

MEDO 30 EL

LED indoor recessed ceiling light, frame version, white, 3000/4000K

The MEDO FRAME variants round off the recessed lights in the MEDO series. The MEDO FRAME lights blend into any room perfectly, just like the frameless versions. Understated yet still powerful, they provide bright illumination. Supplemented by an additional driver, the TRIAC recessed variant becomes dimmable and can be integrated in DALI systems.
