

BERTRAM ECONOMIC DEVELOPMENT CORPORATION DEMOLITION GRANT PROGRAM

INTRODUCTION STATEMENT

The Bertram Economic Development Corporation has established and funded the Demolition Grant Program for the City of Bertram. The program provides matching grant funds to eligible businesses, developers and/or individuals within the City of Bertram.

OVERVIEW

This program is designed to encourage eligible businesses, developers and/or commercial property owners to demolish substandard structures for future development or community quality of life improvements. The program is funded by and will be administered through the Bertram EDC. The Board of Directors has established the following guidelines. This program is designed to encourage physical improvements and commercial revitalization within our city limits, while encouraging a commitment to improve the overall aesthetics of Bertram. Grant funds are limited to a maximum of 50% of the project cost, up to \$7,000. The Bertram EDC Matching Demolition Grant Program is set up as a single payment reimbursement to property owners per building / business. Matching grant funds are available on a first come, first serve basis until total funds for the cycle are depleted. No grant will be awarded for work that has already been started, completed or for work covered by insurance. Application must be reviewed and approved before eligible work may begin. If awarded a demolition grant, any deviation from the approved grant project may result in total or partial withdrawal of the grant funds. A Bertram EDC Demolition Grant "SIGN" must be displayed at the project location for a minimum of three (3) months to publicly recognize the grant program.
