Company Teams

Dancers who try out and make a competition team will practice once a week with their team in June and July.

7 Week Session will run from June 11th through July 25th (with no classes held on July 24th, make up class on July 25th).

Company Teams	Tuesdays	11:00-12:00 PM or 12:00-1:00 PM
Hip Hop Crews	Wednesdays	8:00-9:00 AM
Prime Teams	Wednesdays	9:00-10:30 AM or 10:30-12:00 PM
Elite Teams	Tuesdays	9:00-11:00 AM or 11:00-1:00 PM

We have found that if we publish specific times for specific teams on the summer schedule, parents guess where their dancer will be placed and plan their summer around those times. Try outs are unpredictable so there are not final times for these classes yet. We will determine teams and times after try outs and send that information.
