CURRENT POSITION

UNIVERSITY OF NEVADA, Reno, Nevada

Dean and Distinguished International Professor

College of Business August 2007-present

The University of Nevada is a Carnegie classified Doctoral/Research Extensive and Land Grant University. Founded in 1874 the university has a 2016 enrollment of approximately 21,500 students in twelve colleges and schools. One of the country's largest study abroad programs is housed on campus. (University Studies Abroad Consortium) The College of Business is AACSB accredited in Business and Accounting. The University of Nevada, College of Business accomplishments and my activities have included:

Leadership and Administration. Responsible for leading, coordinating and facilitating internal and external activities of the University of Nevada, College of Business while working with approximately 110 faculty, staff and professional personnel and 3300 students at the undergraduate and graduate levels. Degree programs in multiple undergraduate disciplines; MBA and specialized MS programs and PhD program in Economics.

Western Association of Collegiate Schools of Business. President in 2012. Member 2007-2016. Organization includes deans from accredited business schools in the Western United States. States represented include Alaska, Arizona, California, Hawaii, Idaho, Nevada, Oregon, Utah, and Washington. Program chair and presided over 2012 annual meeting. 2013 Panel member, New Paradigms in Business Education; 2011 Panel Chair, Financial Strategies.

Corporate Partners Program. Created a program in 2008 with current membership of twenty major businesses including the following: Arvato Bertelsmann, Microsoft, Intuit, Wells Fargo, Barrick Gold Corporation, Caesar's Entertainment, Server Technology, Sierra Nevada Corporation and others. Companies make annual donation to support College activities, including student outreach; internship programs, career placement and extracurricular activities such as annual Honors and Awards Banquet and Business Week event.

National Rankings. College recognized by Bloomberg BusinessWeek with 2013 #24, 2011 #4, 2009 #21, and 2007 #17 ranked part-time MBA program in the United States. 2008- 2014 "Princeton Review Best Business Schools" "US News and World Report, 2012, 2013 Best Undergraduate Business Programs." Implemented Online-Executive MBA program recognized by US News and World Report in January 2013 and ranked #29 in United States in 2015; ranked #4 by BusinessMBA.org.

Collaboration with Colleges of Science and Engineering and School of Journalism. Worked to develop curriculum around entrepreneurship and the MBA program. Results allow students from other colleges to create programs that allow for development of business skills following or during completion of degree in their undergraduate major discipline. Degrees include BS in Science disciplines/MBA and BS in Engineering/MBA. University wide entrepreneurship minor. Member of University Renewable Energy Center Administrative Board.

Hispanic Community Engagement, "Imagine 2020." 2007-2013 Created and secured funding for program for engagement of the Nevada Hispanic community including student recruiting initiatives directed at K-12 Nevada Hispanic students and development of a Mexico international university partner program. (Instituto Tecnológico y de Estudios Superiores de Monterrey, Chihuahua campus) Partnered faculty with program to foster instruction, research and outreach activities with the Nevada Hispanic community. Hired director for the program. Program sponsors Spanish radio business talk show and outreach programs in Las Vegas, Nevada. Includes Small Business Administration funding and corporate support from AT&T and Wells Fargo.

International Exchanges and Business. Created initiative in the College of Business with college partnerships in countries including China, Mexico, Poland and Germany. Outcomes included visiting students and scholars from Fudan University, Shanghai, China and continuing engagement with Lanzhou University, School of Management in Lanzhou, China and the Chihuahua campus of Monterrey Tech University in Mexico. Coordinated creation of international study programs in London, Toronto and Macau as well as travel study program in New York. 2017 programs to include Singapore and Australia. Summer in London program with housing at University of London is in partnership with Lee School of Business at UNLV. Member Strategic Advisory Committee, School of Management, Lanzhou University, Lanzhou, China.

Enrollment Initiatives. Leadership of College of Business activity as part of university initiative in 2007/2008 with College SCH enrollment increases of 17% graduate and 6.4% undergraduate in first year. Two year enrollment increase from 2011 to 2012 for entire College of Business of 17%. Enrollment increases correspond with approximately 17% budget decrease during applicable times and most of the major publications rankings and recognitions of College academic programs. College of Business freshman retention rate of 2014 86% to 2016 85%.

Research Initiatives. Created and funded Dean's Research Professorships in the College of Business that recognize and reward long term sustained high research productivity by College of Business faculty. Created and funded Dean's Research awards of \$4,000 for publication in top journals in each business academic discipline. Expanded summer research support for junior faculty to include payment of monthly salary. Increased conference and research support funds for all untenured, tenure track faculty. Fund raising for new named endowed professorships that includes five positions currently endowed or pledged as part of future estate gifts with total of over \$4,000,000 in value. Fund raising is on-going.

Administrative oversight of College of Business Sponsored Research programs. Average total awards of approximately \$4,000,000 per year over the last three years. Awards to individual faculty and college departments and offices from state, federal agencies including: Small Business Administration; Department of Agriculture; Department of Energy; Department of the Interior; Department of Transportation and the Environmental Protection Agency.

Curriculum Directed process for creation of On-line Executive MBA Program as a non-state funded academic program. Facilitated creation of undergraduate Bachelor of Science in General Business degree. Merged PhD in Economics program from collaboration with the College of Agriculture into exclusive College of Business academic program. Formed exploratory committee to investigate creation of PhD in Business Administration with work ongoing. Worked with faculty to modify undergraduate degree program requirements to align with University and Regent's policy and expectations.

Student Success. Directed enhanced student engagement with creation of new student organizations, Business Student Council, a College-wide annual Honors and Awards Banquet and a Business Week event that includes industry speakers, student engagement opportunities and social events. Fund raising for remodeling of space in business building to create the E.L. Cord Student Success Center. Created new Student Outreach Center with space and staff to facilitate student internships, projects and career placement.

Entrepreneurship. Developed college initiatives related to entrepreneurship including a university wide academic minor and certificate, an entrepreneurship club and other activities. Secured external funding for professorships, operating costs and student awards. Development activities include approximately \$8,000,000 raised for named center, professorships, operating costs, additional \$3,000,000 private investment fund for student led ventures, etc. and are on-going. Additional funds donated to renovate College space and technology to create "maker space" and design studio for students, faculty and staff.

Nevada Small Business Development Center, State-wide Program, Program of the United States Small Business Administration. Administrative responsibilities for approximately thirty employees in the Nevada Business Environmental Program, Center for Regional Studies, Bureau of Business and Economic Research, and Nevada State Demographer's Office. Contracted with City of Las Vegas to provide business startup and incubator service to the city in Business Success Center a collaborative effort including the Las Vegas Urban Chamber.

Desert Farming Initiative Collaboration between the College of Business and the College of Agriculture, Biotechnology, and Natural Resources at the University of Nevada. The HDFI works towards three goals: Develop, implement and provide resources for an educational program in sustainable farming systems for high desert climates; Provide opportunities for research and hands-on educational experience to faculty, students and community; Demonstrate working agricultural systems that address the challenges of sustainability for the agricultural community.

College of Business Maintenance of Accreditation by AACSB (Association to Advance Collegiate Schools of Business) including comprehensive strategic planning, enhancement of learning outcomes and assessment procedures, established new standards for faculty qualifications, etc. Led 2009 and 2014 University of Nevada maintenance of accreditation in business and accounting.

Facilitated creation and modification of PhD program in Economics. Collaboration in economics with faculty from Business and College of Agriculture, Biotechnology and Natural Resources. Program assigned to College of Business, Economics in 2010. Current enrollment approximately 25 students.

Differential Tuition. Guided adoption of new Regent's policy allowing for differential fees on high demand and/or high cost programs. Currently applied to graduate business courses. Revenue generated used to enhance graduate programs with new faculty in management, partial funding of two positions in accounting, creation of new position of Corporate Relations to foster career services for graduate students; acquisition of new software (Wharton Research Data Systems, Qualtrics, etc.) and data bases to support faculty and graduate student research.

University of Nevada Task Force for Economic Development and Community Engagement. Created concept and directed implementation of organization for business and economic engagement entitled "Business Services Group." Regular meetings with University President and other university administrative leaders to plan University economic engagement activities.

Dean and Provost Search Committees. Worked as chair or committee member to facilitate hiring for Dean of Engineering, Dean of Journalism and University Provost.

ACCREDITATION ACTIVITIES
