From the Bishop's Heart

On this issue of the Bishop's Heart, I would like to share a thought on the importance of "Being There!" Several years ago, my pastor from Georgia was having a conversation with one of his close friends and he asked him the question, "What is the key to your success and seeing God do so many things?" The minister's reply was "Just being there!" "Being there he said, has allowed me to see the Lord do so many amazing things over the years." What a profound statement!

One of my favorite stories in the bible that epitomizes the importance of being there is found in Acts 14:19-20 (NKJV) Here's the story: "Then Jews from Antioch and Iconium came there; and having persuaded the multitudes, they stoned Paul and dragged him out of the city, supposing him to be dead. 20 However, when the disciples gathered around him, he rose up and went into

the city. And the next day he departed with Barnabas to Derbe."

The Apostle Paul had been stoned by some haters and drug out of the city and left to die. It looked bleak for Brother Paul! All of sudden, out of nowhere, some disciples of Jesus came, and gathered around Paul. We don't know who these disciples were. They were unnamed, unsung heroes! They were difference makers! These disciples loved the Apostle Paul and they believed in him.

These disciples made a decision to be there for Paul, when he needed them the most. As a result, Paul was able to regain consciousness and get back up. I don't know how long it took for Paul to get back up, but at some point, he rose up! I would have loved to have been there to witness that moment in time!

As I ponder this story and meditate on it, it occurred to me that all of us are where we are in life because somebody has been there for us! We did not get to where we are alone! I'm thankful for every person along life's way that has been there for me. My heart and desire are to be there for someone else.

In closing, my prayer is that we can all come together and be there for one another. We need each other! WE ARE PCG!

CONGRATULATIONS

This summer at KY Camp Bethany Norvell was able to become an ordained minister with the PCG.

God has a great plan for her life. She graduated from Messenger this May with a Bachelors in student ministries and is called to work with kids and teens, so this was very special for her to have them a part of it all.

2022 YOUTH CAMP

Great move of God! A big THANK YOU to an awesome group of leaders. Revival is here! Connections were made. Memories stored. Another camp season in the books. Don't let the fire burn out!
