

## OVA High Performance Invitees

Three athletes from the Mountain Volleyball Club 17U team have been invited to attend the OVA High Performance Centre (HPC) in July.

MVC 17U team athletes Natasha Desjardins, Kate Keeting and Brenna Peacock are amongst the final 36 athletes in training at the HPC and in trials for Team Ontario 17U at Brock University from July 4th - 8th. Team Ontario 17U will train until July 18th in preparation for the U.S. High Performance Tournament which runs until July 24th in Fort Lauderdale, Florida.

The OVA ran a province wide players' identification process to select the players who will participate in the High Performance Centre. Team Ontario coaches evaluated more than 500 players over 20 tournaments and 4 weekends of Ontario Championships.
