From The Pastor

Our Scripture for this week shares Paul's directions on how to live our lives worthy of our calling. Do you wonder sometimes what your calling is exactly? Are you living each day to glorify God? Often I am appalled at how fast time goes by and how little I accomplish if I am not intentional. I don't need to produce all the time or exceed expectations all the time, but I do not want my days, weeks, months, or years to slip by without purpose and meaning. God calls each of us to be our best and to do our best. That's been hard for me during this pandemic and I'm sure it has been for all of you too. But the second I begin to feel sorry for myself or be angry because all of this is happening, I remember to count the blessings that God so richly gives us. Blessing number one is God's grace. God loves us despite ourselves! Each day we receive love and blessings, sometimes in different formats than we'd planned or would prefer, but the blessings come. Currently I am the champion at our house at the card game "Go Fish". Time to gently play and talk with our grandkids without stewing inside about what I need to be doing has been such a gift. Every time I say the words "go fish", I am reminded that we are to go fish for others to become believers and to belong to God's kingdom. How do you fish for people? Paul tells us that too: with humility, gentleness, and patience.

Be blessed this week as you "go fish"! All glory and honor to God!

Committees

Living Faith has a structure of committees to do our work. We have great volunteers, but attending evening meetings is difficult so attendance is low.

How would you re-structure?

- ♦ SPRC (Staff Parish Relations)
 - ♦ Finance
 - ♦ Trustees
- ♦ Congregational Care
 - Membership
 - Prayer
 - Care of Member

What would make it easier for you to serve?

What keeps you from volunteering?

What could change that would turn your “no” to “yes” for committee work?

Please send and email to Tracy
