

Hello Families,

We are excited to have your middle schooler for the “Mission Impossible” Youth Day to be held at Cathedral Catholic High School on March 2nd. It is going to be an AMAZING day (think World Youth Day but on a city wide scale and without the Pope, but we do have our Bishop!). I am looking forward to this day of fun and faith with our group and the rest of the middle schools of San Diego 🙌. The event is at Cathedral Catholic High School from 12-6pm. There will be a snack bar and vendors for shopping so feel free to send your child with snack money.

Registration for the event is available on our website at www.gatheringministry.com and the cost is \$25.00. We do have scholarships available and friends are definitely welcomed. The more the merrier!

All students will be responsible for their own rides to & from the event. I will be at the front of the school for drop off between 11:30 & 11:50 am and in front of the school again for pickup between 6:10 & 6:30 pm. Please message or call me with any questions or concerns at all! If you are running late, the security guards at the front gate will direct you to the area hosting the event and we'll meet up inside.
