“From the Bishop’s Heart”

2024 Spring Edition

“Finishing Well”

Years ago, while working on my Master’s degree from Southwestern Christian University out of Oklahoma City, OK, I took a Spiritual Formation course under Dr. Bobby Clinton Jr. Dr. Clinton was a long-time professor at Fuller Theological Seminary in California. He first began to teach there in 1981.

Dr. Clinton has written numerous leadership publications such as “Focused Lives (1995) Connecting: The Mentoring Relationships You Need to Succeed in Life (1992), and The Making of a Leader” (1989)

But one of Leadership Publications that Dr. Clinton shared with our class was called “**Finishing Well.**” Dr. Clinton had done a study of at least 800 leaders of the bible and what he discovered was that only one third of those leaders finished well.

It was in that moment, that I made up my mind, that with God’s help, I would do everything that I could to make sure that I finished well. That is my heart’s desire and daily prayer.

Dr. Clinton shared with our class, six positive characteristics that all successful leaders that finished well, had in their lives.

- 1. They maintain a personal and vibrant relationship with God until the very end.**
- 2. They maintain a learning posture and can learn from various kinds of sources-life especially.**
- 3. They manifest Christ-likeness in character, as evidenced by the Fruit of the Spirit.**
- 4. Truth is lived out in their lives so that, convictions and promises of God are seen to be real.**

5. They leave behind one or more ultimate contributions.

6. They walk with a growing awareness of a sense of destiny and see some or all of it fulfilled.

If I could add one thing to this list, I would say “Keeping our eyes (focus) on Jesus is central to fulfilling God’s call in our lives.”

One of the things that I pray daily is “Lord, let the last years of my life, be the best years of my life!” (I want them to be the most fulfilling, the most satisfying and the most fruitful.)

“Ladies and gentlemen, we have a harvest to reach, a race to run, a fight to fight, a faith to keep, and a work to do! **“Let us prayerfully determine, that through God’s grace, we are ALL going to finish well!”**

Women from across the PCG are given the opportunity to join the network of Empowered Women's Ministries.

Through registration, women of all ages are able to connect with one another. Together we can stand for a mission that is so much greater collectively than individually.

Please contact your local women's ministries director and give your gift of \$10 to become a part today. Your gift helps support the ministries of the local, district, and national EWMs. With your gift of

\$10 you will be eligible to receive discounts when you attend KY District EWM events, a welcome packet, and will receive monthly newsletters from our na-

tional women's ministries director Kimberly Ming.
