

## Retreat Info for Camp Oakbridge March 2-4 - 2018

Dear Parents,

Thank you for sending your child with The Gathering to attend our retreat. Oakbridge is one of the most amazing camps in all of Southern California. The kids will have servers at meals, there is an Olympic sized pool, Water slide, Tennis, Basketball, and Volleyball courts. There is a huge game room and even a real store complete with ice cream and snack bar. We will be leaving from the Mission Bay Info Center (I-5 & Clairemont Dr), We will be driving them up in cars and if we need extra drivers let us know if you can help..

Below you will find information to help make everything go as smoothly as possible. What goes on: Retreat, by its very nature, is to get away from it all. Leave home, homework, TV, Computers, Cell Phones, FB, Texting, Sports, and the like behind. Our goals are to increase their faith, deal negative issues they are being confronted with, and create new friendships to help them in their faith walk. The cost is \$175.00.

We stop on the way up for dinner (Rubios/PickUpStix etc). Please send your teen with money for dinner as well as for the camp store which sells ice cream and snacks.
