BASKETBALL OUTLOOK

Point—Johnny Underwood, Sonny Benefield and Bill Brown. Underwood, senior letterman from Honey Grove, made a smooth transition from junior college to a starting spot last year and he could be the team's floor general. Benefield is a junior letterman who had some good games last year as a sophomore. Brown is the other sophomore, a 6-1 lad from Galveston who needs varsity experience.

Metcalf's summation goes like this: "We should have a balanced attack with better shooting, improved ball handling and adequate speed and quickness. We need to work long and hard on both defense and rebounding.
