

15 August, 2016

Dear Friend

Thank you for your interest in a volunteer role on the new Steering Group of WASPI (Women Against State Pension Inequality).

We have prepared role descriptions and person specifications for all the positions that we feel are needed to take the campaign forward on the road to justice.

The role descriptions and person specifications are detailed – and we do not necessarily expect you to have all of the attributes we are looking for. If you feel that you are capable of fulfilling the majority of the requirements, we will be delighted to receive your application.

We, of course, abide by equal opportunities legislation and we therefore welcome applications from anyone - irrespective of gender, gender reassignment, race, age, marital status, disability, sexual orientation, religious background, pregnancy.

We would like the very first and brand-new WASPI Steering Group to be formed as soon as possible. We are all volunteers and it will be an exciting new development for WASPI. Would you like to be part of it?

The closing date for applications is: Friday, 2 September.

We expect to start arranging discussions with shortlisted applicants w/b 12 September.

If you have not heard from us by 12 September you will, regrettably, not have made the shortlist on this occasion. We apologise that we are unable to notify you personally, but as we are all volunteers we have many different demands on our time. We hope you will understand.

May we ask you to pass details of our Steering Group roles to others who may be interested also?

With kind regards

Mieke

On behalf of WASPI Interim Working Group
