BRYAN-COLLEGE STATION IS THE HOME OF TEXAS A&M ...

On August 20, 2020 the Texas A&M Board of Regents voted and approved the use of "Bryan-College Station" as the home of Texas A&M University. "Bryan-College Station" should be used to reference all sporting events, academic events, press releases, marketing collateral, letterhead, and other representations of Texas A&M University and The Texas A&M University System where a specific postal address is not required.

Aggieland has grown beyond the boundaries of any one municipality. College Station is known as the "Home of Texas A&M University", but the City of College Station and the City of Bryan have had an entwined history since the City of College Station was incorporated in 1938. Bryan and Texas A&M University's historical ties go back to 1871, when Bryan was incorporated and the Texas Legislature established the Agricultural and Mechanical College of Texas.

The former Bryan Air Force Base was operated as the Texas A&M University Research and Extension Center for a quarter of a century before being designated as the Texas A&M University Riverside Campus in 1988, and the Texas A&M University Riverside Campus grew into the Texas A&M University Research Annex before transforming into the RELLIS Campus in 2016. The RELLIS Campus is home to Texas A&M University System entities including ten regional universities, the Texas A&M Engineering Extension Service (TEEX), the Texas A&M Engineering Experiment Station (TEES) and the Texas A&M Transportation Institute (TTI). In 2007, the City of Bryan gifted more than 200 acres to the Texas A&M University Health Science Center.

Recognizing that over the past decade, Texas A&M University and the Texas A&M University System have expanded into the City of Bryan with seven Texas A&M University System colleges, ten Texas A&M University System universities and multiple Texas A&M University System state agencies on more than 2,200 acres with more than $1 billion in investment, the Board of Regents voted to recognize the long history and partnership between the City of Bryan, the City of College Station and both Texas A&M University and The Texas A&M University System.

MAROON GOONS

- The Texas A&M offensive line will see a new look in 2024 but returns great experience, returning three of five starters from a year ago. ... The line is anchored by junior Trey Zuhn III, who has been a staple at left tackle over the last two seasons.
- Zuhn started all 13 games last season and has logged 24 starts over the last two years as he helped clear the way for a 1,000-yard rusher in 2022 and helped A&M rack up over 400 yards of total offense in eight games last year.
- In the offseason, sophomore Chase Bisontis made the move to left guard after starting all 12 regular season games he played in at right tackle and the bowl game at right guard as a freshman in 2023 and sophomore Mark Nabou Jr. has taken over at center, where he made one start last year but logged the majority of his snaps at left guard ... The Aggies have also added veteran experience with junior transfer Ar'maj Reed-Adams, who made 15 starts in 31 games played at Kansas.
- The Maroon & White ranked among the top-four in the SEC, allowing 65.0 tackles for loss a season ago.
- Offensive line coach Adam Cushing has joined head coach Mike Elko in Aggieland after two seasons at Duke where his o-line kept its quarterback protected, ranking 12th among Power 5 schools allowing just 17.0 sacks and seventh nationally giving up just 51.0 tackles for loss in 2022 ... Duke also ranked in the top-18 among Power 5 schools in sacks and tackles for loss allowed in 2023.

STEADY BACKER

- Sophomore LB Taurean York immediately stepped into a leadership role as a true freshman in 2023, quarterbacking the defense at mike linebacker, and was selected as a team captain by his teammates ahead of the 2024 season.
- York started all 13 games last season, finishing second on the team with 74 tackles, which ranked in the top-20 among SEC players and third among league freshman, while his 8.5 tackles for loss were the most by an SEC freshman a year ago and ranked fourth on the team.
- He registered the first double-digit tackles game of his career with 11 takedowns against Auburn, including 2.0 for loss ... On the year, York tallied five-or more tackles in nine of the 13 games.
- York was a key contributor to the defense that led the SEC in rushing defense (108.8 y/g) and sacks (42.0), while also standing at second in the league and eighth nationally with 99.0 tackles for loss and 19th in the country, third in the SEC, in total defense (316.2 y/g).

DEPTH ON THE D-LINE

- Texas A&M boasted one of the most talented and unpredictable defensive lines in the nation last season, led by the veteran experience and consistent production from senior Shemar Turner.
- While Turner is the only returning starter on the line, the Aggies consistently used a full second rotation throughout the year that included juniors Shemar Stewart and Albert Regis, and have added Big Ten standout Nic Scourton.
- Individually, Turner tallied 10.5 tackles for loss and 6.0 sacks in 2023, ranking among the top-20 in the league in both categories ... Scourton led the Big Ten and ranked ninth nationally with 10.0 sacks a season ago and sat in fourth among league players with 15.0 tackles for loss.
- The line played a vital role in the Aggies leading the SEC and ranking 13th in the Power 5 in total defense (316.2 y/g) ... A&M ranked among the top-five Power 5 teams with 99.0 tackles for loss and 42.0 sacks on the year, after beginning SEC play with 15.0 TFL and 7.0 sacks in back-to-back games.
- A&M ranked 10th in the Power 5 and led the SEC in rushing defense (108.8 y/g) and was second in the league allowing just nine rushing scores all season ... The line held ACU to 93 yards on the ground, marking the fifth time last season it kept the opposition's run game in double figures, also limiting New Mexico (91), Miami (77), Arkansas (42), Alabama (23) and South Carolina (33).
- As a unit, the defensive line was a key part of the Aggies' success in shutting down their opponents on third downs as they ranked third in the league and 18th nationally allowing just 55 conversions on 171 attempts on the year, good for a 32.2 conversion percentage.

SPECIAL TEAMS SUCCESS

- Graduate K Randy Bond was one of the nation's leading scorers a season ago, ranking in the top-six nationally with 126 total points on the year, while also sitting in fourth and leading the SEC averaging 9.7 points-per-game and sending 26 field goals through the uprights.
- Bond was one of two FBS kickers to connect on five field goals from 50-plus yards last season as he registered a new career-long with a 52-yarder against ULM and he later connected from the same distance against South Carolina and Mississippi State.
- His 39 career made field goals are the second-best mark among active kickers with only two campaigns and rank ninth in the Aggies' all-time record books ... Bond's 73 career made PATs rank among the top-15 all-time at A&M.
- Two Aggies on the 2024 roster have registered a blocked kick in their careers ... Senior DL Shemar Turner blocked a pair of field goal attempts last season, getting his hand on the ball in back-to-back weeks against Ole Miss and Mississippi State, and junior DL Albert Regis blocked a field goal attempt in the win over Miami in 2022.

THE ELKO EFFECT

- Known as one of the top defensive minds in the country, head coach Mike Elko has consistently produced highly disruptive and productive defenses throughout his career, most recently putting the Texas A&M defense on the map during his time as defensive coordinator and carrying the same standard as the head coach at Duke.
- In 2023, Duke led the ACC and ranked 16th nationally in scoring defense (19.0 ppg) while registering a top-five rush defense among league teams and standing in 17th in the country with 67 passes defended ... In Elko's first season as a head coach, the Blue Devils ranked in the top-35 in the nation in scoring defense, rush defense, rushing touchdowns allowed and passes defended.
- After not finishing in the top 50 nationally in total defense for more than a decade, Elko's first stint in Aggieland as defensive coordinator from 2018-21 coincided with consistent top-35 finishes, including a top-10 ranking in the 2020 final FBS total defense standings.
- Elko has produced top-50 defenses in 11 of the last 12 years with multiple programs (Duke, Texas A&M, Notre Dame, Wake Forest, Bowling Green).

TEXAS A&M UNIVERSITY
HOME OF THE 12TH MAN

THE 12TH MAN

- Sophomore DL Nana Boadi-Owusu was named the 12th Man on August 5, 2024.
- In 2023, Boadi-Owusu saw the field in the season-opening victory over New Mexico, as well as against Miami, ACU and in the Texas Bowl against Oklahoma State. He was a member of the 12th Man Kickoff Team that received the Brotherhood Impact Award at the annual team banquet. Following his redshirt season in 2022, he earned the team's Aggie Defensive Scout Team Honors.
- Growing up the son of Ghanan immigrants and a proud Arlington Martin Warrior, Boadi-Owusu worked hard in the classroom and on the field to position himself for success at Texas A&M. Chasing a high-level college education where he could have a chance to continue his football career, Boadi-Owusu's high school coach put in a call to the late Aggie legend and former defensive line coach Terry Price to express Boadi-Owusu's interest in A&M and the rest was history.

ORIGINS OF THE 12TH MAN

- Texas A&M's famous 12th Man tradition dates back to Jan. 2, 1922 when student E. King Gill came out of the stands in the Dixie Classic in Dallas at the request of legendary head coach Dana X. Bible because of injuries to his football team ... Gill never entered the game but "stood ready" in the Aggies' 22-14 win over the powerhouse Centre College Praying Colonels.
- Texas A&M celebrated the 100-year anniversary of the birth of the hallowed 12th Man tradition throughout the 2021-22 school year.
- In honor of the tradition, the Texas A&M student body "stands ready" to show their support of their team on the field.

NANA BOADI-OWUSU | 2024

THE 12TH MAN KOT

- The 12th Man Kickoff Team tradition was started in 1983 by then-head coach Jackie Sherrill after being inspired by watching students build the famous Aggie Bonfire. "I knew that I could find, out of 40-some-odd thousand students, 11 guys that would cover kickoffs, but have no regard for their body and be tough as nails," Sherrill said. (Source: MyAggieNation.com) Beginning in 1991, a single 12th Man was chosen to represent the student body on the kickoff unit.

Mike Elko was named the head football coach at Texas A&M University on Nov. 27, 2023, returning to Aggieland after spending two seasons as the head coach at Duke. The former Texas A&M defensive coordinator also made stops at Notre Dame and Wake Forest prior to his time with the Maroon & White.

In his first season as a head coach, Elko was named the 2022 ACC Coach of the Year as Duke finished 9-4 complete with a victory over UCF in the Military Bowl, the program's first bowl game appearance since 2018. The Blue Devils boasted one of the best rushing defenses and offensive lines in the country that season. On defense, they gave up just 120.9 yards per game and 10 touchdowns on the ground, standing as the only school in the ACC to allow 10-or-fewer rushing touchdowns on the year. The offensive line kept its quarterback protected, ranking 12th among Power 5 schools allowing just 17.0 sacks and was tied for seventh nationally giving up just 51.0 tackles for loss on the season.

Elko guided Duke to back-to-back bowl games in year two, capping the year off at the Birmingham Bowl. The 2023 season saw the Blue Devils get off to a 4-0 start, including a 28-7 victory over then-No. 9 Clemson to begin the year before injuries took their toll and Duke finished the regular season 7-5. The Blue Devils again boasted an offensive line that ranked in the top-18 among Power 5 schools in sacks and tackles for loss allowed, while also sitting in 16th nationally as a defense, giving up just 19.0 points per game.

Prior to his time in Durham, Elko served as the defensive coordinator and safeties coach in Aggieland from 2018-21, helping Texas A&M finish with four straight bowl trips and an overall record of 34-14 (.708).

The 2021 season saw Elko's defense rank 14th in the nation giving up just 327.5 yards of offense per game, while also boasting the No. 3 scoring defense. The Aggies allowed opponents to score just six rushing touchdowns all year, which was good for second in the country. Texas A&M also ranked No. 9 in pass efficiency defense, No. 7 in red zone defense and No. 12 in total sacks. By season's end, Elko was a semifinalist for the Frank Broyles Award, which honors the nation's top assistant coach.

In 2020, the Aggies finished 9-1 following an SEC-only regular season slate with an Orange Bowl victory. Elko guided a veteran defense that led the SEC and was top-10 in the nation in total defense, also boasting the No. 3 ranking in the country in rushing defense.

Before arriving at Texas A&M, Elko was the defensive coordinator at Notre Dame in 2017 and was a semifinalist for the Broyles Award as the Fighting Irish finished 10-3 with a win over LSU in the Citrus Bowl.

Elko served three seasons (2014-16) as the defensive coordinator and safeties coach at Wake Forest under head coach Dave Clawson. His 2016 defensive unit finished in the top 20 in turnovers forced, sacks and scoring defense, as only four schools in the country could claim that honor and the other three teams qualified for the College Football Playoff (Alabama, Clemson, Washington).

Elko served as the defensive coordinator for head coach Clawson at Bowling Green from 2009-13. He coached linebackers from 2009-11 and then safeties in 2012 and 2013.

Prior to his stint at Bowling Green, Elko was the defensive coordinator at Hofstra from 2006-08, also working on Clawson's staffs at Richmond in 2004-05 and Fordham from 2002-03.

Elko first coordinated defense at the U.S. Merchant Marine Academy (2001) and he spent one season (2000) coaching defensive backs at his alma mater, Penn. Elko started his coaching career as a graduate assistant, coaching inside linebackers at Stony Brook (1999) and defensive backs in the spring of 2000.

A native of South Brunswick, New Jersey, Elko graduated from Penn with a bachelor's degree in history in 1999. As a safety, he helped the Quakers to the 1998 Ivy League championship.

Elko is married to the former Michelle Madison and they are the parents of three children: Michael, Andrew and Kaitlyn.
