Collaborate beyond the boundaries of an enterprise

Amr Fouad

Let's make things better!

Collaboration always coupled with....

A black and white photograph of a man with dark, spiky hair and thick-rimmed glasses. He has a thoughtful expression, with his eyes looking slightly upwards and to the right. The background is a dark grey with a pattern of white question marks of various sizes, some appearing to be drawn with chalk. A green horizontal bar is at the top, and a green rectangular box is on the right side.
