

Michele Suso graduated with a Bachelor's degree in Liberal Studies from California State University Monterey Bay and most recently graduated from Nova South Eastern with a Master's Degree Teaching and Learning with an emphasis in STEM (Science Technology Engineering and Math). After teaching for 4 years in California she moved to NY and taught there for 2 years until she landed in Florida where she has been for the last 13 years.

Coach Suso is a 6-8 STEAM and K-5 Science lab teacher at Aventura City of Excellence where she has worked for the past 12 years. Beyond her classroom duties, Coach Suso has coached intramural Girls Basketball and Volleyball, as well as Varsity Girls Basketball, Volleyball and Soccer. She is proud to be the coach who brought home the first IAL League Girls Soccer Championship banner for the girls at ACES.

Coach Suso grew up playing many sports, learning the philosophy that nothing is more important than hard work, dedication and a positive attitude. As a young girl she played in recreation Soccer, Softball and Basketball until she went away to college where she played Softball for her school team. When she moved to Florida she became involved in adult soccer leagues in both Weston and Plantation. She currently plays on teams with Plantation Women's Soccer League and is a manager of one of her teams, the Dirty South Strikers.

When Coach Suso is not teaching, coaching or playing soccer, she enjoys traveling. She always sees the best in every child and is excited to take on being a role model to the girls of Aventura.
