2019 SUMMER CAMP

This year Skibbereen Farm is offering seven sessions. Each session will feature activities for riders at beginner and intermediate levels. The fee for one session is \$275. Additional sessions can be reserved at \$225 each. Camp sessions run Tuesday - Friday 9 am until 1 pm for kids five years of age and older. In addition to group riding instruction, the program will also feature classes on safety, grooming, tack and equipment, breeds, colors, health care and management of horses. **NOTE: IEA Prep Camp Jul 23-26 is for riders who would like an introduction to Skibbereen's Interscholastic Riding Team. Riders must be able to walk/trot and at least be learning to canter.** Team participation is NOT mandatory. Current team members and those with potential team interest would benefit from the riding lessons and horsemanship skills at camp.
