Riders must be able to walk/trot and at least be learning to canter. Team participation is NOT mandatory.

Each session is limited to 12 campers. Camps are filled first come, first serve with deposit & application. Applications can be found online at skibbereenfarm.com. If you need to know availability of a certain date of camp, please call the barn at 648-1908.

Who's Summer Camp for?

Skibbereen Summer Camp is designed for boys and girls ages 5 - 12 who want to experience riding at all levels. Each camp will feature activities for riders who are new to horseback riding and offer challenges to more experienced riders. With only 12 riders at each camp, each camper is given more one-on-one instruction time.

What should I bring to camp?

Camp sessions run from 9 am - 1 pm Tuesday through Friday. Campers will eat lunch together outside (weather permitting). Each camper should bring a bagged lunch and drink.

Campers should dress for the weather, but need to wear long pants, boots or heeled shoes and a helmet. If you don't have a helmet, the barn has helmets your camper can borrow. Everyone inside the barn, or around the horses must always wear a helmet.

What if it rains?

Skibbereen Summer camp is an all-weather camp. Camp is still held if it rains. Skibbereen has an indoor arena for horseback riding, should the weather not cooperate on any given day of camp.

Can I stay & watch my rider?

Parents are welcome to watch their camper. However, camp is not designed for constant interaction with spectators. Please be sure to come on FRIDAY to see your camper in action!

What if I have more questions?

If you have more questions, please call the barn and speak with Molly or Chrissie at 648-1908.

To expand on the weekly lessons, our summer riding camps expose students to the day to day care of the horses.

Skibbereen Farms strives to teach that there is more to riding than the time spent in the saddle. It is our hope that by learning the skills necessary to care for horses, students will develop traits such as patience, love and understanding, while enjoying the outdoors and making friends.
