10 Useful Tips to Make New Friends

By: Celestine Chua @ Personal Excellence

If you are looking to make new friends you have to get clear on what kind of friends you want to make. Broadly speaking there are 3 types of friends.

1. "Hi-Bye" friends (acquaintances)
2. Regular friends
3. True, soul friends (best friends)

Most of us are looking to make regular friends and if possible, true, soul friends. Most of us have a ration around 60-30-10%

- 1) Realize your fear is in your head.
- 2) Start small with people you know.
- 3) Get yourself out there.
- 4) Take the first Step
- 5) Be open.
- 6) Get to know the person
- 7) Connect with genuinity
- 8) Be Yourself
- 9) Be there for them
- 10) Make the effort to stay in touch

Precious Little One

I'm just a precious little one
Who didn't make it there.
I went straight to be with Jesus,
But I'm waiting for you here.
Many dwelling here where I live,
Waited years to enter in.
Struggled through a world of sor-
row
A world marred with pain and sin.
Thank you for the life you gave me,
It was brief but don't complain.
I have all Heaven's Glory,
Suffered none of Earth's great pain.
Thank you for the name you gave me.
I'd have loved to bring it fame.
But if I'd lingered in Earth's shadows,
I would have suffered just the same.
So sweet family don't you sorrow.
Wipe those tears and chase the gloom.
I went straight to Jesus' arms
From my loving Mother's womb.
