

APONI

outdoor wall light, LED, 3000K, anthracite, IP65

The integrated LED of the aluminium APONI wall light is enclosed by an opalescent PC illumination surface. With protection class IP65, it is suitable for outdoor use. The luminaire is connected directly to the 230V mains power supply thanks to its built-in dimmable LED constant current driver. The APONI series also includes floor stands and can therefore be used universally.
