

# unite our NATION™

## **WHERE THERE'S CHAOS—BRING CHRIST.**

We're bringing Christ back into our communities to unify our country. This nationwide movement of Eucharistic Processions and rosary rallies is showering the country with the healing power of Christ.

## **GIVE GLORY TO GOD AND HOPE TO ALL.**

When we bring Our Lord and His Blessed Mother out of the churches and into the streets of America we create a powerful, public witness. We ask for grace for our country with the Blessed Sacrament and the intercession of our Immaculate Mother.

## **BE PART OF A MINOR MIRACLE.**

Please prayerfully consider leading a procession in your state, city, parish or university. These ripples of goodness are bringing waves of Christian unity across this great country.
