This morning, Lord, we pause to give you thanks that in every generation You raise among us Leaders – men and women of vast knowledge and great ability.

We pray especially for Lieutenant Commander Klein. Grant him the grace to lead with Wisdom, Compassion and Justice, to command with integrity and clarity of vision. Grant him the gift of patience to usher those he will lead into the future.

May we, who follow, follow with joy, be instilled with greater confidence, and dignity in performing our duties, be inspired to pursue training and tasks entrusted to us with passion, diligence and dedication, as we join together to serve one another, our beloved nation and our world.

Bless all the men and women of Fleet Diving Unit Pacific, whether at sea or ashore and bless our families and those whom we love that our work together may be pleasing in your sight.

O God in Heaven, hear our plea for Divers beneath the sea. While in the ocean's dark embrace keep up with Thy Grace, hear us Lord, O Thou who saves, Thy servants beneath the waves. We make these requests to you, O God, trusting that you hear and answer us.

Amen!
