## HOW TO DEVELOP A VIBRANT PRAYER LIFE

### PRAISE

Give God glory for who He is.  
Praise Him! Start your prayers with  
praise!

*"Praise the LORD! Praise the LORD,  
O my soul! While I live I will praise the LORD!"  
Psalm 146:1-2*

### REPENT

Ask for forgiveness and for the  
strength to repent from your ways.

*"Blot out my transgressions. Wash me thoroughly  
from my iniquity, And cleanse me from my sin."  
Psalm 51:1-2*

### ASK

What has the Lord put on your heart?  
Ask Him, and let the peace of God  
guard your heart & mind.

*"Be anxious for nothing, but in everything by  
prayer and supplication, with thanksgiving, let  
your requests be made known to God;"*

### YIELD

Give your prayers to God to answer  
in His way and in His time. Yield to  
His will, and then yield to and listen  
for His voice.

*Wait on the LORD; Be of good courage, And He  
shall strengthen your heart."  
Psalm 51:1-2*

*Dear Friends,*

Sometimes when I ask for a volunteer to lead us in prayer, I can see fear in the eyes of those gathered. I know for certain that is the last thing God wants to see in any of us when it comes time to pray. Sometimes people ask me how to pray and I know that they would feel more comfortable if they believed there was a specific way to do it. Personally, I believe that every prayer is perfect, and I bet God feels the same way too.

However, some of us just feel better if we know have a rule to follow or an outline that guides us. I understand. I am also one of those people. So, let me offer you some prayer specifics with the hope that you will become more comfortable and confident in your own prayer life. Today's front page has a wonderful strategy for remembering the key elements for prayer. Below are some additional suggestions I have found along the way on my own journey of prayer. I hope they will be useful to you.

## **1. SIMPLY TALK TO JESUS.**

Do you talk to yourself throughout the day quietly in your head? You may be thinking about a conversation, or you may be remembering something that happened to you. We all talk to ourselves throughout the day, don't we? If I am in a conversation with someone, I am asking the Lord how to respond. If a conflict arises, I am talking to Jesus about how to handle that situation at that moment. I remind myself that the chatter in my head is actually a need for prayer and so I simply turn those thoughts heavenward and envision them floating upward.

## **2. PRAY OUT LOUD BY PRAYING THE SCRIPTURES.**

When I am just at a loss of words, and thoughts and situations are crowding my head and I'm feeling overwhelmed. I open my Bible to favorite scriptures or the Book of Psalms. Sometimes I even just use that old trick of randomly opening the Bible to see where the scriptures lead me. As I read the scriptures, usually out loud, my situation becomes clear again. I feel at peace knowing that I have prayed

## **3. WRITE OUT YOUR PRAYERS.**

I love to journal. I love to write. If you are like me, and you love to write and journal, then write out your prayers. Start a journal, use your favorite pen. If you don't know where to start, use the acronym on the front page to guide you. Start with just one sentence for each letter. Keep it simple. After I write out my prayer for the day, I read it out loud and just give thanks to the Lord for hearing my voice and answering in His way and in His time.

*Love and Blessings,*

# HOMELESSNESS

4

WE LIE IN OUR BEDS IN THE DARK. There is a picture of the children on the bureau. A patch of moonlight catches our clothes thrown over the back of a chair. We can hear the faint rumble of the furnace in the cellar. We are surrounded by the reassurance of the familiar. When the weather is bad, we have shelter. When things are bad in our lives, we have a place where we can retreat to lick our wounds while tens of thousands of people, many of them children, wander the dark streets in search of some corner to lie down in out of the wind.

Yet we are homeless even so in the sense of having homes but not being really at home in them. To be really at home is to be really at peace, and there can be no real peace for any of us until there is some measure

of real peace for all of us. When we close our eyes to the deep needs of other people, whether they live on the streets or under our own roof—and when we close our eyes to our own deep need to reach out to them—we can never be fully at home anywhere.

*Video Worship and Communion*

On Sunday, June 7<sup>th</sup> we will once again invite you to share Communion with us during our video worship.

I look forward to your participation as the Holy Spirit unites us all as one through God's love and our love for one another. All you need is a tiny cup of juice, wine or water and a cracker or small piece of bread. If you like choose a special cup and plate that brings you joy and good memories as we celebrate the Lord's Supper together. *Pastor Kate*

## How You Can Help?

Please help us all feel more connected as a community of Christ. After all, we are one in the<sup>5</sup> family of God. I've racked my brain trying to come up with new ideas to help our church weather this Covid19 storm as best we can.

Currently we have:

Weekly video worship on YouTube.

An additional Wednesday newsletter emailed to members and USPS mailed to shut ins.

We continue mailing weekly bulletins and sermons to shut ins.

We have weekly Zoom fellowship gatherings on Wednesdays at 7:00pm.

We've encouraged your participation in choosing a favorite hymn to conclude our Sunday worship.

We've begun a Worship Team for video worship and invited anyone who is interested to participate.

I've encouraged you to call me and share your news and updates as you practice safe, stay at home measures.

Church Council has been reaching out to all our members through phone calls and notes on a regular basis since the beginning of "sheltering in place."

Today, I had another idea and I was very excited about it until I realized that with our "vulnerable population" it's still too early to try it. You see, until restrictions are lifted for those over 65 and those with underlying health conditions, Lordstown Lutheran Church will not risk opening our church for Sunday worship or any other gatherings. Yes, the worship team will still gather, as will Council if necessary. But we are committed to not placing any unnecessary risk on you.

## So, How can you help us stay connected?

Please take a few minutes to send us your thoughts, inspirations, prayers, favorite scriptures, favorite hymns, tidbits from your Christian websites and devotional materials, family news, places where you've seen Christ at work in our community, your "star word" discoveries and any other news you feel like sharing with your fellowship. Share lots and share often. Your contributions will be shared through church newsletters, video worship & Facebook.

## Your sharing will help us all stay connected and feel like family again!

Call or text me 330-472-0228 or email the church [ltownlutheran@yahoo.com](mailto:ltownlutheran@yahoo.com) or send us a note 5615 Palmyra Rd. SW, Warren OH 44481

Thank you!

In the month of May we celebrated Mother's Day. Our Compassion child's mother was happy to get the help from our donations that we give to Marc that helps the mothers in poverty and around the world take care of their children. With our sponsorship Marc's mother can focus on more than just feeding and clothing her child, now she can spend more energy on loving her child well and guiding him through life.

The Hibiscus is the National flower of Haiti. The next time you see one in someone's yard be sure to think about Marc and his mother.

Thank you again for all your support.  
Blessing, Karen
