# Coach Dave

I'm Coach, or Coach Dave, but my given name is David Yordy. Back in the day, I was an All-State basketball player in Massachusetts.

Over the past 25+ years I have coached basketball, soccer, volleyball, and baseball at the high school level as well as other sports at the elementary level ☺

I've been teaching Homeschool PE Classes since 1998!

I began coaching with the purpose of investing in the lives of young people, to help them build character, as well as teaching the skills necessary to succeed in each sport.

I've had the pleasure of coaching two State Basketball Champions and 2 National Homeschool Championship teams, but my **greatest reward is seeing athletes grow in character & in Christ!**
