Saint Charles Borromeo eBulletin

Friends, peace be with you.

Life is precious and I continue to be deeply grateful for the abundant life God has blessed us with here at St. Charles. When I see the parish and school staff and each one of you who walks on our campus giving your lives so that Jesus may be Lord, I am filled with the excitement of God's Kingdom. So, once again and always, thank you!

Now is the time for voting and the election. I lead with a story from about 20 years ago as I was driving around a neighborhood in Portland, Oregon. The bumper sticker on the car in front of me read, "Get your laws off my body!" For the Catholic Christian, we shout to God, "Get your laws on my body!" We go right to I Cor. 6:19-20 "You must know that your body is a temple of the Holy Spirit, who is within- the spirit you have received from God. **You are not your own.** You have been purchased at a price! So glorify God in your body."

As we vote we remember that our whole purpose in life is to glorify God with our bodies and lives. We acknowledge that we do not own our bodies but rather surrender them to Christ which is the only way we can have flourishing and fullness of life forever. This fullness and flourishing doesn't come from me telling God what I am going to do. No, it happens by trying my best to be open to the flawless life of Christ as he offers it to me each and every moment.

As we know, there are no perfect political parties in terms of Catholic social teaching. So, how to vote? Priority must be given to the defense of human life. Without life, there are no other issues to vote on. We hold most dearly the dignity and sacredness of every human life. Abortion, euthanasia and capital punishment are primary considerations. There are other life issues like the elderly, the poor, the dignity of work and the migrant. The parties definitely have different views on these issues. So again, how to decide? It is not a question of which life is more sacred (all life is equally sacred) but the gravity and number of those threatened with each life issue.

So, we ask God to get his laws on our body so that the common good of all people will have the flourishing and fullness of life forever. I encourage you to vote so that God's Kingdom will come and the only way that is going to happen is through our actions glorifying him.

Peace and all good to you,

ACADEMY NEWS

Hello St Charles Borromeo Parish family,

St. Charles Borromeo Academy is back in swing in a hybrid/distance learning mix teaching Catholic values to the next generation of Saint Charles parishioners (and I've survived my first week as PTG president). Hybrid students are coming to school two days a week, with distance learners zooming in. It is great to be back in person part-time as a school, and the work put in to get the academy back up and running in-person has been nothing short of miraculous. We are

blessed every day with the Holy Spirit and His grace as families, teachers and staff weave our way through COVID restrictions and this new normal. Please keep us all in your prayers, as we keep you in ours.

The PTG has an audacious goal of raising \$100,000 to support the Academy this school year. We can't do it without you. Stay tuned for more details on how you can help next week.

We are so grateful for this faith community. Please join the Academy students in person or via livestream for our weekly school mass on Friday mornings at 8am. One grade is joining live each week with the remainder of the student body joining virtually. Click on the "Watch Mass LIVE" button [here](#).

Respectfully,

Patrick Tiernan

Announcements:

Public Square Rosary Crusade has been cancelled!

The Port of San Diego that governs Shelter Island has said that mixed gatherings (non-families) are not allowed to happen during the Covid rules. Our scheduled gathering for the Public Square Rosary will not happen on Saturday as planned. It was also too late to try to make other arrangements. We suggest that individuals go to Shelter Island and walk along the sidewalk near the water and say the Rosary as a private devotion for the same intentions that we posted. If you have any questions please contact Margaret Schleicher.
