GREAT ONE-PLAY MAN

Jim Kauffman of Georgetown, Aggie gridder who was graduated last fall, was a great one-play man.

During his college career he punted once and threw one pass. Both were tremendous.

His junior season he quick-kicked 62 yards. His senior season he hit end Dude McLean with a pass that went 91 yards for a touchdown. Both feats were against Texas. The pass play started with a bounce lateral from quarterback Harry Ledbetter to Kauffman who was at a flanker back's position. It was the famed trick play, the "Texas Special."

TWELFTH MAN TRADITION

Texas A&M students get on their feet at the opening kickoff of all Aggie football games and remain standing through the final whistle. This is the 12th Man Tradition, a symbol of readiness for duty should the eleven men on the field need assistance and replacement. The tradition was born during the Jan. 2, 1922 game in Dallas between the Aggies and the famous Praying Colonels of Centre College.
