

Camp Powell 2019

Hello Campers and Parents!

We want your son/daughter to have a wonderful time with us up at camp. The following are a few essentials that they'll need to pack. The drive up is a quick one (less than 2 hrs depending on traffic). Since we are leaving around the lunch hour we advise everyone to either eat lunch or bring a sack lunch with them. We won't be eating until dinner at the camp and we are not planning on stopping.

Things to bring: Flashlight, labeled reusable water bottle, sleeping bag & pillow, clothes for each day (shorts and shirts - usually warm during the day), towel for showering, towel for pool, toiletries, jacket/ sweatshirt and pants (can be chilly in morning or evening), tennis or hiking shoes, socks, sandals, shower shoes, modest swim suit, pajamas, undergarments, bug repellent, SUNSCREEN, hat. Please label everything.

Camp Powell is geared towards 2nd-8th graders with high school and young adults serving as counselors. Some of the activities we have are paintball, archery, volleyball, swimming pool, hiking, crafts, ultimate frisbee and woodworking. We start each day with mass and end with fun games, campfire and late-night games (for Jr. high only).

We also take all Jr. high, high school and young adults to a family fun center in Victorville (30 min away) on Thursday evening for a few hours after dinner. All chaperoned and driven by adults.

Please meet us at St Agnes Parking Lot at 11am June 24th. We will check you in and load up the vehicles. We will arrive home on the 28th around 230pm. Your child will be able to call you with an exact time once we get into the City limits for a more exact time. We are looking forward to an amazing camp!
