FIRST POWER 5 VICTORY

With a 6-2 win over Baylor in Waco on Tuesday, April 25, 2023, Tarleton baseball picked up its first win over a Power 5 team in program history. The Texans took struck first in the first inning and never gave the lead up. **Piercen McElyea** played a big part in the win, striking out a season-high 10 in 5.0 innings of work, walking none. McElyea threw a first pitch strike to 18 of 23 batters he faced.

MR. RELIABLE

Mason Hammonds has been Mr. Reliable for Tarleton this season. The junior shortstop has started a team-high 38 games out of 39 and is hitting .340 with a team-high 55 hits and 13 doubles to pair with 36 runs scored. Hammonds leads the team with 16 multi-hit games and is currently on an 12-game hit streak. He had two hits, two runs scored and an RBI in the win over Baylor.

STEPHENVILLE DUO

Tarleton has two players from Stephenville HS on the roster that have made an impact this season.

Sophomore outfielder **Trace Morrison** has started 30 games in left field and leads Tarleton with a .384 batting average. He has 48 hits, 20 runs scored, 19 RBI and is 9-13 on stolen bases.

Stephenville native and true freshman LHP **Reece Elston** has made a strong impact out of the Texan bullpen thus far in 2023. He holds a 3.15 ERA. In 11 appearances, the lefty has allowed seven earned runs, striking out 25 and walking 13 in 20.0 IP. Opponents are hitting .230 off him and he holds a 2-1 record.

FACILITY UPGRADES

The Tarleton Baseball Complex saw a significant facelift in the offseason. Capacity was increased with the complex now seating over 1,000. A cantilever roof structure providing cover was added and a new press box was installed. This comes after new turf, lights and outfield wall were installed prior to the 2022 season. This scope was phase two for the baseball facilitiy that will continue to see renovations over the coming months.

PLAYING FOR POSTSEASON

The Western Athletic Conference announced that beginning with the 2022-2023 calendar year, Tarleton Athletics will now be postseason eligible for all ***conference*** postseason events depsite the Texans being in year three of four of a reclassification period from Division 2. That means that if the Texans finish in the top eight of the WAC standings, they will travel to Mesa, Arizona, to participate in the 2023 WAC Baseball Tournament at Hohokam Stadium.

STACKING UP IN THE WAC

Tarleton is first in team on-base percentage (.408), and stolen bases (92), second in team batting average (.302) and triples (16) and third in slugging (.466). On the pitching side the Texans are second in opponent batting average (.259), third in ERA (5.37) and fourth in strikeouts (376).

Kooper Shook leads the WAC with 22 stolen bases. **Jack Wagner** is third in slugging (.694), **Trace Morrison** is fifth in batting average (.384). **Mason Hammonds** is tied-eighth with 14 doubles and tied-third with four triples.

A STORY TO WATCH

Grant Kerry is a newcomer to the Texan roster in 2023 after playing the last two seasons at Northwest Nazarene, a D2 school in Idaho. Kerry was born in Hong Kong, his family hails from England and he has lived in Kuwait, Australia and the United States. He played his high school ball in Australia before coming to the United States to play for a Boise State baseball program that was revived in 2019 after being dormant since 1980. After the covid-19 pandemic hit and the Broncos had played just 14 games, Boise State officials moved to cut the baseball program, citing budget issues. Kerry transferred to NNU where he was an All-American and helped lead them to the Division 2 World Series in 2021. Kerry is a utility player that could see time all over the field.

GREAT PLAINS TO THE COWBOY CAPITAL

Redshirt junior utility player **Jack Wagner** has seen his fair share of experience at the Division 1 level. He spent four seasons as a member of the Kansas Jayhawks in the Big 12. Wagner missed last season due to an injury and took a redshirt, but prior to that he performed well in Lawrence. As a redshirt sophomore in 2021, he appeared in 43 games, starting 31 and hit .257 with 17 RBI and a .385 on-base percentage. Thus far in 2023 for Tarleton, Wagner has impressed, leading the Texans with 11 home runs, 23 walks, 43 RBI and is hitting .343. He is slugging .694 with an OPS of 1.156.

NEXT UP

Tarleton will host Grand Canyon in a three-game WAC series this weekend in Stephenville.

ABOUT STEPHENVILLE

Tarleton State University offers the value of a Texas A&M University System degree with its own brand of personal attention, individual opportunities, history, traditions and real community.

Located in the heart of Stephenville and encompassing a 173-acre main campus just an hour southwest of Fort Worth, Tarleton is one of the best university values in Texas and the perfect place for students to begin a future.

Tarleton offers the resources of a major public university, including more than 65 undergraduate programs, more than 20 graduate programs and a doctor of education degree, as well as cutting edge academic facilities and faculty experts with extensive university and industry experience – all with the personal attention, warmth and faculty interaction expected from a smaller college.

ABOUT TARLETON SPIRIT GROUPS

TTP AND TTS – Formed when Tarleton was a junior college, the Ten Tarleton Peppers (TTP) and Ten Tarleton Sisters (TTS) are the two oldest organizations on campus. These spirit organizations for men and women were formed in 1921 and 1923, respectively. New members of these secret organizations are selected by current members. When first organized, the two groups met late at night and prepared signs for upcoming athletic events. The basic signs at this time were made of canvas and were stretched between trees on campus. The clubs met in the attic of the old recreation hall, which is now the Administration Annex. The identities of the senior members were Disclosed in group photos when the yearbooks were Distributed. Senior members stood facing the camera while others faced away from the camera with various and sundry items placed over their heads. The groups are sponsored by faculty and staff members.

PURPLE POO – The TTS and TTP were precursors of the modern Purple Poo. The still-secret organization makes Poo signs each Monday night, which appear on campus every Tuesday morning. The signs occasionally comment on campus political life and student life, but most promote school spirit. These signs are nailed to trees on campus. Members appear in public dressed in costumes and identity is closely guarded.

THE PLOWBOYS – In 1984, a group of interested students established a spirit organization on campus and re-adopted the name "Plowboys," which was the former mascot of the athletic teams. The Plowboys attend athletic events and other campus activities and are familiar to students because of their white shirts, hats and purple chaps.

OSCAR P – Legend has it that John Tarleton, founder of the university, had a pet duck named Oscar P who went everywhere with him. The two were so close that Oscar P is said to be buried with Tarleton. At various student activities, the Purple Poo rally Tarleton students by raising the spirit of Oscar P. This is done by kneeling and pounding the ground while calling out "Hey, Oscar P." Although this has become one of the favorite traditions, there is no evidence to verify the story.

P.A.N.K.U.S. – The P.A.N.K.U.S. acronym stands for People Against Not Knowing University Spirit. People Against Not Knowing University Spirit is an organization, who embraces the Spirit and Traditions of Tarleton. P.A.N.K.U.S. was established at Tarleton in November 2001 and has grown into one of the biggest spirit organizations for students. Their purpose is to be an organization that involves students in spirit activities and events at Tarleton State University.
