

Steubenville San Diego
August 26-28, 2019 USD
Info & Pack Letter

Hello Families,

We are soon to depart on an amazing weekend that we've been planning since January. Please keep us in prayer all weekend, as your teen will be experiencing the Catholic faith in a dynamic and powerful way. To facilitate the experience, please be sure to read this letter carefully and plan accordingly.

Leaving: We will depart from Saint Charles' parking lot. (2802 Cadiz St) at 1:00pm on Friday July 26th. Please come at least 15 minutes early to drop off. Teens will be transported in cars by our Core Volunteers. If, for any reason, you can't make the 1pm time you will have to transport your teen up to USD and arrange a meeting place with us. The conference starts at 5:30pm

Returning: The conference ends at 1:30pm on Sunday, July 28th. We will be back at the St Charles around 2pm and you will pick up your child there. As we leave USD your child will be able to text you for a more exact ETA.

About the Conference: Steubenville started on Campus at The Franciscan University of Steubenville, Ohio. Since the early 80's it has spread across the country for regional conferences that focus in on dynamic Catholic faith. USD will host over 5,000 youth and nationally there will be over 40,000 teens attending a weekend conference this summer. San Diego will have plenty of trained medical staff as well as security on campus. We expect it to be a very peaceful and grace filled weekend.
