

Fit For The King Flyers 2024-2025 Dance Program Information Packet and Registration Form

*Please read all information before deciding if the Flyers program is right for your family.
All dancers are asked to commit to a full 7-month season before registering.*

Registration closes at 7:00 P.M. on Friday August 30th.

"I am thrilled to kick off the **23rd Flyers dance season!** What a joy it has been to coach hundreds of girls & watch the program grow over the past 2 decades. This is my 33rd year coaching cheer & dance. My coaching staff and I can't wait to get started!" *Heather Traylor Foy, Flyers Program Director/Head Coach*

The primary goals of the Flyers program:

- Teach dance fundamentals & skills. Techniques & choreography have a Pom and Hip Hop dance focus.
- Provide a fun exercise opportunity, with a strong focus on flexibility, strength, and physical conditioning.
- Learn and polish a choreographed team routine and a group dance for the end-of-season Showcase.
- Teach the value of teamwork, unity, hard work, and respect for self, coaches, and teammates.

FLYERS TEAMS: *Each team has 8-20 dancers. **Placement of girls on teams is the coaches' discretion & final decision.***

ITTY-BITTY FLYERS –

- Preschool. For girls entering Kindergarten in school years 2025 and 2026.

- Itty-Bitty teams will have 1-2 performances and will dance at the end of season Showcase.

TINY FLYERS –

- Tiny teams will practice once a week (50-60 minutes).
- Tiny teams will perform 2-3 times locally and at the end of season Showcase.

MINI FLYERS –

- Geared toward girls in 2nd up to 5th grade. **Coaches will separate Mini dancers into 2-3 teams if enough girls register.**
- Mini teams will practice twice a week (9 hours of instruction/month).
- Will perform 3-4 times and at the end of season Showcase. Mini teams could possibly attend 1 competition.

YOUTH FLYERS – Geared toward girls in 5th up to 8th grade.

Important Tryout Information for the Senior Team – Eligibility by birth year 6/1/2005-2012

Tryouts are held at FFTK and are closed to the public. Please wear exercise/dance attire & tennis shoes. Bring jazz shoes if you have them. Parents of girls who try out for the Senior team will receive an email following tryouts.

ONE-DAY TRYOUT PROCESS - Thursday August 29th – 7:00 – 8:30 P.M. (meet upstairs at FFTK)

Additional Important Details/Expectations –

- Practices for the 2024-25 season will begin the 2nd week of September. **All Flyers parents will receive an email with team placement details and a reminder about your assigned first practice day/time.**

- Practices will be held in the FFTK gymnasium and/or upstairs dance room.

- Each dancer will receive a detailed monthly calendar. This will be emailed to parents, & posted on the Flyers Facebook page. The monthly calendar will always be posted at the top of the dance stairwell at FFTK.

- Practices are “closed” to spectators. Young dancers have a better focus at practices, when mom/dad are not watching. Older dancers have a better focus when outside friends/boyfriends are not watching. 😊

- Each dancer on the Itty-Bitty, Tiny and Mini teams will be asked to have an adult female (mom, grandma, aunt) serve as a “helper” during practices (on rotation) during the season. Helpers will assist with walking girls to the restroom, helping to tie shoes, etc. This will also give you the opportunity to watch a few practices.

- All dancer should arrive on time for practices. Any missed practice should be for a *justified* reason such as an illness. *Any missed practice can negatively impact the missing dancer and the entire team.* Any tardiness or missed practices must be reported to the dancers’ individual coach(es) before practice begins.

- **Please keep this level of commitment in mind when signing your dancer up for Flyers.** If you know that a conflicting activity (sports, band, part time jobs, etc.) will be an on-going conflict with Flyers, please make a choice between activities. *Some flexibility* will be considered with conflicts for other school activities. For example – A dancer might need to arrive late to a practice from a volleyball game or band concert, but she must be willing to rush from 1 activity to the next and/or “split” times.

- All dancers must bring a water bottle to every practice. Water is preferred and sports drinks are acceptable (no sodas). Do not send your dancer to practice on an empty stomach. Healthy food is fuel (energy).

- All dancers should be dressed in comfortable exercise clothes (no denim, no skirts without leggings). Do not send your dancer to practice in flip flops/sandals. Dancers should wear socks and clean tennis shoes with good tread at each practice. Dance shoes will be purchased early in the season and each dancer is required to have dance shoes and tennis shoes at each practice. Dancers can keep an old pair of Poms in their dance bag.

- Families are asked to be supportive with any “take-home” assignments given to dancers. These can include practice for choreography or practice with flexibility or conditioning exercises.

POLICY REGARDING “REDINESS” FOR PERFORMANCES/COMPETITIONS: *A goal of our Flyers coaches is that all dancers will be “stage ready” for performances and/or competitions. Due to past history of some dancers missing far too many practices, and in some cases not working hard to know choreography, parents should know that if a dancer is not ready (does not know the routine &/or cannot adequately perform the dance), she may be asked to sit out 1 or more performances until she is ready to perform. The Flyers coaching staff does not demand perfection, but giving effort, working hard, and being at practices is a very important part of performing on a team.*
