Dear Mr. Rolfe,

On behalf of The Naval Museum of Alberta Society I would like to thank you for your donation of back copies of the DIPPERS DIGEST in 2010. Your contribution makes it possible for us to preserve Canada's Naval heritage for future generations.

The Naval Museum of Alberta has completed its integration with The Military Museums. The new museum actually consists of seven separate navy, army, and air force museums, an art gallery and a University of Calgary military library. The museum features a number of new and exciting exhibits, such as: Canada's Submarine Service, The Battle of the Atlantic and Convoy's Exhibit, a Canadian Pacific Exhibit, a mess deck diorama, a replica ship's bridge and wheelhouse, a U-boat captain, asdic and chartroom dioramas, and interactive displays.

The Military Museums is located at 4520 Crowchild Trail S.W. T2T 5J4. The museum is open 9:00-5:00 Monday to Friday and 9:30-4:00 on weekends. Please phone the information line at: (403) 974-2850 or visit www.themilitarymuseums.ca to get current information.

The Naval Museum of Alberta Society continues to be located at the old museum site on the grounds of HMCS Tecumseh. The old museum is now being used as a restoration workshop and for storage of artefacts.

Thank you once again for your donation.

Yours Aye,

Murray Bialek
Executive Director
