www.smartpots.com

*manufacturer, supplier - goods*

High Caliper Growing is the manufacturer of the best fabric aeration containers available. Air-root pruning prevents root circling, and the increased air flow delivers oxygen to the root mass and dissipates heat. The Smart Pot, the Big Bag Bed family of raised beds, the Wall Flower hanging planter, Compost Sak, and the Pond Pots all utilize the patented geo-textile to produce the healthiest roots for both experienced professionals and the home gardener. Proudly Made in Oklahoma!

Ran Pro Farms is located 1 mile north of Highway 64 on CR 1149, just off FM724. In business since 1980 with 153 acres in production, we specialize in superior container grown shade, ornamental, fruit and citrus trees, custom grown roses, ornamental grasses and crape myrtles for independent nurseries, landscapers, wholesalers and re-wholesalers. We contract grow liners for wholesale growers in a variety of sizes from 72, 50, 38 and 32 count trays to #3 standard and Rootmaker containers. Call our professionals for a complete list of the plants we grow in #1, #2, #3, #5 and #30 size containers. Hours are M-F 7:30-4:00.
