "judge not", "think not of the morrow", "lay up treasures in heaven."

The new religion that the Jews foisted upon the Romans promised them that if they would do all these suicidal things, they would get their reward in the hereafter, eternal salvation, etc. The Romans fell for this suicidal advice with the bait of a promised reward in the hereafter. Shortly thereupon the Roman Empire went into rapid decline.

When the Roman Empire collapsed, one of the primary reasons for its fall was the declining birth rate of Roman children. History records that eventually there was virtually no one left to rule Rome but mongrelized minority groups who had bred themselves into the majority and formed the mindless mob that brought death and destruction to the Roman Empire.

After the death of Emperor Domitian in 96 C.E., the emperors of Rome were no longer of Roman birth; from there on they were all foreigners influenced by Jewish "advisors" in the background. By the year 313 C.E., Emperor Constantine, in the Edict of Milan proclaimed Christianity as the official religion of the Roman Empire. From there on out, under the influence of the Jewish ideology imposed on the Roman people, history shows that Rome began to disintegrate rapidly. By the year 476 C.E. the

barbarians from the West had conquered Rome with hardly any opposition.

The will of the now mongrelized and Christianized people of Rome to defend their nation and homes was gone. Rome was no more.

In all our history books, and especially in religious circles, we are told that Christianity and the Jews were in opposition; that Christ denounced the Jews; that the Jews crucified Christ. Even today we are being told in Kosher Conservative circles that the main objective of the Jews is to destroy Christianity. This is, of course, one of the biggest hoaxes in the history of the world.

The facts are plainly there for everyone to see. The Jews concocted Christianity as their special poison to unhinge the minds of the Romans so that they would no longer be able to maintain their civilization. This was the Jews' revenge for the destruction of Jerusalem and the biological manifestation of the intense Jewish hatred for the host nation upon which they prey.

The Jewish historian, Kastein, frankly admits this extraordinary characteristic of the Jews. He says, "To the Jews, Rome constituted the quintessence of all that was odious and should be swept away from off the face of the earth. They hated Rome and her device, arma et leges, with an inhuman hatred." We have seen other examples of how the Jew continues to hate the people he has destroyed. Centuries after Babylon was no more the Jew fulminates again and again about "the whore of Babylon." But of all the nations, the Jews hated Rome the most, probably because Rome represented one of the finest examples of what a beautiful and powerful civilization can produce.

So terrible is the hatred that the parasitic Jew has for the host upon whom he feeds, that it is most important for the Jew to mask his true feelings. Consequently, he always appears bearing an olive branch. His first word is "shalom," or peace. It is this necessity to conceal his true feelings which leads the Jew to conduct his affairs and his meetings in secret.

We have much to learn from the history of Rome. Roman history probably is the greatest teacher mankind will ever have, for all time. They built a wonderful civilization, an achievement that has never been equalled.

On the negative side the lessons we can learn are even stronger.

## **Re: Pope in Israel seeks closer Jewish-Catholic bond**

This is what I have been saying all along. All of this jews vs. christians is nothing more than a conspiracy. The catholic church IS and ALWAYS WAS CONTROLLED BY THE JEWS. How can it not be??? ALL of the christian patriarchs- the virgin bitch, the nazarene, the 12 apostles of the nazarene [based upon the 12 signs of the zodiac and STOLEN from the Pagan/Satanic Coven of 13 members and CORRUPTED], damned near every mutherfucker in that judeo/xian bible is a KIKE!!! Every page in the judeo/xian bible reads either "Jew" "Jews" "Israel" and related. ANYONE who is STUPID enough to think for even a second that christians and jews are against each other has shit for brains. Unfortunately, many are taken in by this scam.

In addition, far too many who are not fully aware of the situation, many who are intelligent, but do not have all of the facts, as the jews are extremely devious and sly, can't see just how they run things. The jews are like a mind-hive. They all seem to be programmed at the soul [of which the average person cannot see with their third eye] to take over everything Gentile and to work their way to the top to control it.

Now, this does not have to do with specific beliefs, THIS TAKES IN EVERYTHING- BOTH SIDES!!!! THE PRO AND THE CON. THE JEWISH GOAL IS TO CONTROL EVERYTHING, REGARDLESS OF WHAT THE BELIEF SYSTEMS ARE AND TO TURN IT THEIR OWN WAY. This is called "Hegelianism" where both opposite and/or conflicting sides are taken control of and from the inside, manipulated to the same identical goals. In this case, with most people, if one does not explain this, most of the populace are fooled, even highly intelligent people. The jews get on the inside [Rothschild's befriending Prince William and infiltrating Freemasonry is a perfect example] with money, ass-kissing, marrying powerful Gentiles, doing favors, and working to make it look like they strongly promote the goals of the organization and are making a positive difference. This fools many and ingratiates them to positions of power. When they get the power on both sides, then the shit begins.

As for the situation with the catholic church and its uniting with israel, Adolf Hitler wrote in Mein Kampf [which I might add has been translated after 1933 into editions that are virtually unreadable], Hitler wrote that when the jews feel confident [this is historical] they "drop the cloak" meaning, they begin to feel more and more confident and no longer keep everything secret.

In closing, the catholic church and christianity are and always have been tools of the jews and 100% of the jews, regardless of the lies that have been jammed down the throats of the populace. It is very, very

obvious, all one needs to do is to open their bible- look for yourself. That current pope- ratstinker or whatever his name is- of course he is a brainwashed pedophile fool, but the fact that at one time he WAS in the Hitler Youth, this to me is a sign, an omen of you will that the catholic church is in its last days. Nearly ALL of the catholic popes have been jewish or part jewish by blood. Anyone with experience in reading OMENS can see what I am saying here.

Amdusias told the JoS Ministry in 2003:

"Just as the enemy has people who cannot see us, we cannot see them. However, they will manifest blatantly as we get closer to the climax of our cause."

**Now, its "online confession"**

The program of xianity is becoming more and more plastic. The lie is beginning to look more and more like what it is, no different from the pastey faced perpetual smiley faced xians- every hair in place, starched shirt, pants, tie in perfect position- in other words- MORE AND MORE ALIEN!!

Here is one for a good laugh- now since xians don't go to church as they claim they "do not have time" the catholic church is opening up "online confession" boxes. They are in their last days, people....

Online Confessions Rising In Popularity Reporting

Robin Rieger PHILADELPHIA (CBS 3) —

In a time where you can do almost anything online, is it so surprising you can also confess your sins?

CBS-3's Robin Rieger shows us a local church offering forgiveness by e-mail.

In a scene many Catholics can identify with, Cher's character in the movie Moonstruck goes to confession. It can be uncomfortable.

That's why Father Jim St. George of St. Miriam Church in Manayunk says people don't go to confession as much.

"People are afraid to go to confession, afraid to sit in a confessional or in the same room face to face," said Father Jim. He added, "One person said to me, if there's a way I could write it down and then I started thinking."

His church's Web site now offers online confessions with a form to fill out and some instructions that talks about reading some scripture and about preparation. Then the person can type his or her sins and press send.

Father Jim will then reply.

"I spend a lot of time addressing your individual circumstance, giving you advice and then there's some penance," Father Jim said.

St. Miriam practices all seven sacraments, but is not part of the Roman Catholic Church which has a very different view of the significance and practice of penance.

"The typical place would be the confessional or reconciliation room," said Father Dennis Gill with the Archdiocese of Philadelphia.

He describes the confessional most Roman Catholics use and says the physical presence of the priest offering forgiveness can't be replaced by something that's not human.

"As wonderful as technology might be, as helpful as it is in so many other ways, it doesn't become an instrument for God to speak and act," Father Gill said.

Father Jim says that's up to each person.

"Do you believe that God can forgive your sins, do you believe you need a priest to sit across from?" he asked.

His parishioners' opinions vary.

One woman said, "It's not as confrontational and yet it gives you the feeling of being able to be sincerely sorry and have absolution for your sins."

Another parishioner said, "I rather be with someone personally, but that's just me."

### Regarding the Black Sun (symbol)

Forgive me if this is somewhat confusing and/or disorganized as well as any typos. This was a reply to someone in the main JoS group who was asking if anyone knew anything more about the Black Sun. What I have here is FAR from everything else there is about it in symbology, metaphor, actual reality, science, and Alchemical wisdom.

In Nazi Germany, there was an order called The Lords of the Black Stone. Good information on this order is hard to come by, though, because of Christian skid-marks and Jewish smear campaigns.

This was an inner SS occult group within the Vril Society. Their symbol too, of course was the Black Sun wheel, representing the Void and also, the Left Hand Path and they had daily Satanic Power Meditation, just like the Thule Society, but this sect was even deeper into the Satanic mysteries. They were channellers who channeled old Templar scripts that talked about the Annunaki being a colony of the original Aryans who founded the civilization of Sumeria and that the Germans were the Aryans in the Bull's eye, or in the house of Taurus. It was Astaroth who told them these things and at *that* time, she was the Queen of the red star/sun known as Aldebara in the constellation of Taurus which is near Orion. Hence her Taurus the Bull headgear.

The black stone, represented by the Black Sun, is the Philosopher's Stone. Think of that bullshit in the bible that was stolen from Satanic Alchemy where "Jacob" rests his head on a "stone," i.e. "the Black Stone" and received all kinds of visions, including a "serpent rope that rose into the heavens." "The coat of colors," blah blah blah. By the way, this serpent rope I'm speaking of is a "loophole" or "wormhole" to another galaxy which is also represented by the "stairway" or the "Tower of Babel" of the kundalini. Each of our chakras are loop-holes to specific planets, galaxies and space.

The Black Sun, although taken literally by some and may have *some* "as above, so below" truth to it, is the Black Stone. The Black Sun/Black Stone is the "missing matter of the universe." Or in other words, the hidden and the occult. The Black Sun = the Occult. The hidden information, knowledge and power, as well as a portal into another dimension. In nearly every alchemical depiction of a crucified Demon, a "cluster of grapes" is shown as well as UFO's. This is the Black Stone and the black sun stage of the Magnum Opus, hence the portal to *another dimension.* When those Jews put that Kike "Jesus Christ" on a stick, they fucked up by thinking that some of the Gentile elite wouldn't figure this CONCEPT out. The cluster of grapes = missing matter = the black stone = loop-hole. The Nazarene, eucharist and all was stolen from the concept of the "Green Man."

By the way, the fairy mounds and the "lump" of the "black rock/boulder/stone," aren't only called Siddhe mounds (which later became "banshee" by the enemy), but Tara mounds. "Tara" is another variation of ASTAROTH when she was known in Ireland. These mounds, rocks, stones, boulders also represented "clusters." These clusters represented galaxies. Namely the Milky Way. With these clusters, AGAIN their is a "serpent rope" or kundalini ladder to a land, not only called Tara, but TULA.

The Thule Society was named after Tula. The Tula Society. Not only was this Society named after Astaroth, but through obvious etymology, Thoth, the Great Initiator. The legendary "Island of Thule" is also known as "The Land of Initiation."

The Annunaki didn't come here only to look for gold, although that was a big part of it. By the way, the energy of this \*white-gold\* powder/dust that is made from the gold they were finding was known as VRIL energy. No wonder, the bible made it so that in the stolen alchemical Golden Calf fable, Jewish Moses ground the calf into the Vril power and made the Israelites "drink" it. This Vril energy was taught to the Nazis by the Supermen/women which is why many of their UFO-like spacecraft were named VRIL-Odin, and the like.

Other than the necessary Gold they were seeking, the Annunaki were also seeking the "black matter" to restore their planet. They found that this \*particular\* black matter brought further enlightenment, which Satan chose to give to humanity. This is one reason that the flame on top of the hermaphroditic Baphomet is called "THE BLACK FLAME!" The enemy stole this and gave the word "holy spirit" a dirty name, like calling a toddler a "motherfucker."

The Milky Way is described as having a "black hole" and a "white hole" from opposite ends of a "tube" or spectrum, which many astronomers and speculators have wondered if this could be a way to tap into time travel. Time travel was another device that the Nazi SS order of the Black Stone found. Believe me. They knew MUCH MORE than we do and perhaps anyone else in history knew about Satan, the occult and the magnum opus and that Hitler WAS SENT BY SATAN AND HIS DEMONS (although, they called him Lucifer, which is the same equivalent). Combine all of this with knowing their knowing the TRUTH about the Jews = their defeat by the enemy who has this power as well, but the Nazis, just like Satan and his Demons were OUTNUMBERED.

The black stone versus the white stone also represented the Alchemical process of lead being turned into gold. When Satan offered enlightenment and started elevating Gentiles to equality with the Gods, the APPLE WAS \*THE BLACK STONE!!\* The twin kundalini within us takes us through the "wormhole" of the Third Dimension into the Fourth Dimension. Some might call this the "Armageddon" followed by the New Jerusalem (concept) or the New Atlantis.

Trust me. We will prevail. With more and more of us joining Satan, who is free now, growing more and more in knowledge, wisdom, and power, and loyalty to our Gentile ethnicities will NOT let us be defeated this time. The Fourth Reich is the conquerer, the victor, and the \*term\* "The Thousand Year Reich" preceded to us by Hitler and his Demons and promised to us by Satan and His Demons. THE NEW ATLANTIS IS OURS!! ALL HAIL SATAN!!!!!! Thank you Satan for the Black Sun, the Black Stone and all of your many gifts and blessings whether we've asked them from you or not. You are our True Father, Lord and Master. Hail to our Satanic predecessors who set a blueprint for us and fought for us and our Lord and Master, and our brilliantly darkly blessed and resurrecting Thule and Vril Societies and each and every one of us who carries the Black Stone and Black Sun!

### Sermon 5/29/09

In many of the ancient grimoires, there are instructions to 'engrave' sigils and such. These instructions are more than engraving upon metal. Note that the metals all correspond to each of the seven main chakras.

To 'engrave' something is to etch and make it permanent. Part of this is an allegory. The allegory/concept is to do a working repeatedly, along with affirmations that are impressed upon the mind and the soul. Using the white/gold light for obtaining desires, and/or color corresponding to the desired outcome is essential. The day and hour of the planets ruling over the desired outcome should also be factored in, along with the transiting planets in the sky, to ensure any and all energy available is used.

Given the amounts of opposing energies and the strength of the mind and soul, the lag time of a working is variable.

When we advance in our own personal powers, we will find that some workings of the past that we engraved upon our souls occur spontaneously. Any desire that we have worked on for any length of time that has not come to pass, remains within our soul and often, without warning, will happen on its own.

It is important to try to dwell on positive things and the things we desire, as when we advance in power, what we have on our souls, our past workings that were not realized and such can occur all of a sudden. Planets also factor in, as there is a time for everything.

Often, the reason a working doesn't bring about the desired result within a short period of time is our own personal power. There are other times when certain words of power are vibrated at certain times and the effects are immediate. This is why it is always important to keep a 'Black Book' or journal to write down everything from the time of the working, the day, the moon sign, the planetary transits and the day and the hour of the day, and of course the ritual/working used, the specifics and then to look for coincidences.

### **The Eight of Swords**

I have never come anywhere near mastering the Tarot for divination purposes, but I do use it for meditation. Something that came to mind after watching another lecture this evening is the Eight of Swords card that seems to represent being bound or restrained from achieving what you desire.

If you remove the letter "s" from "swords," you're left with the "word." Basically, what this means is that you have to find which words of power will get you out of the negative situation that you're in, whether it's a job, a lover, a wife/husband/partner, living situation, needing money, health and healing, and basically anything you want and/or need.

The words of power are what creates the the harmonics, frequencies, and vibrations that are necessary to unbind, unblind, and make that "invisible ladder" so that you can walk across that cliff to the land across from it and obtain what you desire and/or need.

Find a rune(s) of your choice. Create your Satanic Rosary, if you don't already have one and start and finish the 40-day workings. You will see improvements. Go to:

<http://www.666blacksun.com/Runes/Futhark.html> and

[http://www.666blacksun.com/Runes/Satanic\\_Rosary.html](http://www.666blacksun.com/Runes/Satanic_Rosary.html)

For gray or black magick, make sure that you have a separate Satanic Rosary. My rosary for white magick is amethyst beads with an Egyptian Ankh at the end. My rosary for black magick consists of red glass beads that are the color of blood and has Thor's Hammer attached to the end.

So, keep working with different sounds and vibrational frequencies while working with the Eight of Swords Tarot cards and enjoy the results that *\*will\** manifest, but always speak in the present tense and KNOW that you have what you want or are getting rid of what you don't want/need.

## Sermon 6/1/09

The ultimate goals of spirituality are enlightenment and control over one's destiny- spiritual freedom. The more we meditate and study, the more we clean out the dross from our mind and soul. This is much like the Tower card of the Tarot. After the eruption occurs and the dust settles, we can finally see the truth.

Years and years ago, when I was an atheist, I borrowed a book about chakras from the library. I practiced hatha yoga from an early age, but as for any knowledge of the chakras, I didn't have any at that time. I was in a life and death situation and looking for help. Contrary to the lies xians always spew forth- there ARE 'athiests in foxholes' so to speak. I faced death as an atheist and had no intention of changing. I looked to yoga for help. My entire point here is that I didn't take anything I read about the chakras seriously until the book instructed to 'close your eyes and look at each of your chakras.' I did and was nearly jolted off of the sofa. That freaked me and also right then and there, I learned of the power of the chakras and began to work with them. This saved my life.

Now, as most of you know- those of you who consistently do power meditations and workings- wherever you direct your attention, the power and energy go there- such as when you vibrate a rune or word of power, mantra, etc., into a specific chakra or other area of your soul. This right here reveals much about the mind. What we are aware of, where we focus our attention, what we think about.

Unfortunately, from the day we are born into this age, our minds and souls are bombarded with lies, falsehoods and corruptions. These do not just come from one or two places, but from nearly everywhere in order to program us like a bunch of robots. In addition, the lies all work together to create a mass mind- working for the goals of the enemy.

TV, organized "religion," schools, newspapers, the mass media- all of these make liberal use of subliminal means to program society. Many people come to Satanism with all sorts of hang-ups, especially in the area of religion. One of the most important things we can do is to de-program ourselves and to clear our minds of all the dross.

In studying anything, most texts and sources of knowledge have truths thrown in with lies. One must separate these in order to learn. I have read hundreds of books on the occult and have had to separate the worthwhile in books and and weed out the garbage.

Christianity, Islam, Wicca, and related, are all programs of the enemy. Knowing the basic messages in these - the anti-life, anti-nature, anti-justice 'brotherhood' lies [everyone should know by now as this shit has been drummed into most people from day one], helps to separate the garbage out.

## FREE THOUGHT

Everyone knows free thought is the ability to think for one's self, but how many people actually apply this? Only when you can completely free your mind, will you be able to come into your own and know yourself. How to think, what to think, what to believe, what our likes, our dislikes, our concepts of right, wrong, good and evil are, are constantly being programmed by the media, peer pressure and those in power. Those in power can refer to the government, parents, family, educational institutions and textbooks, the system, the medical association and so forth. Many live their lives by the values of others and as a result, they never come to know themselves. People are TOLD what to think and believe.

The television is a good example. Canned laughter implies something is supposed to be funny and it's OK to laugh. Background music lets the viewer know when he/she should get scared or anticipate something. Emotional scenes lead some people to tears. Life is much like this. One is supposed to obtain some form of approval for any and every thought and/or action.

Take a look at the xian church. Everyone is repeatedly told this nefarious enemy of humanity is something "good." In spite of the continuous and blatantly obvious signs to the contrary, most people actually believe this to be true. The xian bible is called the "good book."

This "good book" is full of mass murder, slaughter, torture, gang rape, prostitution, cannibalism, infanticide, mutilation, blood sacrifice, curses, feces, hatred, and every ugly thing know to humanity. It has incited war, slavery, bloodshed and destroyed the lives and mental health of billions.

When we come to Satan, he opens the door to our spiritual cages and gives us a hand in getting out. The rest is up to us. He is always there for guidance and support, but above all, he wants us to be free. Satan, who is the True God, is the liberator of humanity.

Ask yourself; what do I think? How do I feel? NOT how \*SHOULD\* I think, or what would someone else think, or what does everyone else think. We are all individuals. We all have different preferences and

tastes. Just because someone else likes or dislikes something, that doesn't mean you as an individual should feel the same way. Whenever presented with a dilemma or something new, ask yourself the above questions. Satanism is free thought in the extreme, yet, so few are able to actually think for themselves.

Now, of course, those in power are dead against free thought. Sheep are easily controlled. Personality tests are given to determine those who are a threat (think for themselves and don't conform). Though unaware, how we should think is drummed into our heads from the time we are born. Very few people really know themselves, in spite of living with themselves 24/7. This is really sad.

It's not all that hard. Just remember to always and frequently ask yourself to start out with; do I think this is right or wrong for me? How do *\*I\** feel about this? What is *\*my\** opinion? There are no right or wrong answers here. Just get to know yourself. This may take time, but in the end, you will experience the bliss of being free.

Start completely deprogramming your mind today. All of us are programmed to greater or lesser degrees and most are not even aware of it.

## The Summer Solstice 666 - June 23-24<sup>th</sup>

The Summer Solstice 666

June 23-24th

Technically, the Summer Solstice begins when the sun enters 0 degrees of the zodiac sign Cancer. The Summer Solstice is one of the four major "Solar Festivals" of the year, the others being the Winter Solstice of December 21st, when the sun enters 0 degrees of Capricorn, the other two being the Spring Equinox when the sun enters 0 degrees of Aries, and the Fall Equinox when the sun enters 0 degrees of Libra.

All of the Satanic [original Pagan] holidays have been corrupted and replaced with false and imposter biblical characters, fictitious legends, and practices completely unrelated to the original holidays. This was done by the Catholic Church for the sole purpose to remove spirituality and occult knowledge.

In addition to the Satanic holidays being times for festivities and celebrations, these days are certain points where astral communications are greatly facilitated, and witchcraft workings are greatly enhanced [according to the specific holiday]. Beneath all of is alchemy. For those working on the Magnum Opus, and/or to advance their own powers and soul, these days are very important for different aspects of the working. For example, the Magnum Opus should be commenced at 3 am on the day the sun enters the sign of Aries. [This is where the 'Lamb of God' was stolen from the zodiac sign of Aries the Ram, and the Chi Ro runic staves that are often seen in paintings and such depicting the false nazarene].

The Summer Solstice was replaced by the Catholic Church with "The Feast of St. John."

666 is the number for the sun. It represents amplification of astral solar power. The heart chakra esoterically is ruled by the sun. On the 23-24th of June, when the sun enters 0 degrees of Cancer, the power of the sun is drastically amplified.

Workings that deal with solar magick are greatly enhanced at this time.

Workings on both the heart and solar plexus chakra are greatly enhanced at this time

Communications with astral entities such as elementals: fairies, gnomes, etc., are greatly enhanced at this time

As with Halloween, the astral is very thin and communications with Demons is much easier

# Fire magick is greatly facilitated

# The eve of the Summer Solstice has a very long tradition for being a night where divination is much easier and more accurate.

# Love magick spells are also greatly enhanced on the eve of the Summer Solstice.

# This is also an excellent and powerful time for infusing herbs, crystals and other items with solar energy

# This date is also favored for beginning healing work, as the sun is the esoteric healer.

# Workings that deal with infusing water with solar and/or healing energy are also traditional here

# Creating and blessing of wands[fire], blessing of the Tarot cards

# Rune spells and Rune work are also favored at this time as Runes are staves and of the element of fire

# Gathering of herbs for magick, especially those used for solar/fire magick and/or healing

In ancient times, festivities and celebrations of this important holiday nearly always included Baal Fires [the traditional bonfire]. The element of fire represents the life-force, and life itself. Death is cold and hard. Fire is warmth and life. Those of us who have condensed the life force within ourselves know just how hot it can be, like the kundalini serpent. The traditional color for this festival is white.

Circle dancing, snake dancing, sexual orgies, indulgence and feasting are all traditions for the Summer Solstice. The tradition of lighting the Baal Fire and jumping through it has survived since ancient times. "Despite the church's attempts to stamp out all Pagan traditions, the lighting of a midsummer bonfire on midsummer's eve, survived in even the most staunchly Christian communities."<sup>1</sup>

The ancient Druids celebrated the unification of "Heaven and Earth." What this means is centering on the heart chakra. "Heaven" and "Earth" were stolen from Taoism and are code-words for the crown [heaven] chakra and the base [earth chakra]. In some doctrines, 'hell' is the code-word for the base chakra, with earth at the heart chakra, but for the 'unification' referred to here, this is the unification of the energies of the base and crown convened at the heart. The uniting of both elements- water and fire are celebrated on this day.

Voodoo rituals are also traditional at this time and have survived for centuries.

"Immediately the drums increased the tempo, the singers chanted the ritual song, and a woman dancer stepped into the circle and began the ritual dance in imitation of the movements of the snake. In the frenzied group dance which followed, the dancers tore off their clothing and danced nude until the ritual ended, as it always did, in a sexual orgy.

## The God Rune

I recently found out that Os- the God rune wasn't originally Odin's, but Loki's. I've noticed how quite a bit of Nordic neo-pagans feel hesitant to work with Loki. Gee, I wonder why. :-)

## Planetary Hours

Several of you have posted that you are having problems in downloading the planetary hours program.

Make sure you didn't over-look the - Download the Microsoft .NET Framework 3.5 - required to run ChronosXP. There is a link on the webpage to microsoft where you can download this.

I had to download the above, a few years ago before the Chronos would run correctly on my PC.

There should be a desktop icon for the Chronos, when it is installed correctly. Be sure to download the 'full source code' as well. Please read the webpage thoroughly to understand the instructions.

<http://chronosxp.sourceforge.net/en/>

In addition to this program being essential for the ritual on Sunday, it is indispensable for personal workings such as empowering chakras, spellworking, meditations and much more. I always print the planetary hours out for each month and put them in a binder. They are extremely helpful.

I will be online today to help with and answer any more questions related to Sunday's ritual.

### Regarding Suicides

I'm posting this here because Christianity is still attacking teens in particular. This isn't to sound like Christians, either, but Satan gave our lives a meaning, whether some people can see it or not.

Re: Suicides

Satan gave us a life to live. Spiritual Satanists committing suicide???? NO!! This isn't just my viewpoint or opinion. It is a Satanic fact. Spiritual Satanists, no matter how alone they may feel with either depression or circumstances, etc, should never end their lives, unless it were to be one of those situations like suffering and fighting a terminal illness for a long time and they give a hospice permission to "pull the plug" because the pain and medications for such terminal illnesses are no longer worth the breath of life anymore. No wonder some groups of Christians attack hospices.

Christians both directly and indirectly promote suicide with their teachings. I understand that most of us come from different Christian backgrounds and some of these backgrounds were more severe than others. Christianity, no matter what, is a terminal illness, but like ANY DISEASE, whether it's cancer, HIV/AIDS, depression, drug addiction and the consequences of such diseases among COUNTLESS other diseases can be prevented not only by taking care of ourselves, but through Power Meditation that is consistent no matter what. Christ (no matter what FALSE "miracles" the bible or Christians talk about) can't help anyone. Through SATAN, we help ourselves and the Powers of Hell are always there for us. We can heal ourselves.

The thing is that we need to schedule our life AROUND our Power Meditations, rather than scheduling Power Meditations around our lives. With school and in a household of Christian parents, this can be tricky, but the more you do for yourself, the more Satan will bless and reward you and you will be much more protected and immune against diseases of ANY kind, as well as urges to commit suicide. In Spiritual Satanism, there is ALWAYS a way out of a problem without committing suicide or harming one's own self.

Christians will try to tell people not to kill themselves and they have even made it a "mortal sin" to do so. We don't "sin." "Sinning" IS a Judeo/Christian/Muslim concept, all consequences of the Jews and their mind-fuck programs like Christianity and other "religions" of DESPAIR and hopelessness. Unlike those DEATH programs, there can be a consequent feeling of helplessness. Something to remember as a Spiritual Satanist is that without that "God has a plan" HORSE SHIT of Christianity and the like, we have Satan and we have our OWN souls. One of the biggest miseries in Christianity is that whenever someone joins Christianity, they GIVE THEIR SOULS AWAY!! On the other hand, we make a commitment and Satan never takes our souls. He puts us in full control of our souls to empower them and protect them from destruction. Christians talk about being happy with "Christ." Unlike their futile claims, Christ never existed! This is easily proved. I've seen Christian Ministries with titles like "Souls For Christ." I'm not kidding. It isn't Satan who "takes any soul he can get his hands on." It is the ENEMIES OF SATAN WHO DO THIS!!!!

While we don't "sin," killing ourselves in Spiritual Satanism is an INSULT to Satan. As far as those who are without, we can try to enlighten them. Since we can't force conversion, those who are without are left with the enemy and they can fend for themselves. Once someone becomes a "born-again Christian" and refuses to see the **\*\*TRUE LIGHT\*\*** which is of Satan, I personally couldn't care less whether they live or die because just like alcoholism, drug addiction, etc, Christianity, too, is also a drug and it causes a slow death. Therefore, Christianity IS Suicide.

Regardless of how heavily many of us have been indoctrinated with Christianity, there is hope, BUT, **\*within\*** Spiritual Satanism, ALL OF US who have come out of that Jewish spell, should have left all other suicidal tendencies outside from where we left such a miserable life. Christians are the ones who are deluded and misguided.

**\*\*source\*\***

Many people who have realized that Spiritual Satanism is the true place for happiness and freedom from misery.

## Sermon 7/17/09 - About Healing through Satan

I noted in two of our e-groups, of late, there are threads concerning

Christian healing. Yes, it is possible that xians can heal others and some have been healed by believing in that ilk, BUT there is a HUGE difference here.

Yes, I remember more than one person who was healed - one woman healed her daughter by placing her hands on this one radio this xian preacher told the audience to do. The daughter had serious diabetes and was immediately cured. This is true, I knew the family. In another case, a man who had spots on his lungs had a group of xians pray for him and then they were gone. I have also come across some other cases in my lifetime.

Now, as I mention again- there is a HUGE difference between xian and Satanic healing. For one, for every ONE xian who has experienced 'faith' healing, MILLIONS MORE [XIANS] HAVE NOT.

In addition, everything of the enemy is false. These healings are false in that the xian has no idea of what he/she is doing by the 'laying on of hands' for one. The xian just lays on the hands and prays to that jewish invented spook to miraculously cure the afflicted one. The xian has no knowledge of the chakras or how to draw in energy through them. SO- THIS IS A CASE OF ALWAYS HIT AND MISS.

In contrast, Satan reveals to us just how the 'laying on of hands' and other healing methods work, how to draw in and direct energy and also how we can empower ourselves to consistently heal ourselves and others.

Now, as for the prayer group. AGAIN, this is false. Everything of the enemy is false and artificial. The numbers and/or strength of the minds of those in the prayer group have everything to do with the so-called 'miracle.' Even though an xian prayer group is nowhere near as powerful as an average coven, it is a tiny product of the mass mind. Any energy directed by a group will more than likely manifest itself somehow, regardless of what or how.

Xians can lay and roll about on the floor or ground and act like the idiots they truly are, but for ALL of them- THERE IS INCONSISTENCY!!

'The Lord' doesn't consistently come through. How many xian preachers/priests can diagram the human soul???? They all have 'faith' in something they really know nothing of. This is a VERY corrupted and misplaced faith.

As for healing, I, myself have healed CONSISTENTLY through Satan, not only healing myself, but healing loved ones as well. Any of us who have worked healing the Satanic way, KNOW exactly what we are doing. This healing is REAL.

Imagine a doctor in an operating room who had no knowledge of anatomy or how to use any medical instruments. Would you want anyone like this performing surgery on you? This is very analogous to an xian.

Enough said?????????

**For New People Here, Especially Those Converting from Christianity**

I am very pleased to see a large number of people coming here from Christianity of late. For those of us who know the truth and are strong in Satan, it is important that we are supportive in answering questions and in welcoming newcomers.

True Satanism, especially at this time in the world, is not an easy road. Most people have been indoctrinated with a lifetime of lies. Christians, especially fundamentalists, are forever running off at the mouth about how 'Satan deceives.' In addition, the prophesies in the judeo/christian bible claim that Satan will rise in the end and deceive many. This is used as a powerful too to instill fear and confusion.

The Jews [especially those at the top, who are running the world] have deep knowledge of the occult, and how to use it to further their own nefarious goals. They are masters of lies and deception. In addition, they have been using occult power for centuries to make their lies believable, along with control of the media and communications, that is until now as we have the internet. People who are familiar with trends, statisticians, even your local meteorologist- know predictions can be made, based upon certain data available in the present. For example, cold dry air coliding with hot humid air will inevitably spawn thunderstorms and in some cases, tornadoes. Hurricanes are a fact in late summer and in early fall in the northern hemisphere. Certain sociologists, psychologists, and others, study trends in human behavior, and in society in order to predict probable future reactions to different things. On a minor note, this includes surveys regarding certain

products on the market and such.

My point here is that the predictions made in the bible are all man made by those who had knowledge of the occult. The average Jew has an IQ of 135. 100 is normal, 110 is bright, 120 is superior, 130 is very superior and 140 and above is genius. IQ's of 135 are in the top 2% of the population of the world.

When I began writing the Joy of Satan, and Exposing Christianity, I was writing for a Satanic audience. In other words, those who already were familiar with the occult- [the powers of the mind and soul]. Many of you are coming here directly from Christianity and/or have no knowledge of such things. Reading and studying the JoS websites can be a bewildering experience for many, for the first time. Some people, especially Christians completely freak and run away. Others, many who have opened their minds in former life-times and/or have a bit more knowledge, read deeper and find the truth.

It has taken me a lifetime of reading some 10,000+ non-fiction books, with a very wide variety of subjects, and an IQ of 150+ to get to where I am today. I was introduced to the occult as a pre-teen. I learned to do astrology charts, read palms and Tarot cards in my mid-teens, and more. Satan came into my life at 12 years old [though I had no idea at that time] and directed me to study Eastern religions and practice hatha yoga. I have always been an obsessive reader and lover of knowledge. Another major factor here is by the time I was 25, I had a pretty extensive knowledge of the Jews.

My point here is it takes endless study and thinking for one's self, to break through all of the programming and lies drummed into us from an early age. I have had years to adapt to new and profound information. Many times, when learning more truths about life, in direct opposition to what I was force-fed growing up, what I learned threw me off balance for a while, I even had nightmares, as what I was learning, my mind had to digest at that time. This came in phases for me, as I had time to adapt. For many of you, you are being hit all at once with a tidal wave of information. This can be

bewildering for many. Just give this time and realize the present society we are living in is rampant with lies. History has been rewritten with lies in many places and the populace is exposed almost incessantly to endless subliminal messages.

The enemy is exceptionally clever and a master of deception. Once you know the truth, you can see this for yourself every day. It is glaringly obvious that the Christians are the ones who are being deceived, though they erroneously believe the opposite. Christians are forever making excuses for their false 'God,' their doctrines conflict with science, and there is nothing spiritual in their belief system, which in truth is a program.

For one, Satanism does not conflict with science, nor does Satanism suppress any knowledge. In order to succeed with pulling off a lie, knowledge must be forbidden and suppressed. Christians suppress, pervert and attack knowledge all of the time. They have no real answers, and history is chock full of people being mass-murdered, libraries and other places of knowledge being burnt to the ground, and extreme fear being used as a very persuasive tool in forcing people into accepting Christianity. Other lies have to be invented and reinforced in order to keep a lid on the lies already there.

The average fundamentalist Christian CANNOT and WILL NOT argue reason. He/she has a personal number of silly, meaningless bible verses that he/she repeats over and over like one of those preschool child's toys where the child pulls the cord and the plastic arrow rotates and then stops on a certain picture and a voice with a short phrase comes out of the toy. Usually, these people have double digit IQ's.

In order to see the truth for yourself to where you can no longer be deceived, you must open your mind. Few people actually know the extent to which the human mind is extremely sensitive to programming. This programming becomes a part of our subconscious, influencing our very attitudes, feelings, and reactions to things, much we are not even consciously aware of. Many of you need to read this article, and read it several times:

<http://www.angelfire.com/empire/serpentis666/FREETHOUGHT.html>

The enemy knows how to deceive and confuse. This also includes astral influences. The most effective weapon against all of this is knowledge.

Personal experience through meditation and applying the knowledge, then confirms the knowledge. Seeing for yourself every day, thinking for yourself. This can be very difficult in the beginning. Telepathic communication with our Gods comes with experience. There are many astral influences, including the

enemy that work to deceive people into believing it is Satan or his Demons. Getting to know Satan, working with Demons and gaining experience through power meditation will help to discern truth from astral deception.

Many are confused as to how many Christian churches give to the financially disadvantaged, and offer social services that appear to help those in need. This again is another scam. The Jews behind all of this [their most formidable and effective tool is Christianity], CREATE problems. Then, they come in and appear to be fixing the very problems they created, as this gains trust and works to create a beneficial image before the masses, BUT this is all geared to their goals of enslaving all Gentiles of the world. Their control and destruction of the economy for one [this repeat has been carrying on for centuries, in all countries of the world], creates poverty, homelessness, unemployment, life-long debt, etc., and then, the Christian churches, run behind the scenes by and for the Jews, appears to be fixing the problems. It is the same with healing and the health professions.

The average person cannot figure this out, nor can they see through it. Until things reach a critical stage where everyone in society is adversely affected, most people are oblivious to it. Knowledge does not just manifest in one's mind, one must read, study and learn on their own and be aware. Satan gives us the knowledge to empower our souls and to actively make a better life for ourselves, to where problems that plague Christians and those who are without, we can be free from. Satan also shows us how we can heal both ourselves and others- KNOWING exactly what we are doing, how energy works and so forth, as opposed to Christians who know nothing of this and rely upon misplaced faith- for every one Christian that is healed through blind faith, millions upon millions are not, and remain afflicted.

In closing, those of us who are very close to Satan know he is not omnipotent. The enemy further creates confusion and deception with their writings, claiming their own 'god' to be omnipotent, omnipresent and so forth, which their enemy aliens who are running the show are definitely NOT. Again, this deception and mind-set influences people into believing Satan can do anything at any time and should be at their beck and call should any personal problems arise in their lives.

The truth is- Satan and his Demons are human friendly ET's who are and have been trying to help us. Satan gives us knowledge so we can empower ourselves and find truths on our own. Satan is our Creator God.

There is a war out there and planet earth is the battleground. The jews, along with their workings over the millenia, have suppressed our communications with our Gods. Strong warnings against using ouija boards, Tarot cards, and other related spiritual tools, that can open a person up spiritually, are rampant in that bible of theirs. In addition, no different from how they have spent centuries infusing their lies,

such as the bible with occult power so people are deceived into believing this nonsense is real, they have placed curses upon certain things of the occult to keep Gentiles away. I ran into this when I was very new to Satanism. Instead of being frightened off, I continued on and went deeper. I then found truth.

Also, in the modern times, they have had NASA fully under their control.

Satanism is not an easy road. Knowledge is very important. Learn everything you can. Meditate to open your mind and to knock down walls. The soul you 'save' is your own. Satan gives us the knowledge to do this.

### **Re: For New People Here, Especially Those Converting from Christianity**

There are two things I forgot to add when writing this article this morning. One- concerning the biblical prophecies. As I have mentioned in the article below and repeatedly, these prophecies are the works of human beings, they are not 'divine' in any respect. In addition, certain prophecies such as "earthquakes," "pestilences" and such, occur repeatedly throughout history. Anyone with a bit of historical knowledge can effectively make such predictions, and the uneducated masses will fall for this sort of thing- it works every time. Also, outright lies are thrown in with this crap, so say the weather gets real bad or some of those prophecies as I mentioned above occur, many are further inclined to believe the lies.

After centuries of being indoctrinated with lies, force-fed christianity, and everything related, anyone who knows human behavior can effectively predict a rebellion. "OH MY!!! These are godless times!!!" As I wrote below, this is all about trends- cause and effect; that eventually provokes a REACTION. The

kikes who composed that filthy bible KNOW that the lies they filled it with, in the light of knowledge, that eventually, us 'goyim' are going to wake up in very large numbers. Even their own biblical prophecies state this and that in so many words 'The spell is going to wear off.'

They also know they cannot keep us from our Creator God Satan and his Demons [the Original Gods] forever. I have heard time and again, how those degenerate lowest of scum organized criminal assholes running the Vatican are forever fighting off Satan and his Demons. Satan won't and never has gone away or has left them alone. They are criminals and are occupying something that is not theirs.

Here is a link I posted to all of the JoS e-groups some years back concerning the 'end of the world.' I encourage everyone to check this out:

<http://www.abhota.info/end1.htm>

The above link is historical fact and is very revealing concerning the scam of certain predictions and prophecies that are repeated historically and can safely be predicted, as they go in cycles.

Along with the lies they throw in, is that Satan is supposed to lose in the end. This again, just like their messiah, is subliminal and mass minded, which they are hoping will effect the outcome through mass indoctrination and belief, but if you look to other prophecies they have stolen from Ancient Egypt, Sumeria and the Far East, that they have corrupted, and that have found their way into that bible of theirs, you will find major contradictions. 'Light' is supposed to triumph over darkness. As opposed to all of the Hollywood Satanism in the movies and on the TV and also all of the Jewish dictation and lies over the centuries of what Satan is supposed to be, SATAN IS NOT DARKNESS. SATAN IS LIGHT. We can SEE this and EXPERIENCE this for ourselves and KNOW THE TRUTH.

When one has advanced in power meditation and in true Satanism, we KNOW Satan is of the light. 'Lucifer' is the lightbringer. Words with the same prefix include: 'Lucid' 'Lucent' and such, mean 'clear,' 'bright.' KNOWLEDGE which is of Satan opens our eyes and like a light, enables us to 'see.' Satan is not of darkness. THE ENEMY IS OF DARKNESS, like a pitch black room where one is lost and one cannot find his/her way out and lives in the ignorance and unknowing of true darkness.

Also- I forgot to add the link explaining and exposing the Christian 'Charity' racket:

**Sermon 8/09/09**

I read every day when approving messages in the groups, many of you have problems that you ask for help on. Most, if not all of these problems can be solved through working on them, using your own powers. This is how you become strong, by using the powers of your mind and soul to solve problems in your life. Ask yourselves- is an aura of protection needed? Nearly everyone needs money in these hard economic times- if so, then work on it using the powers of your mind. When you wake up and before you go to bed, visualize the white-gold light or whatever color you choose and affirm money is coming to you- your OWN money. Health problems- work on these.

Learn to use your powers on a daily basis. This takes practice and at least 21 days straight to become a habit. The Gods use their powers all of the time. Learn to use this gift from Satan that has been dormant in humanity for thousands of years. Work with your mind, direct your energies. You will find when your mind is given direction, your mind will become your great helper and friend. This is like a muscle, the more you use it, the stronger it becomes. Most things take repetition and daily work before they become reality. This is not Hollywood Satanism. A particular problem should be worked upon every single day, until it is fully solved. In healings, often the working must continue a month or two, maybe more after the healing has occurred [given the severity and length of time of the illness]. Acute infections can be dealt with, sometimes just one or two meditations, chronic and severe problems take longer.

Use your powers!! You will be glad you did.

## The Roots and Origins of True Satanism

### The Roots and Origins of True Satanism

After years of research into Satanism, we have found the origins are in the Far East. When beginning research into Satanism, one usually will look to Western Occultism. Western Occultism has been thoroughly corrupted and infested with Jewish filth. Nearly everything in Western Occultism has its roots in the Far East.

Western Occultism is chock full of Hebrew letters, numerology, angels and other filth. Our original Gods who gave us spiritual knowledge are blasphemed and made to hideous monsters. When tracing all of this back to its origins in the Far East, the names of our Gods in Sanskrit are revered and held in the high esteem they deserve. The name "Satan" which means "enemy" in Hebrew, means TRUTH and CREATOR GOD in Sanskrit. Of course, the people of lies would deem TRUTH as their mortal enemy.

Civilization did not begin in the Middle East as we are led to believe. Sumeria, Egypt, and other ancient civilizations obtained their spiritual teachings and occult knowledge from the Far East. The modern paperback edition of the Necronomicon; in the preface, the editors even admit to this text having its origins in Sanskrit. Anyone with knowledge of Sanskrit can see this is true with many of the words and names in that book.

Satanist Heinrich Himmler knew the truth about our spiritual origins in the Far East, and sent an expedition to Tibet, where the Germans were very well received. The expedition brought back around 30 Tibetan Buddhist Monks to Berlin, all of whom died in a group ritual suicide in the spring of 1945, with the fall of the Third Reich.

True Satanism can be found in Kundalini [Serpent] Yoga, and Left Hand Path Tantra. Unfortunately, like with everything else, there have been some corruptions in the above-mentioned disciplines, where the Jewish tool of Christianity has infested, but most of you who are dedicated to Satan will feel the truth in the basic doctrines. Acquiring of knowledge means sifting out the dross.

In their obsessive and relentless quest for world domination, and to take the place of our True Creator God who is known as Satan, the Jews have used everything in their power to destroy, pervert, and

corrupt all true spiritual knowledge. The mass murder of Gentile priests and sages, the systematic destruction through infiltration, of any and all prominent Gentile occult organizations, such as Freemasonry,[which is now another tool for Jewish communism], leaving a long trail of murders, and more murders and lies to cover up the stinking stench of all of this hideous kosher corruption. The end result is communism, which is the final removal of all spiritual/occult knowledge from the Gentile populace, while Jewish masters assume the position of 'God.'

In preparation for all of this, nearly every single page of the Judeo/Christian Bible has the word 'Jew' 'Jews' and/or 'Israel' on it. Their agenda is based upon taking names, places, important dates, and concepts from Gentiles and replacing them with their fictitious characters, archetypes, and corrupted teachings, to disarm us spiritually. They use these lies to claim they were the founders of all religion, civilization, and spiritual teachings, the greatest of their lies is that of being 'The Chosen of God.' Much of this is also subliminal. Exclusively Jewish schools where the Jews learn to argue and obtain the knowledge they need to destroy Gentiles, are called "Shivas." The name was stolen from the masculine power of the Kundalini, the consort of the feminine Shakti. In other words, the brains that direct the spiritual power to manifest on the material plane in a specific way. Those who are knowledgeable here can readily see the connection.

Many textbooks, even at college level claim Judaism to be the oldest of religions, which is a LIE. A prime example of using a fictitious history is the state of Palestine. They obtained this state through LIES. Ever since, the Palestinian people have suffered horribly. There has never been any peace in the Middle East with the establishment of the bandit state of Israel. These lies have given the Jewish people special privileges and a history they are NOT entitled to.

Occult power is within us all. By removing this knowledge and keeping it for themselves, the Jews can throw a curse at whomever they choose, and the Gentile victim is helpless without any knowledge or spiritual power. They have even bragged about this and more in the Protocols of the Learned Elders of Zion, stating the aura of protection they have put around their entire people, so when the shit really comes down on all of the Gentiles [fighting each other, because of Jewish instigation], their own will be protected.

Christianity not only removes spiritual knowledge and replaces it with Jewish lies, but also self-perpetuates through the use of the energies of the believers. This powerful Jewish tool must be destroyed, as its end result is Jewish communism, as can be readily seen in the biblical message as a whole and in the sermons of the Jewish invented character of the nazarene.

'Maya' means 'illusion' in Sanskrit. Many are concerned about the 'Mayan' calendar, which states the end being in the year 2012. Given the research I have done [I am far from finished here], the names of many civilizations, especially many ancient ones have their origins in Sanskrit, such as Sumeria/SumerAryan. The Mayan connection makes sense. We believe that 2012 may be the year when Gentiles as a whole wake up to the Jewish SPELL and HOAX of Christianity.

A Jewish rabbi once stated that the Hebrew letter 'Vau' that is in their numerology a six, is also the Semitic W. WWW [World Wide Web of the internet] equals '666' which the Jews have named 'The Beast.' The information on the internet cannot be controlled. This will be their undoing.

### **Concerning the Teachings of Yoga, etc.**

I would like to add some very important information concerning the Eastern teachings we now have available to us today. Like with most everything, much of what we have today has been infested with Christian lies, no different from the 'New Age' teachings, which are Christianized Paganism and witchcraft. When researching Kundalini Yoga and Left Hand Path Tantra, one can see in the essence, the symbols, the mantras, the words, and the techniques, the Satanic essence and foundation here.

The most important thing one can do when reading anything of yoga is to realize that much of what we now have available to us has been corrupted. There are no 'Laws' as such. All of the crap on celibacy, abstaining from eating certain foods, observing certain virtues, lack of desire and detachment, and related, is not only dross, but very harmful advice in many respects. I have done enough studying, along with personal experience to know this. In addition, that 'absence of desire' that keeps cropping up in many of Eastern teachings [that have been corrupted with Christian filth], that alone- one can see is total bullshit and lies. Total absence of desire = death. If one actually had 'no desires' then one would not meditate, nor would one work towards advancing one's self and seeking enlightenment. One would be dead. These false teachings are there to disarm and prevent those who acquire power from the above disciplines from using it. Using our powers

through both white and black magick is what the enemy fears the most. This is why these teachings have been corrupted. As for absence of desire, the only truth in this is if one does the exercises faithfully, this will stop cravings for mind-altering drugs and related vices.

True Left Hand Path Tantra is living life to the fullest, indulgence in pleasure, while working towards enlightenment through meditation and knowledge- the Satanic way. Many books about yoga contradict each other, which reveals corrupted information. You have to open your mind and like with reading anything- read through it the Satanic way- sift out the xian bullshit that unfortunately has infested nearly everything.

In empowering ourselves, truth be known, and I speak from experience here:

There are no special dietary laws

There are no special ways of living or being- in other words, you are FREE to be yourself and live your life as you choose

There are no sexual taboos, meaning- you are free to have sex as you choose, with whom you choose, and as often as you choose

The only thing that IS relevant with these disciplines is CONSISTENT PRACTICE, and nothing more. The essence of these teachings are all about developing the powers of the mind and soul, which are open to

everyone in the universe. You don't have to live your life by certain laws. Energy does what it is told to do. The only thing one needs is accurate knowledge. The knowledge on how to get there and how to be the most powerful you can be.

High Priestess Maxine Dietrich

### Desire

As Satanists, we work towards:

Developing and advancing the powers known as 'Siddhis', such as telekinesis, telepathy, levitation, and so forth. These are gifts to us from Satan.

Development of our personal powers in causing desired changes in our lives and/or in the lives of others using the powers of our minds and souls.

Using any powers we obtain from doing yoga, meditation, mantra, etc., to enhance our lives, establish justice if we are wronged, acquire wealth, heal and/or anything else we desire.

DESIRE is the key to working effective 'witchcraft.' When our minds and souls become powerful through meditation, yoga, and mantra, what we DESIRE will often manifest of itself in our lives, even without any working or ritual. I know this from my own personal experiences. DESIRE alone will bring it about, if one has the power. This is what the enemy fears.

High Priestess Maxine Dietrich

**Sermon 9/14/09**

Spiritual knowledge has always been hoarded by a select few and unfortunately, what is out there for the public has been corrupted. Many so-called 'gurus' spiritual teachers, priests, and so forth have kept spiritual knowledge for themselves and have charged others unreasonable fees in order to obtain that knowledge.

Satan wants spiritual knowledge to be free and without corruption. There are a few things he does want for us to hold back on, mainly heavy black magick techniques, but this IS in coming. This is because of the enemy right now.

Many spiritual texts deliberately give some of the wrong information, and leave out very important key concepts. Some of the reasons might be persecution, greed [charging for knowledge], the belief that the higher mind, once opened will lead the practitioner, etc.

The last reason is true, but one still must have access to knowledge in order to advance.

One key concept is meditation on the third eye. This is given in so many texts. Then, people read this, write their own books, and further this practice. Meditation on the third eye is a good starting point, as is opening the third eye, BUT there is much more to this, especially at the advanced levels.

My own experiences have shown me the exceptional importance and power of the pineal gland. Upon activating this gland, which when activated, swells and feels like a small grape, accompanied by feelings of total bliss [the pineal secretions, aka 'Nectar of the Gods'], I found I could knock out electrical appliances and more. Opening and activating this gland is very important, especially at the higher levels of witchcraft.

Now, back to the third eye. The third eye is an EXTENSION of the 6th chakra, which is located directly beneath the crown chakra, right in the middle of the brain. Meditating on the 6th chakra and OPENING the 6th chakra [this is done the exact same way as with the third eye and should only be done after opening all of the other chakras], will help to activate the pineal gland and much more. Because of the power of opening this chakra, I do not recommend to open it until you have opened all of your other chakras. Your third eye should also be all the way open.

[http://www.angelfire.com/empire/serpentis666/Opening\\_The\\_Third\\_Eye.html](http://www.angelfire.com/empire/serpentis666/Opening_The_Third_Eye.html)

When meditating on the 6th chakra, all one needs to do is to place your focus there and 'feel' this chakra. If you are advanced enough, you will see it on its own. It is a bluish-violet vortex, spinning point down.

I will be putting up an advanced section on the JoS. Responsible to the responsible. Most people want everything 5 minutes ago. This does not apply with meditation, and witchpower. One must work at this through steps. What I will be posting in this new section will be advanced knowledge. I strongly recommend everyone take their time and do not skip any important steps. This knowledge is for those who have been meditating and are at the intermediate or advanced levels. These techniques are nothing to play around with. Opening one too soon can cause problems, as one's mind and body are not yet prepared.

I will also be including the high 'initiating' technique known as the 'Cosmic Cobra Breath.' This technique is one that has been hoarded for centuries, only given to a select few [those with the big money] and said to be 'taught only from a guru orally.' It is one of the fastest ways to raise the kundalini. I have the technique and have been working with it. It does open the mind. It is a bit complex and some other areas of yoga, such as the locks and certain breathing exercises should be mastered before attempting this discipline. I will be writing this in plain, easy to understand English instructions, and posting this to the new section and to the groups very soon when I have it finished. I will also include the specific locks and details to work on before attempting this.

## Psychic Surgery

Like other healing methods and techniques, psychic surgery is also suitable for the Left Hand Path. It's just that so many people just say "New Age" and give up. They have no idea that Satan and the Powers of Hell are able to help scrape the Jeezzus and Mary scum off. Almost ANYTHING that is spiritual can be blessed by Satan through those who have a Guardian Demon who will inspire the Satanist or even let the Satanist channel them.

Psychic surgery is two-sided. For yourself and loved ones and/or clients (if you run a healing and/or spiritual business), you can heal the mind, body, spirit, and soul beyond what a typical kike surgeon can do. The healing arts aren't meant to replace conventional medicine and treatment, but with enough practice, doctors and even other spiritual individuals won't understand how you can do these things or what your secrets are. They will be jealous because right hand path "spiritual" individuals (angelic airheads and toilet paper sniffers) believe that everyone is "equal" and one shouldn't serve but "for the good of all." Once again, that smacks of Christianity and the three-fold shit.

Life is fight and struggle, but during our process of ascension, Satanic healing, including psychic surgery and working on our physical, ethereal, and immortal selves, the climbing up the ladder process isn't as ridiculously strenuous.

Back to psychic healing. If one knows how to astral project and perform some variation of the healing arts already, then that is a big leap forward. If not, you should learn these things, as well as our holographic universe and space-time magick and travel. Sometimes we may want to heal or destroy someone while they're asleep, but one's work hours would only give time to do these things while one's patient or target is awake. From what I'm gathering, we live in parallel universes. When keeping this in mind, one can \*set\* the desired time to perform a healing or a destruction.

Remember- with psychic healing, you can... say, perform brain surgery... or, if you are going to destroy someone, you can rip their brain out of their ear.

The most important thing is to clearly know and understand what you're doing. This takes patience, practice, and persistence, and obviously a very clear and focused intent.

### Hitler's Magical Beliefs

Some people still cling to the false notion that Hitler was a Christian or even an atheist. Hitler was a Satanist and his magical world-view proves it. It's well-known that Hitler's associates were involved in the occult, but what about Hitler himself?

Here is a list of quotes that he annotated from the book that was dedicated to him by Ernst Schertel called Magic: History-Theory-Practice.

\*\*\*\*\*

\*\*\*\*\*

"The concrete human, the concrete people, the concrete gods are thereby eliminated and in their stead the abstract notion of 'humanity' is placed, above which a likewise purely conceptual 'Monotheism' is enthroned. The slogan of 'humanism,' of the general 'humanity,' the universal manhood, derives from this tendency of universalism of a late time, likewise do dreams of a 'solely true world religion' and random 'exhilaration of humanity,' which both once again flourish today."

"Our body represents an accumulation of potential and kinetic world energies and ranges on the way from the line of our ancestors, to the animal, plant, and crystal down to the beginning of all things."

"☐Through our bodies flood the energies of the universe, out of the infinite into the infinite. What we call our 'soul' is the sum of all world energies, all pasts of the world and states of the world☐"

"That we, who are living today, do not really know how to deal with the `sensory world,' that it appears to be empty, dull, even oftentimes annoying, that we perceive our body as a `prison' of our `soul,' that we are consequently at best capable for mystique, and only in the rarest cases capable of magic, is because of the extinguishing of the ability of which all the late times are lacking, and which consists in experiencing the `outer world' as an incarnation of `spiritual' contents. But only he is a magician who is able to inspire things and solidify the soul.

"We call the central focus of the cosmic forces in us our `god' or our `demon.' It describes the punctual projection of the whole dynamic of the universe with all of its abysmal infiniteness in our self, it signifies the deepest sense, the first being and the highest value, created in the center of our consciousness out of the senseless, being-less and value-less chaos of paracosmic forces."

"Every demon-magical world is centered towards the great individuals, from whom basic creative conceptions spring. Every magician is surrounded by a force field of para-cosmic energies, and as already indicated he acts to the highest degree `ektropically' upon the cosmic dynamic. The individuals which are infected by him form a `community of his `people' (Volk) and create a complex of life of a certain imaginative framework which is called `culture.' From that moment on, when these imaginative-magical forces of cohesion run dry, the result is a deteriorating people (Volk) and with them, their culture."

"Satan' is the creative, value-setting and value-increasing principle☐ Satan is the fertilizing, destroying/constructing warrior☐ "He who does not have the demonic seed within himself will never give birth to a magical world." "The mass of today lives only materially, but not with the body, it feels only

intellectually but not with the soul." "Only the magician is therefore able to also learn something from historical symbols, only he is able to interpret life forms which have faded away.

"Satan is the beginning☐ Satan is in everything that lives and appears, he acts in the last tenderest beam of light of the last star☐" "All reality is only Phantoms☐ Our demon is struggling, and he is struggling in pain and hardship. We must suffer with him to share victory with him.

**Sermon - Message from Satan 10/10/09**

Satan wanted me to write this article and to make sure that everyone is aware of this and to post it to the groups as well. I will get to the point. Nearly everyone knows about how the enemy works through infiltration to destroy and corrupt spiritual knowledge. The roots and foundations of True Satanism can be found in Kundalini [SERPENT] Yoga. Unfortunately, many of the teachings have been infested with procedures and teachings that are designed to make damned good and sure anyone who follows them will not have any personal powers. A good example of this is the numerous practitioners of yoga who have been indoctrinated with lies, many namely in India, who own nothing, live in a shelter nothing more than a glorified dog house, cover themselves with ashes from the dead, only wear a 'christ rag' and live a death like existence. Tourists, who visit ashrams and temples, for a few cents given to these pathetic beggars, receive their 'blessings' which is their

giving of their own life force and energies. These poor souls are filled with much spiritual power, but have no idea on how to use it, due to the enemy teachings deliberately misguiding them.

There aren't really any rules in obtaining personal power except for consistent meditations and doing the necessary work to advance one's self spiritually.

Enemy corrupted crap is blatant. It is in most books out there now a days on yoga. This garbage is SICK and has nothing to do with obtaining the godhead. Following these enemy corruptions will only make sure you have no powers and that you are not a threat to their agenda of using occult powers to enslave the world.

The worst is self-mutilation and related practices, which are not only insane but potentially deadly. The only 'SIN' in Satanism is that of STUPIDITY!!

\*\* Cutting the underside of the tongue so that the tongue can reach back up into the pineal gland.

This is not only very dangerous, but totally unnecessary! Fools who have done this can no longer speak normally, nor eat properly. One can obviously choke to death. This is total insanity! Anyone who has meditated consistently and extensively upon his/her pineal gland knows this is totally foolish and unnecessary.

\*\* Swallowing a long cloth/rag.

The above speaks for itself. Like the cutting of the tongue, this is very unnatural and unnecessary, and can be deadly. This is how one is disemboweled.

\*\* Taking in water in the rectum up into the colon

\*\* Washing out the nostrils, or inserting objects into the nose aka 'Neti.'

\*\* Celibacy [sexual abstinence]

This is another one. Human beings are social by nature and have a need to be touched and loved sexually. Orgasm is a necessary release. SEXUAL ABSTINENCE IS EXTREMELY UNHEALTHY! If one is unable to find a suitable partner, it is important that sexual energy in the form of a good orgasm be relieved as needed by one's self. This is personal and individual. Denying one's self sexual orgasm usually leads to not only serious psychological problems, but physical problems as well and contrary to those popular yogic teachings, celibacy actually impedes spiritual progress.

\*\* Another one is diet.

This is an individual choice. A vegetarian diet is not at all necessary in practicing yoga or in developing one's spiritual powers. This is pushed in nearly all texts on yoga and in many other writings. What you eat is your own personal choice. Of course anyone who has a consistent diet of fast and junk food – this leads to ill health eventually, but as for over-eating on occasion, eating spicy foods, meats and so forth, this has absolutely nothing to do with any interfering on your spiritual progress. I speak from my own experience here.

\*\* Ignoring the feet and lower chakras

The lower chakras are essential. If you want to heal yourself, perform black magick, and have decent self-esteem, you MUST have powerful lower chakras. The reasons most popular and readily available yoga texts now a days advise against developing the lower chakras is to see to it you have no personal powers. The feet are also very important, as this is where one pulls in energy to use for rituals and in healing others and much more.

\*\* Ignoring the Siddhis

Any siddhis should be worked on and developed. This is what kundalini yoga and spirituality are all about.

Much of what we have readily available today in the way of spirituality has been hideously corrupted. The public has been deliberately lied to in order to make sure no one advances to where they are a threat to the enemy powers who know the truth and use occult powers to enslave the world.

In closing, there will be much more knowledge forthcoming very soon. Kundalini [Serpent] Yoga, properly done, is the path to the godhead, and is the foundation of True Satanism. The cobra with its hood puffed out, as can be seen in many areas of the world in ancient engravings and such, symbolizes the expanded consciousness of enlightenment once the serpent energy is activated. This manifests as more and more awareness.

## Samhain /Halloween

I am reposting the article below as on the JoS website. Also- like with the Eqinoxes, Samhain/Halloween is an excellent time for astral communications with the Gods and for other workings, as the veils are thin at this time.

\*\*

Samhain

For those of us who are very close to Father Satan, we are all well aware that he is fed up with all of the Judeo/xian claims and statements concerning what our religion is, how we celebrate and worst of all WHAT THEY CLAIM HE IS ALL ABOUT.

SATAN IS NOT A HALLOWEEN MONSTER

SATAN IS NOT A VAMPIRE, SPOOK OR GHOUL

SATAN DOES NOT HAVE RED HORNS AND A TAIL

SATAN IS NOT ABOUT GRAVEYARDS, GRIM REAPERS, SKELETONS OR ABOUT HORROR.

THIS TRASH COMES FROM XIANS. IT IS USED TO BLASPHEME, DENIGRATE AND RIDICULE HIM. THE SAME GOES FOR HIS DEMONS.

For many of us, Halloween is a favorite holiday. I, myself love horror movies and such. The point here is how these have been twisted to portray a false and insulting image of Satan and the Original Gods (Now labeled as "Demons").

Ask yourself how you would feel if people put on hideous masks and went out as either you or a family member of yours or a loved one.

Father Satan should be respected on this date, not mocked by those who believe in and honor whatever xianity dictates he is. How long do you think someone would last going out dressed as the nazarene? Chances are, they would be attacked by some fundie xian.

Or, if Hollywood was to produce a movie depicting the nazarene and his ilk as hideous monsters.

Halloween is a great time for costumes, monsters and ghouls, images of death and such. A time to be creative and indulge. It is one of our major holidays, but the negative images denigrating Father have to go.

He is tired of it and has let the clergy know he does not approve of these insults. For far too long, too many Satanists have gone along with the XIAN ideas of Satan and his Demons; what the XIANS allege them to be and what THEY claim our religion is all about, instead of seeing Satan for WHO HE REALLY IS without all of the xian false and twisted overtones.

#### ABOUT SAMHAIN:

The holiday known as "Halloween" was originally called "Samhain" a Celtic word meaning "Summer's End." In ancient times, religions were based upon nature, where humanity lived in tune with the earth, the change of seasons and the changes in the stars in the sky. This is the essence of Satanism; what is natural.

The major cycles of the year and the crops were important times for festivities, rites and celebrations. Samhain was a time of harvest and the end of a year, a time of preparation; storing crops and preparing for the dead of winter. The eve of November 1st was the eve of the Celtic New Year. This holiday was a time of harvest, a time of endings, death and dying, as plant life died and the cold set in. Samhain was also a time of honoring the dead. The Druids built huge bonfires, which they considered sacred, in honor of the Celtic New Year.

There was a prevailing belief in the existence of a Celtic God of the dead known as 'Samhain'. With extensive research and study accomplished by many scholars, nearly all agree this God was non-existent.

Nearly all of the sources mentioning a diety of death known as "Samhain" are XIAN and they have (as usual) NO legitimate references to back up their claims.

Samhain was celebrated for centuries before the xian takeover of Pagan holidays. To the intruding xian religion, any Gods of the old faith were considered "evil" and therefore especially unwelcome at a time of "danger" for the "soul of any good parishioner." This was why xtians suppressed the deadly rite and replaced it a day later with 'all soul's day.'"

Trick or treating originated in Ireland as beggars went door to door on October 31st, asking for handouts. The gifts were for "Muck Olla" a God who was said to destroy the house of anyone who was not generous. Jack-O-Lanterns also had their origin in Ireland; named for a man named "Jack." The story goes that Jack was a miser and when he died, he was not allowed into heaven and he also played jokes on the Devil, so he was not admitted into Hell either, but was doomed to walk the Earth forever. He only had a little lantern to light his way and this is why he came to be called Jack-O-Lantern. Of course, the spooks, vampires and ghouls were associated with this holiday because of the natural human fear of death and Samhain was a holiday of death.

### **Jewish Edict: Kill Enemy Children [Gentiles]**

Kill Enemy Children: Jewish Edict

By Khalid Amayreh — Desert Peace

Hundreds of children were killed in Israel's war on Gaza earlier this year.

OCCUPIED JERUSALEM – A Jewish rabbi has issued a book giving Jews permission to murder non-Jews, including babies and children, who may pose an actual or potential threat to Jews or Israel. "It is permissible to kill the Righteous among non-Jews even if they are not responsible for the threatening situation," Rabbi Yitzhak Shapiro, who heads the Od Yosef Chai Yeshiva in the Yitzhar settlement in the occupied West Bank, wrote in his book "The King's Torah."

He argues that goyem (a derogatory epithet for non-Jews) may be killed if they threaten Israel.

“If we kill a Gentile who has sinned or has violated one of the seven commandments – because we care about the commandments – there is nothing wrong with the murder.”

Shapiro, who heads a small Talmudic school at the settlement of Yitzhar near Nablus, claims his edict “is fully justified by the Torah and the Talmud.”

The anti-goyem edict seems to come in response to the arrest by Israeli police of a Jewish terrorist who has confessed to having murdered two Palestinian shepherds in the West Bank.

The terrorist, an American-born immigrant named Yaakov Teitel, also confessed to have tried to assassinate leftist Jewish figures.

Police considered the arrest an important achievement in combating Jewish terrorism, which experts contend thrives on religious edicts issued by rabbis affiliated with the religious-Zionist camp.

Nearly 16 years ago, a Jewish terrorist named Yigal Amir assassinated then Israeli Premier Yitzhak Rabin.

Moreover, numerous innocent Palestinians have also been murdered in cold blood by Jewish terrorists.

In 1994, Baruch Goldstein, a notorious Jewish terrorist, murdered 29 Muslim worshipers inside Al-Ibrahimi Mosque in the West Bank town of al-Khalil.

Non-Humans

The controversial edict is backed by numerous rabbis affiliated with the so-called national-religious camp as well as the Talmudic seminary in West Jerusalem, known as Merkaz Ha’rav.

Among the rabbis who have publicly supported the edict are Yitzhak Ginsburg and Ya'akov Yosef.

Ginsburg had written a leaflet glorifying murderer Goldstein and called him a "saintly figure."

Shapiro's views on how Palestinians and non-Jews in general ought to be treated according to Jewish religious law (halacha) are widely looked at as representing the mainstream not the exception in Israel.

During the Israeli onslaught against Gaza earlier this year, Mordechai Elyahu, one of the leading rabbinic figures in Israel, urged the army not to refrain from killing enemy children in order to save the lives of Israeli soldiers.

He had even petitioned the Israeli government to carry out a series of carpet bombing of Palestinian population centers in Gaza.

"If they don't stop after we kill 100, then we must kill a thousand. And if they do not stop after we kill a thousand, then we must kill 10,000. If they still don't stop, we must kill 100,000, even a million. Whatever it takes to stop them."

According to Israel Shahak, author of "Jewish History, Jewish Religion: the Weight of Three Thousand years," the term "human beings" in Jewish law refers solely to Jews.

Many Jewish orthodox rabbis, especially within the national-religious sector, view international conventions incriminating the deliberate killing of civilians and destruction of civilian homes and property as representing "Christian morals" not binding on Jews.

In 2006, the Rabbinic Council of Jewish Settlements in the West Bank urged the army "to ignore Christian morals and exterminate the enemy in the north (Lebanon) and the south (Gaza Strip).

Such manifestly racist and hateful edicts don't raise many eyebrows in Israel, neither among the intelligentsia nor in the society at large.

### **Sermon 11/20/09**

The true meaning of the word "Sacrifice" is self-discipline in working on one's soul, when one would rather be doing something else. Looking deeper into more studies from the Far East and Kundalini [Serpent] Yoga, this is the original meaning of the word. Of course, the jews and their xian ilk have taken this word and twisted it [as they do with everything] into something else, something very ugly, which the jews do themselves [jewish ritual murder of Gentile children] and then blame this human sacrifice crap on Satanists.

Again true "Sacrifice" has been associated with one working on one's soul, through yoga, meditation, and other spiritual practices of the mind. It does take a lot of sacrifice and discipline to work on the soul every day for 20-30 minutes or more.

For far too long, Satan, His Demons and Satanism have been depicted by jewish filth. Nearly everything of western occultism is infested with hebrew garbage. Not only has this been hideously insulting both to our Gods, and us Gentiles, but it has cut us off from our true origins which have been replaced with jewish lies. Everything always has to conform to what the jews claim it is. This is the major reason Satanism has not advanced.

True Satanism is so far removed from western occultism with its depictions of Demons as monsters, the hebrew letters, hebrew kabbalah [which they are now insidiously trying to claim that 'hebrew was the first language' and other outrageous lies] most people would be shocked at the entire truth.

There are books out there which now are claiming that 'all occult knowledge came from the jews.' This is no different from that rotten bible of theirs which claims them as the original religion and other abominable lies.

For Satanism to advance and for our people to connect with our original and true spiritual origins, all of the jewish filth and dross needs to be eradicated completely.

I also found when running across a few websites slandering me and the JoS [run by jews] it is apparent that these individuals will always be jewish first and foremost, not true Satanists. Of course their sections on Demons are usually depicted as monsters [complete with copies from the jewish written grimoires] and conform to the jewish doctrines of intense blasphemy against Satan and our Gods. They also blaspheme and deny the Al Jilwah and other Satanic doctrines, which they cannot and will never understand as it is not in their souls to see the allegories and hidden spiritual meanings.

Jewish infested filth has been the number one problem making Satan, His Demons and Satanism look real bad before the public.

Just what the fuck do we need jewish lies about our Gods for? The true origins of Satanism have nothing whatsoever to do with this shit. It is nothing more than a cancer within Satanism that has been rotting it out from the inside for centuries. Now is the day of enlightenment and education. Along with that worthless hideous piece of trash "holy bible" which has nearly every single page with the word "JEW" "JEWS" "ISRAEL" and their shit bag of fictitious patriarchs, their filthy and utterly worthless jewish nazarene and endless references to the genocide of, and intense denegrations of us Gentiles, they add insult to injury, as everything they claim as their own. All they state to be their own has been stolen and corrupted from the Gentiles, whom they murdered and tortured to death in the millions, with their jew controlled and jew operated christian churches.

It is high time our people rid Satanism of this degenerate filth that is forever conforming to Jewish standards. If certain people cannot do this, then they are no better than Christians, as they believe the same lies as the Christians do.

### **Lag Time, Magick, the Human Soul, & Reincarnation**

Often, when performing a working, there is a lag time. The lag time is the time it takes for the working to manifest on the material plane. The lag time has to do with many factors. One, the power of the mage, two, the power of others involved, if any, in the situation, and three, the power of the interfering factors in the situation. All of this ties in.

For example, in performing a healing, one may not experience any improvement until hours or a day later [in most cases]. Sometimes, there are immediate results, but this is often not the case and oftentimes, many workings must be repeated to have any serious lasting effect.

Even if one is not into witchcraft or deliberate workings with the mind, what is etched upon the soul through taking a serious vow or repeatedly ingrained in the mind, this often carries over into future lifetimes for better or worse.

For many of us, [myself included], just 'looking' at our chakras, we can readily feel them, same goes for our spiritual energy. This reveals the sensitivity of the mind and soul. This is also especially apparent in the area of suggestion.

A prime example here is when one is in love, deeply in love, one usually wants this to last forever, and believes it will be so. There will be no other lover. Orgasm and lovemaking are very intense in opening the soul. Vowing the relationship will be forever and so forth to one's self, this readily imprints upon the

soul. So, what happens? In future lifetimes, this vow, for example will work to ruin ones' love life, relationships and act to sabotage any attempts at a lasting, compatible, satisfying, love relationship. We are not aware of this consciously, but our soul is. It has been programmed. So, one's love life is fated and suffers accordingly.

Another one- money. Few have escaped the intense xian indoctrinations that hold poverty up as a virtue. "Money is the root of all evil" and all that other lying sack of shit garbage they try to force feed Gentiles with. This also includes so-called 'religions' other than xianity that extoll poverty and owning little or nothing as something being desirable. So, again, this crap is imprinted upon the soul, and in most cases if not all, this transfers into future lifetimes of poverty, often repeated over and over.

Then there is health. Again, xian negative and malignant filth working overtime- "one is punished for one's sins" low self-esteem, self deprecation, damnation, you name it. Self hatred is also carried on the soul in future lifetimes. Fated events where one experiences many ugly things and misfortunes can be traced back to past lives and in many cases, what was imprinted upon the soul. Lifetimes of suffering due to ill health.

And lastly, the energies of others can also factor in. How we interacted with others in our past, revenge, hatred or in some cases, love and friendship. This is how we meet with loved ones from past lives and also have fated meetings with enemies or other problems. Energy stays and collects upon the soul. "Keep one's self PURE" has also been hideously corrupted. In truth, the saying originally means- CLEAN YOUR AURA REGULARLY!

Now, how do we handle these engravings and programmings upon our souls and change them to what we want? WE MUST REPETITIVELY REPROGRAM OURSELVES AND OUR SOULS TO WHAT WE CONSCIOUSLY AND INTENTIONALLY DESIRE!

For the bad love life, one must engulf one's self with energy and affirm for example that you are deserving of true sexual love [you have to be specific, as love can be very general] and a happy relationship. You are FREE IN EVERY WAY to attract the love of your life. This must be repeated and INGRAINED in your mind and soul.

As for the money- if you even experience a tinge of guilt regarding money and/or material possessions, you need to work on changing your attitude. Money and material things make life fun and make opportunities available. Work on reprogramming your mind and soul to attract money.

As for low self-esteem, always remember- NO ONE IS PERFECT!

STOP HATING YOURSELF! Reprogram your mind that you accept yourself and that you are a worthwhile person. If you have certain things about yourself that you really hate and cannot stand, then work on these, using your powers, relentlessly until you change them.

Having goals is what makes life meaningful. Make a list of goals [whatever they may be] today and work on each one until it becomes a reality.

Ave Satanas

### **Help with Trance**

Tips for getting into a trance, especially if you are new:

1. If you find getting into a trance extremely difficult, try waiting until you are a bit tired or sleepy and then try. You are in a trance when you can no longer feel your body when perfectly still. You may fall asleep, but if you keep at it, this will get easier each time you work on it. Eventually, you will no longer have to be tired to do this.
2. Breathing- do alternate nostril or yogic deep breathing where you inhale, then hold for a count of six or whatever is comfortable for you, then exhale, then inhale, hold, exhale- 8 - 10 rounds and this should put you in a receptive state for trance.

3. When you finish with a hatha yoga or kundalini yoga session or breathing session, you should always meditate on your energy field which you should keenly feel, especially if you do yoga regularly. This should also put you into a receptive state for trance.

**Knocking out Electrical Equipment, problems with, etc.**

When we reach a certain level of power, our energies can completely destroy anything electrical. Obviously this can be a serious problem.

Computers crashing or worse

Walking under street lights that all of a sudden blow out [the entire block can blow out]

Your car stalls for no reason

Wall outlets blown

Lightbulbs blown along with the sockets

Microwave ovens malfunctioning

and much more.....

The above and more does not always have to happen when we are angry, though anger can definitely bring it on. When one is advanced and has a powerful soul/aura, anger or any other strong emotion will make the aura puff out and you can blatantly feel this.

I know this from my own personal experience.

If you have already reached this level or can feel your aura interacting with electrical appliances and such, you need to seriously program your mind and soul to stop this, otherwise this is not only costly but can be disastrous.

This has to be done daily and I recommend for 40 days to really engrave this upon the mind and soul.

For example Affirm:

"My energy field only affects electrical appliances and equipment when I intentionally will it to do so."

"My energy field does not cause any disturbances or malfunctions in anything electric unless I will it to do so."

Affirm this or something of your own [must be in the present tense] 21 times a day. Say it in your mind with 100% focus and intent.

### **Bishops covered up priests' child abuse**

Experts: Bishops covered up priests' child abuse

DUBLIN – Bishops of the Roman Catholic Church in Dublin covered up decades of child abuse by priests in order to protect the church's reputation, an expert commission reported Thursday after a three-year investigation.

Abuse victims welcomed the commission's report on the Dublin Archdiocese's mishandling of child abuse cases — one of several government investigations into chronic child rape, beatings and other cruelty in Catholic-run schools, children's workhouses and orphanages in 1975-2004.

The government said the investigation "shows clearly that a systemic, calculated perversion of power and trust was visited on helpless and innocent children in the archdiocese."

"The perpetrators must continue to be brought to justice, and the people of Ireland must know that this can never happen again," the government said, also apologizing for the state's failure to hold church authorities accountable to the law.

This is the second major government-ordered report this year exploring how and why Irish authorities permitted widespread abuse of boys and girls at the hands of the Catholic Church throughout most of the 20th century, the gravest scandal in the history of independent Ireland.

The 720-page report — delivered to the government in July but released Thursday — analyzes the cases of 46 priests against whom 320 complaints were filed. The 46 were selected from more than 150 Dublin priests implicated in molesting or raping boys and girls since 1940. Eleven priests convicted of child abuse are named in the report, but 33 are referred to by aliases and two have their names blacked out because they have yet to face justice.

The report rejected past bishops' key claim that they were ignorant of both the scale and criminality of priests' abuse of children, showing that the Dublin Archdiocese negotiated a 1987 insurance policy for future legal costs of defending lawsuits and compensation claims.

At the time, bishops knew of at least 17 priests linked to abuse cases, the report said, and "the taking out of insurance was an act proving knowledge of child sexual abuse as a potential major cost to the archdiocese."

Investigators spent three years poring over 60,000 previously secret Dublin church files. They were handed over by Dublin Archbishop Diarmuid Martin, a veteran Vatican diplomat appointed to Dublin in 2004 with a brief to confront the scandal. Among the files were more than 5,500 that Martin's predecessor, retired Cardinal Desmond Connell, had tried to keep locked in the archbishop's private vault.

The investigators, led by a judge and two lawyers, said that while it was not their job to confirm the scale of abuse cases, they had no doubt the 46 priests abused many more than 320 children.

"One priest admitted to sexually abusing over 100 children, while another accepted that he had abused on a fortnightly basis during the currency of his ministry which lasted for over 25 years," they wrote.

Three Dublin archbishops — John Charles McQuaid (1940-72), Dermot Ryan (1972-84) and Kevin McNamara (1985-87) — did not tell police about clerical abuse cases, instead opting to avoid public scandals by shuttling offenders from parish to parish, the commission found.

It was not until 1995 that then-Archbishop Connell allowed police to see church files on 17 clerical abuse cases kept in a secret, locked vault, though at the time Connell had records of complaints against at least 29 priests, the report says.

Justice Minister Dermot Ahern said the state would renew efforts to prosecute more of the 46 priests in the report, as well as police officers that the investigation found colluded with church authorities to suppress complaints.

Ahern said, however, that the cover-ups reflected "a different era where there was deference by state agencies to the church. I don't think that would happen today."

The investigators lauded a handful of priests and mostly low-ranking police who pursued complaints and prosecutions, almost always unsuccessfully, from the 1960s to the 1980s. Senior police officers "clearly regarded priests as being outside their remit," handing "complaints to the archdiocese instead of investigating them."

"A few (priests) were courageous and brought complaints to the attention of their superiors. The vast majority simply chose to turn a blind eye," the report said.

In May, the government published a report on decades of child abuse in Catholic-run schools, workhouses and orphanages. More than 12,000 victims of rape, beatings and metal abuse have received compensation payments from a government panel exceeding euro800 million (\$1.2 billion).

### The Yule Season

I am posting this article again for new people and to remind everyone-

THE YULE SEASON- AKA 'XMAS' HAS NOTHING TO DO WITH THE NAZARENE, CHRISTIANITY, OR RELATED FILTH.

Xianity STOLE all of this and corrupted it. Some fundamentalist xians such as the jehova's witnesses know that the Yule season is a PAGAN holiday and do not celebrate this, as it is not christian.

The Yule season can be a happy time, full of indulgence, partying, meeting up with family and friends and/or just plain enjoying one's self. The Yule tree is actually a symbol of the human soul, with the lights being the empowered nadis [energy pathways] and the star, the ascended Kundalini. All of this is very ancient in origin. The tree has always symbolized the human soul, with the trunk representing the spine and the branches and leaves, the 144,000 nadis.

Gift giving, decorating the home, Holiday cookies and baking, holiday feasts, Yule music [there is actually more Yule music that has nothing to do with that foul nazarene, than those stupid xmas songs]. My point here is that the Yule season, like everything else was stolen, perverted and corrupted into ugliness by the xians. Pagan traditions are more and more being gradually replaced by that nazarene filth, like everything else, as for everything of truth, the program of lies puts in its place, an imposter.

This has also resulted in a negative mind-set for many regarding the winter holidays. Suicides at this time of the year are at their highest. Everything the enemy has corrupted results in more and more misery for humanity.

We need to take back our holidays! Keep the Pagan traditions going and alive. The nazarene and related unwanted, intruding vermin needs to be eradicated and thoroughly removed from our sacred

traditions. The nazarene is the foul rot that destroys everything of a positive nature, replacing it with hideous ugliness, until it is no more.

## YULE/WINTER SOLSTICE

December 22nd-23rd

Although the Solstice begins on the 21st-22nd of December, the 23rd is a very special Personal Day for Father. The Sun enters the sign of the Goat which represents Satan. The Night of December 22nd- the eve of December 23rd is the Highest Satanic Holy Night of the year. (This was dictated from him personally). It is the day after the longest night of the year. Again we look forward to beginnings, as the days will begin to get longer as the year goes on. This is a time for intense celebration and devotion to Lord Satan. Indulgence, decorating the home, family celebrations and get togethers. The Night of Dec. 22nd should be spent in dedication to Satan. This is an excellent time to focus on planning for the year. If one wishes to make personal resolutions this is a good time to do so.

At the high point of a ritual or offertory for a Black Mass, personal resolutions can be written on paper and burned. Father is always there to help us in having the strength to carry through with our intentions. After the rite, intense celebrating should take place.

The Yule holidays for Satanists are times of indulgence and taking pleasure in the physical and material aspects of life. Actually, xmas trees and wreaths are Pagan in origin, so there is no reason not to celebrate this holiday with our families. Gift giving, baking, decorating. This is what the TRUE Yule season is about, not the filthy nazarene.

Planet: Jupiter \*(Venus)

Metal: Tin \*(Copper)

Element of Fire \*(Earth)

Rank: DUKE

Berith is a Day Demon and governs 26 legions of spirits

"Baal" means "Lord." "Baal-Berith" is "Lord Berith." He foretells the future, discerns the past, and can turn metal into gold

He helps in rising to high places and receiving honors.

He speaks with a very clear and soft voice.

SIGIL

Baal-Bereth is the Father of the Yule season and the Yule (xmas) Tree. "The Christmas tree, now so common among us, was equally common in Pagan Rome and Pagan Egypt. In Egypt that tree was the palm-tree; in Rome it was the fir; the palm-tree denoting the Pagan Messiah, as Baal-Tamar, the fir referring to him as Baal-Berith."<sup>1</sup>

"The Christmas-tree, as has been stated, was generally at Rome a different tree, even the fir; but the very same idea as was implied in the palm-tree was implied in the Christmas-fir; for that covertly symbolised the new-born God as Baal-Berith, "Lord of the Covenant," and thus shadowed forth the perpetuity and everlasting nature of his power, not that after having fallen before his enemies, he had risen triumphant over them all."<sup>2</sup>

In Egypt they worshipped Nimrod as a palm tree, referring to him as the Messiah "Baal-Tamar." Among the most ancient of Baals, he was known as Baal-Bereth, "Lord of the fir-tree." He evolved into Baal-Berith, "Lord of the Covenant." In Ancient Rome, where they also worshiped the fir tree, they called him "Baal-Berith."

The 25th of December, was observed in Rome as the day when the victorious God reappeared on earth, and was held at the Natalis invicti solis, "The birth-day of the unconquered Sun." Now the Yule Log represents the dead stock of Nimrod, known as the Sun-God, but cut down by his enemies; the xmas-

tree represents Nimrod- the slain God reborn. The ancient practice of kissing under the mistletoe bough, most common to the Druids, was derived from Babylon, and was a representation of the Messiah, "The man the branch." The mistletoe was regarded as a divine branch --a branch that came from heaven, and grew upon a tree that sprung out of the earth. Nimrod, the God of nature, was symbolized by a great tree. But having been cut down and killed in his prime, he was now symbolized as a branchless tree stump, called the Yule Log. Then the great serpent came and wrapped itself around Nimrod (the stump). Miraculously, a new tree appeared at the side of the stump, which

symbolized Nimrod's resurrection and victory over death. Here is an illustration of an ancient Ephesian coin:

Baal-Berith was known also as "Lord of the Covenant" and as "The God Berith." He was a popular God and was worshipped in Canaan, Philistia, and Shechem. He was the protector of the covenant between Shechem and some neighbouring Canaanitish towns, which were originally independent, but were at length brought under subjugation by the Hebrews.

" Any Israelites who might be dwelling in Shechem would be simply or protected strangers, and not parties to a covenant. The Temple of Baal-Berith had a treasury from which the citizens made a contribution to Abimelech. It was there that Gaal first came forward as a leader of the rebellion, and within its precinct the inhabitants of the tower of Shechem (the 'acropolis,') found a temporary refuge from Abimelech at the close of the revolt."<sup>3</sup>

"Baal-Berith was also known as "God of the Community."

Below are photographs of the ancient remains of Baal-Berith's Temple:

The remains of Temple of Baal-Berith are a round-ended, land-filled platform on which a massive temple once stood. Dated to the 13th/12th century BCE, it measured 86 feet long and 78 feet wide and its walls were around 19 feet thick. "Archaeologists believe that it was a two-story building.

It had one entrance to the east, in the middle of which was a column to support a roof, and on each side of the entrance was a massive tower. The eastern tower included a stairway that might have led to the second floor. Inside the main hall were two rows of columns. On the semi-circular platform in front of the temple, part of a sacred pillar or standing stone was found (seen on the right side of the above photo), Archaeologists believe it marked the temple entrance."

### **The REAL Concentration Camps- All Run by Jews**

Satan mentioned to me some time ago about how horribly the Russian people have suffered at the hands of the jews. The following is an account of the REAL concentration camps. All were run by Jews. This book was published in 1937, long before the accusations of that phony 'holocaust.' These are the victims few ever hear about:

<http://gbLt.webs.com/SlaveLaborInSovietRussia.pdf>

And don't let them fool you- the small numbers of Christian preachers they put in those camps is just for show. Christianity is the last stepping off point to Jewish communism. When the Jews have full control, it has done its job and is not longer needed.

### **Enlightenment**

So many texts, writings, and the media out there endlessly focus on 'enlightenment,' yet the majority of authors cannot state what it is. There is so much theory out there, but little real experience.

Enlightenment is knocking down walls and barriers within the mind and soul.

Enlightenment IS:

\* Being able to recall and access past life skills and knowledge.

\* Using much more than the standard five senses. The so-called 'sixth sense' becomes a daily part of our lives and is something we use like all of our other senses- sensing things before they happen, drastically increased telepathy, being able to read others' minds, communicate telepathically with animals, sense and feel the emotions and feelings of others [something that needs to be blocked out at will for obvious reasons], drastically increased sensing of energy in certain places, the environment, etc.

\* Drastically increased awareness. With enlightenment, we are much more aware of everything. Things that go unnoticed by most people and what we failed to notice before, we are now aware of and can see much more clearly.

\* Creative Genius comes with higher levels of enlightenment, Along with an increase in intelligence, abilities, and understanding.

\* With true enlightenment, an entire new world opens up.

What enlightenment IS NOT:

Enlightenment is NOT conforming to bullshit doctrines, ways of life, or special belief systems.

## Astral Communications Sermon - 12/16/09

Astral communication is something that takes experience. This also goes for working with a Ouija board. Some messages we believe we receive from spirits or Demons can be our own mind. I also know from years of experience [I have had Demons in my life every day for the past 10 years]; you develop a feel for what is real and what is not in the way of astral communication.

I also know that sometimes words or messages can get messed up on the astral. The more open you are and the more experience you have, this is lessened, but still can happen. People who are impressionable, keep working a Ouija board or pendulum over and over and keep tying into astral communications can get some real 'off' messages.

Astral communications come down through the thought processes of the brain. These have to be separated. This comes with experience. As I mentioned before, some of what we might think is a Demon, at times this can be our own mind. There can also be other influences, especially when working with a Ouija board. I have found a Ouija board to be much like the Tarot. If one keeps asking questions for a long time, with the Tarot, the cards stop making sense, the Ouija board is often the same.

When communicating with Satan and/or his Demons, you will find true wisdom in what they have to say, which is usually serious and with much meaning. Anything unimportant or sounding like nonsense is definitely not from Satan or his Demons. Crazy sounding messages need to be disregarded. Many times, you will also see or experience certain things in the non-astral material world that go with the messages you receive on the astral.

In 2004, Satan spoke to me on the night of the 30, April. This is the Satanic New Year when the astral communications are much more clear than usual. Satan told me emphatically "Don't hold anything back." This was after he spoke about spiritual warfare and the enemy [Jews]. I took this to be in the way of spellworking and occult knowledge- to make public everything I knew. He meant regarding the enemy. I found this out a bit later after a small group of mine was hacked where we were discussing the enemy and then it was out all over the internet. After this happened, I got the picture. This was a milestone year for the JoS in making knowledge available concerning the enemy, which is very important to our cause.

Especially for people who are new, remember, much of the time, power meditation is needed to open your soul to hear and see Demons. Communications should be done a little at a time. Don't overdo Ouija boards, pendulums, Tarot cards or anything else. When a Demon/ess does visit you, the conversation normally does not go on and on and on. When this happens, it is often our own minds.

Another one is when we keep hearing what we want to hear. Many times when we are having problems, Demons will come to us and reassure us. I have had this happen a lot. But, when we keep getting messages that are exactly what we want to hear- be aware- this can be our own mind again.

I do know that Satan and his Demons do not tell us negative prophesies, such as something bad to happen in our lives. This is definitely of the enemy and these sorts of things need to be tuned out. In some cases, it can also be our own minds. If you do get repeated bad dreams or messages, work on this with an aura of protection and/or working to correct the problem/s before it happens.

The enemy has a long track record [namely greys and enemy Nordics who pose as the virgin bitch and other Christian asshole entities] for negative prophesy. Even innocent children who were subjected to encountering this scum, like at Fatima, were not spared. One died and the sadistic human hating entity told the children of the death to their face before it happened. Angels are notorious for this sort of thing, like telling a pregnant woman she is going to have a miscarriage or dead baby, for example. This cowardly scum has a history of preying upon children.

Another experience I had was back a couple of years ago, Tulsa had an ice storm. This was real bad and we were without any power for close to two weeks. Satan saw this coming and he did not tell me it would happen, but set me up so I had hot meals every day and he told me I would be ok. I got through ok and was grateful for the good hot meals, and things I really needed. The over-all experience was not at all pleasant, as it was so cold, we could see our breath inside our house, there was no TV, no music, no PC, no internet- nothing. My point here is that Satan focused on the positive side with me and saw to it I had what I needed to get through the ordeal.

In closing, personal relationships with Demons, like incubi and succubi, these are a bit different in the way where communications can last hours sometimes, but again, this is experience.

In astral communications, one needs to just relax and not take anything dead serious, especially if it doesn't make too much sense. In order to access the right side of the brain, which is the intuitive female aspect of the soul, you need to relax. Just chill out and take things as they come. In time, with

meditation and experience, you will know the difference from your own thoughts and real astral communications.

Any contact with any negative entities should be terminated immediately. The more one focuses on something, especially if one is impressionable and emotions factor in, the entity then feeds off of this and grows stronger. Just turn it off like a radio and focus on something else. This is where void meditation comes in handy, as it gives the ability to turn off unwanted thoughts and such at will.

**Re: Astral Communications Sermon - 12/16/09**

Something I forgot to add here in regards to:

When a Demon/ess does visit you, the conversation normally does not go on and on and on. When this happens, it is often our own minds.

Sometimes, after a real visit from Satan or a Demon/ess, after they have left, our minds for whatever reason will keep the conversation going. It then often turns to nonsense. With experience we get a feel for these things and know when our friends have left. Much is not known about the mind due to centuries of Christian attacks against and violent suppression of science and spirituality. Experience is the key.
