Kentucky District Newsletter “From the Bishop’s Heart” January Edition

2024 Theme: ACCELERATE

Our theme for the year 2024 is the word, ACCELERATE. Accelerate means to make something go faster or sooner. Accelerate speaks of the need to go faster in whatever is being done. For the longest time, we have been hearing within the Church, that Jesus is coming soon. We’ve been told that His coming is imminent. If that is true, which I believe it is, **there must be a sense of urgency in everything that we do.**

I thought about the story in the Bible when Jesus sharing the Passover meal with His disciples, shortly before His death. While at the table, the Lord made the statement that someone at the table was going to betray Him. Each of them was asking the Lord, if they were the one to betray Him. Jesus then made this statement, “It is he to whom this morsel of bread is given to when I have dipped it.” Judas then asked Jesus, “Is it I Rabbi?” Jesus’ response was “You have said it.”

And then in John 13:27 Jesus tells Judas, “Hurry and do what you’re going to do!” I believe that Jesus’ message to Judas, is the same message to the Modern-day Church.

“HURRY and DO what YOU’RE going to DO!”

THE POINT: Each of us, must approach this new year, with a heartfelt sense of urgency, though not panic, as we honor our God-given assignment. We cannot afford to be casual about our calling, but rather committed and consecrated to the Cause of Christ!

We have all been challenged by the powerful questions, “If not me, then who?” If not now, then when?” And in King David’s words from I Samuel 17:29, “IS THERE NOT A CAUSE?”

One-day men's revival event on February 23 at Faithpointe Lexington. The revival will begin at 7pm with guest minister, Daniel Lykins from the Refinery in Mount Sterling.

This event is a great opportunity for us to come together as men of faith. It's a chance for us to renew our commitment to our faith and to support and encourage one another in our spiritual journeys. Darrick Peyton Kentucky Men Ministry Director

This phrase was given by King David to his brothers in response to their criticism of him for wanting to fight Goliath.

There are still giants in the land and they need to be defeated! There is still a cause in this twenty first century, and God is calling us, to address those causes in the market place and in the mission field.

I close with the question, "What IF the year 2024, is all that we have left?" "How would that change what we do?" "Who would we try to reach for the Kingdom?" "Who would we pray for that needs prayer?" What would we give that we have not given?"

"Can you sense the urgency of the hour in response to the needs of our world?"

In closing, I believe with all that is within me, that God's message to His beautiful Bride, and to His loving Church, is **ACCELERATE!**

2024: PRAYER AND FASTING: To all who are praying and fasting in the month of January, thank you!! According to Jesus' words to the disciples, who questioned Him as to why they were not able to help a young boy who was bound by a dumb and deaf spirit, Jesus said to the disciples these words in Mark 9:29 "This kind can come out by nothing, but **PRAYER AND FASTING!**"

Prayer and fasting together really makes a difference! Recently, I was stopped at a traffic light in Frankfort, KY. Across the street, I saw a young man pushing a small four door red car, with another person steering the car. They were slow moving and challenged to get the car off the road. Then, out of nowhere, a young stocky man ran to the back of the car to help push the car. The difference was obvious and immediately, the **TWO MEN**, were able to push the car into a parking lot.

POINT: PRAYER and FASTING together, MAKES A DIFFERENCE!
