

MEDO 60

ceiling light, LED, 3000K, square, black, 1-10V

The MEDO 60 CL Square has a clear edge, and adds a square version to the MEDO series. Thanks to having an integrated premium LED, it provides bright and uniform illumination. The ceiling light can be converted into a pendant using a suspension kit, and is therefore also ideal for rooms with high ceilings. The built-in LED driver allows direct connection to a mains supply of 120V – 240V.
